Newton Hospital Nurses Graduated

Music School Gives

tion.

The first part of the program ended with the presentation of a loving cup to Miss Elizabeth Fyffe as a token of gratitude from the pupils and faculty for her twenty years of devoted work as director of the school.

The diplomas were then presented by Mr. William Lester Bates as vice-president of the school. In his brief address he reminded the parents of the pupils of the unusual opportunity offered to their children.

offered to their children.

"We do not expect," said Mr. Bates,
"that every child in this school will
become a great musician, but we do
know that every child is becoming
familiar with great music.

"Your children, too, are unconsciously realizing the value of teamwork, the truth of the fact that an individual who cannot be depended on to strike the right note at the right time is of no value in an or-

ters.
The program was distinguished for (Continued on page 5)

Final Concert

Is Observed With Full Large Audience Enjoys Varied

The Graduation festivities at the Hospital began this year with the picnic at Cedar Hill in Waltham on Friday, May 29th, at which the Alumnae entertained the members of the senior class. Games and swimming were enjoyed in the afternoon followed by a lobster supper. After supper there were more games and swimming and Dr. Lothrop took moving pictures of the activities. Many members of the Alumnae Association and members of the Medical Staff attended.

On Tunday evening, at 8:30 in the Nurses' Home the Baccalaureate Service was held. Rev. Richard G. Preston of the Grace Church in Newton was the speaker.

Preston of the Grace Church in Newton was the speaker.

On Tuesday evening, June 2nd, there was an entertainment and dance. A one-act play, "The End of the Rainbow" was given, also musical selections and the Class Prophecy. For the Prophecy the stage setting was that of a country school with Miss Mary Holland as mistress, and Miss Constance Hart as assistant, and the members of the 1932 class as the pupils. The students taking part in the play were Misses Muriel Butler, Holly Burry, Mildred Gerow, Rachel Barthel, Ruth Burns, Benita Kinney, and Rowena MacDougall. Miss Mareta Grimes was the planist. Miss Grace Holden had charge of the costumes.

On Thursday afternoon, June fourth, at four o'clock the Graduating Exercises took place in the Tent on the "Hill."

"Hill."

The invocation was offered by Rev. J. Burford Parry of Wellesley, and the address to the graduates was delivered by Mrs. Eva Whiting White of Boston. Diplomas were conferred by Mr. Charles E. Kelsey, President of the Board of Trustees, and pins presented by Miss Nell A. Hostetler, R.N., Principal of the School of Nursing. Mary M. Riddle, R.N., awarded the various scholarships.

M. Riddle, R.N., awarded the various scholarships.

The members of the graduating class were: Bryce B. O'Donnell, Ruth M. Centebar, Katherine L. Leonard, Elizabeth A. Duncan, Anna E. Bent, Elizabeth M. Ray, Idelia K. Davis, Eleanor W. Howe, Florence E. Hills, Gertrude I. O'Brien, Beatrice E. Dobson, Eleanor E. Fleming, Helen Gustavson, Gertrude M. Moloney, Gretchen Genevieve Graham, Lillian S. Phipps, Anita M. McCammon, Phyllis E. Koldenborg, Mary C. Thornton, Helen H. Dutton, Marie L. Cassidy, Thelma eranian, Helen L. McKee, Marjorle C. Rowe, Margaret E. Schultz, Evelyn V. Pope, Anne T. McElemey, Margaret E. Grogan, Doris M. Kivlehan, Penniah M. Stewart, Lucille H. Goodwin, Ethel D. Griswold, Winnifred Stone, Louise Hession.

The Hospital Aid Scholarships were

nifred Stone, Louise Hession.

The Hospital Aid Scholarships were awarded as follows: to Miss Marjorie Rowe of Portland, Maine, third year student, \$250; to Miss Priscilla Marshall, of Waltham, a second year student, \$75; and to Miss Katherine Keat-

Three Thousand Attend Expect Two Thousand **Boy Scout Court**

Witness Striking Ceremony at scott Reservation

The Nobscot Reservation of the Newton Boy Scouts was the scene of one of the most impressive ceremonies in the history of the organization last Friday evening. Three thousand adults and Scouts witnessed the awarding of many higher badges in Boy Scouting. The high spots of the affair were the Indian fire-lighting ceremony and the award of ten Eagle Badges by the President of the Council. The All Newton Music School gave the last concert of the season of 1930-31 in the Newton High School audi-torium on the evening of May twen-ty-eighth. In spite of the intense heat there was a large audience which evidently felt well repaid for coming. feit well repaid for coming.

The program began with the work of the younger pupils, who played piano and violin solos with a poise and dignity that many more experienced performers might envy them. An ensemble was given by the junior grades, another by the senior grades, then solos by the intermediate pupils. Each one of the soloists deserves recognition, for all were surprisingly good.

The "Rondo Capriccioso" of Men-

cil.

Eagle Badges were awarded to Scouts Albert Walker. of Troop 1; Philip Trowbridge of Troop 48, Highlands; Arthur Crosble and Robert Nickerson of Troop 5, Centre; Scouts Robert Laverty, Robert Partridge, William L. Smith and William Spurrier of Troop 11, Newton; Scout Charles Steinsick of Troop 18, Centre; and Scout Edmund Kent of Troop 20, Centre. serves recognition, for all were surprisingly good.

The "Rondo Capriccioso" of Mendelssohn, for piano, was brilliantly played by Frances Jennings; and the holder of the President's Scholarship for advanced violin study for 1931-32. Anna Kovitz, received much applause for her playing of the Pugnani-Kreis-ler Prelude and Allegro. The Director's Scholarship is awarded again to Aida Pucciarelli. The Scholarship to the Surette Summer School, awarded last year to Olivia Vuilleumier, goes this year to Anna Kovitz. Diplomas were awarded to Virginia Kenway, piano; Anna Kovitz, violin and Olivia Vuilleumier, violin, for the regular Courses. All three are to continue their advanced study towards a post-graduate Diploma, and also are to take their two years' Normal Training, under the Music School's direction.

tre.

The Court opened at 8:15 P. M. with call to attention by Eagle Scout Richard Schroeder, Master of Ceremonies, and was followed by the introduction of A. Leslie Harwood, Esq., Chairman of the Council's sub-Committee on Wilderness Camp, who spoke of the plans for a hiking camp on and around Monadnock this coming summer, under the leadership of Mr. Frank E. Lichtenthaeler, known as "Uncle Frank" to the hundred of Scouts and Scouters in Newton. This is a new venture in Newton and is another step forward in the camping program, which already includes The Ohio, Nobscot as overnight camp-sites and Camp Cape Cod as the summer camp. The Wilderness Camp is for older 1st Class Scouts, where actual, complete camping is vearried on and "all you have is what is on your back, plus what Nature provides."

carried on and "all you have is what is on your back, plus what Nature provides."

This was followed by Retreat with all standing as the sweet notes of Retreat floated through the woods, with the flag floating slowly down from the peak. Mr. George Schriver, "Akehla," of the Cub Pack at Grace Church, Newton, the first registered Cub Pack in the city, gave an amusing demonstration and then the Cub Howl.

The Camps Director and Scout Executive then extended a welcome to the Scouts and guests present and told briefly of the securing of the Reservation three years ago, with the fire a year ago May 4th and the reforestation to date, which included the setting out by Scouts and leaders of 35,000 seedlings and 6,000 larger trees by men, and the starting of a Forest Nursery from which seedlings of all sorts of trees and shrubs will be set into the Reservation in the years to come.

Mr. Russell Noyes, Assistant Camp Director of Camp Cape Cod, was presented and told briefly of the plans for that Camp and urged parents to send their boys for the fun and training to be had in such a camp. He stressed the water-front program and the safety measures taken to prevent accidents at the waterfront and on the water. As it became dusk, the flood-lights provided by the courtesy of Chief C. J. Randlett of the Newton Fire Department and manned by the newly formed Scout Fire Emergency Unit, were turned on. Mr. Larsen took the contents of Troop 18, Retrieved.

right time is of no value in an orchestra.

"That is discipline of the finest
kind, and discipline is in danger of
being ignored in our homes today,"
said Mr. Bates in conclusion.

The second part of the program consisted of a group of solos by Miss
Forte, the head of the violin department, and a quintet for plano, violin
and 'cello by the heads of the departments, Miss West, Miss Fyffe, Miss
Forte, Miss Pucclarelli, and Miss Masters.

rided by the orchestra of Troop 18,

Awards were then made as follows: rovisional Certificates to members f the Scout Traffic Police Squad by Captain Seaver of the Newton Police Department. Before and after the Court, this Squad, under Scout Austin Fisher, Jr., Chief, helped handle traf-

Halliday and James Dempsoy; Musical Program, D. Ralph Maclean; Cashiers, Rev. Chester Arthur Drummond and Mr. Albert Speare.

ROOF GARDEN HOTEL WESTMINSTER NOW

Would Abandon Plans For New City Hall

Committee Advocates A Drastic Cut

Two thousand persons will be seated, served with refreshments and entertained with music and dancing at the novel outdoor "Pop" Concert to be held Tuesday and Wednesday evenings of next week, June 9th and 10th, in the beautiful Amphitheatre on the Newton Centre Playground. Enlargement of the seating plan was decided upon last night at a meeting of the general "Pops" Committee.

At tables nearest the grass-caraged the grass-caraged stage 500 persons will be served.

The meeting of the Board of Alderment on Monday night did not start until 8:30 and consumed but about a half-hour in transacting the business included in the brief docket. The first hearing announced was on the petition of the Edison Company for a pole location on Morton street at Mill street, Newton Centre. No person appeared to oppose this petition.

The second hearing announced was on the petition of George A. Haynes who asks for a permit to establish a gasoline filling station at 361 Washington street, corner of Thornton the Newton Chamber of Commerce comprised of Frank L. Richardson, George J. Martin and Jothe, L. Richardson, George J. Martin and Jothe, in the business of the dividence of Commerce comprised of Chamber of Commerce of Chamber of Commerce comprised of Chamber of Commerce of Commerce of Chamber of Commerce of Chamber of Commerce of Chamber of Commerce of Chamber of Chamber of Chamber o

street, Newton Centre. No person appeared to oppose this petition.

The second hearing announced was on the petition of George A. Haynes who asks for a permit to establish a gasoline filling station at 361 Washington street, corner of Thornton street, Newton. This station would have four tanks with a capacity of 4000 gallons, and four pumps. James P. Gallagher, appearing as attorney for Mr. Haynes, informed the Aldermen that a petition had been filed 5 years ago for a filling station on this site and was refused. He remarked that some of the Aldermen at that time thought the site might be used that some of the Aldermen at that the two tenements of the wooden block now occupying the site would be removed and it is desired to have 3 driveways leading into the station. He stated that the present building is unsightly and a fire hazard and that the granting of a filling station permit will create no hazard to pedestrians as it has been proved that the safest place on a highway today is adjacent to a filling station. Automobiles entering and leaving filling stations travel slowly.

He argued that the filling station will substantially improve the neighdent of the Newton Trust Company.

He argued that the cost of the proposed structure will be considerably over a million dollars and this will impose a large burden on Newton's taxpayers which because of the business depression is inadvisable. He suggested that the citizens be circularized to inform them of the situation and obtain their reaction. He contended that a practical city hall building which will provide the necessary facilities for transacting the business of this city can be erected for well under \$200,000.

For many years Newton has needed

sary facilities for transacting the business of this city can be erected for well under \$200,000.

For many years Newton has needed badly a new city hall. The old structure in use is quite inadequate to house the various offices, the records of the city are disintegrating in a damp vault and for a long time the erection of a suitable new building has been postponed. In 1926 hearings were held in the various villages of Newton to obtain a consensus of opinion as to the proper site for the new building. As a result, it was decided that the large majority of citizens favored the so-called triangle site at Walnut street and Commonwealth awanut street and Commonwealth awanut street and Commonwealth awanut street and Commonwealth awanut street and Commonwealth and City Solicitor to petition the General Court for authorize the construction of a new City Hall. On June 30, 1930 the Board of Aldermen voted to authorize the construction of a new City Hall and War Memorial on the triangle site and appropriated \$5000 to engage an architect. Mayor Weeks appointed Charles Collens of Newton Centre as an experience with the Mayor, the architect and the Buildings Commissioner on the construction of these meetings were printed in the GRAPHIC. It was announced that bids for the work would be asked for this month. Mayor Weeks states that he will proceed as planned on the construction of the new Structure. Accounts of these meetings were printed in the GRAPHIC. It was announced that bids for the work would be asked for this month. Mayor Weeks states that he will proceed as planned on the construction of the new Structure. Accounts of these meetings were printed in the GRAPHIC. SPORT NOTES

Lose But Six Athletes

The Harvard track team will lose but six lettermen by graduation this month and with a dozen stars from the freshman team coming up next year's outfit should be exceptionally strong. Hamilton Kollmyer will be a strong. Hamilton Kollmyer will be a junior next year and should be one of the leading quarter milers, while Carl Pescosolido, freshman sprint star this season, will carry the brunt in the century and shorter indoor dashes next year. Joe Fox of Nonantum will carry on in the two mile. The Crimson athletes recently elected Eugene "Red" Record of Brookline as captain of the 1932 team. Local track fans well remember Record for his activities against Newton when in high school.

Tommy "Tucker" Rhodes pitched no-hit ball for Newton High in defeating the Cambridge High and Latin school nine in a Suburban League baseball game at Russell Field, Cambridge last Friday, 4 to 1. As Somerville high upset Brookline High 6 to 2 at Dilboy Field, Somerville on the holiday the orange and black team went into a first place tie with Brookline, each with four wins and two losses for eight points. Somerville won its fourth game for eight points but has suffered three losses.

The Newton clan had several breaks

online but has suffered three losses.
The Newton clan had several breaks come its way in out-scoring the Cantabs as "Lefty" Kelley was on the mound for the losers and pitched good ball. Errors figured largely in Kelley's defeat as he fanned thirteen and allowed but two hits. Kelley was in trouble in three frames and it is teammates could not pull him out as Newton tallied with every opportunity. On the other hand Rhodes was in no trouble at all except in the seventh when the usually relief belle Huston slipped up on a chance similar to many he has taken with ease all season. Conlon was the batter. His grounder to Huston's left was a close bid for a hit and would have been scored as such had not Huston's ability been taken into consideration. However, Huston was credited with an error as he trapped the ball only to lose it to let Conlon reach first. Reardon promptly sacrificed down the third base line and as Appleyard fielded the ball Conlon reach grant first. SPORT NOTES

Hunnefield Becomes a Brave

Bill Hunnefield, former White Sox and Cleveland infielder, who was re-cently given his unconditional release by the latter American League club, cently given his unconditional release-by the latter American League club, caught on with the Braves. Hunnefield is a Framingham boy but is well-known locally as a former Saxony Mills star. He was first picked up by the Philadelphia Club after he got through at Colgate University. In 1923 he was farmed to Montreal and later went to Portland of the Pacific League. In 1925 Cincinnati let slide a \$5000 option and the White Sox purchased him. In 1926 he played 131 games at second and short and the following year in 112. In '28 and '29 he played 94 and 47 games at second and in 1930 was with Toledo. Cleveland got him this spring in the draft. His best betting average of .294 was with Chicago in 1928. He joined the Braves Sunday, getting into the second game of the doubleheader with the Phillies, and relieving Maguire at second base. Since then he has been holding down third base with fair success.

Matchless economy with six-cylinder smoothness

"Better than 20 miles to the gallon." "Its cost-per-mile is the lowest of any car." "Never have to add oil between crankcase changes." "Drove from Ghio to California on a repair expense of \$1.05." "It just runs and runs and runs."

-typical comments from owners of the Chevrolet Six

Why is it that Chevrolet—a big, powerful, smooth-running Six-actually costs less to operate and maintain than any other car you can buy? The answer lies in five outstanding factors of Chevrolet economy:

1. Efficient Engine Design makes Chevrolet fuel consumption so low that 20 miles to the gallon of gasoline is nothing unusual for a Chevrolet owner.

2. Modern Chassis Design increases the ability of the Chevrolet Six to run dependably. This modern design is typified by Chevrolet's long heavy frame, four parallel-mounted springs, and smoothrunning six-cylinder engine.

3. Excellence of Manufacture also adds to Chevrolet dependability and long life. Chevrolet

pistons, for instance, are built so carefully, and held true to such close limits of precision, that many owners have gone 20,000 miles or more without having their motors opened for major servicing.

4. High-Quality Materials are used throughout the Chevrolet car-costly nickel steel, chromevanadium steels, chrome-nickel steels-to assure trouble-free, low-cost service for tens of thousands of miles of operation.

5. Economical Nationwide Service, with its low flat-rate charges on labor and genuine parts, is available at 10,000 dealers throughout the country. Remember-in addition to all these basic economies -Chevrolet offers the extra advantage of one of the lowest delivered prices on the market.

Chevrolet passenger car prices range from \$475 to \$650. Truck chassis prices range from \$355 to \$590.
 All prices f. o. b. Flint, Michigan. Special equipment extra. Low delivered prices and easy terms.

WOMEN'S CLUB ACTIVITIES

GEORGE WASHINGTON BI-CENTENNIAL

There is without doubt no necessity to urge Women's Clubs to join in the nation-wide observance of the two hundredth anniversary of George Washington's birthday. With the State Federation president, Mrs. Carl L. Schrader, a member of the Massachusetts Commission formed to carry forward plans in this observance, the knowledge and interest of Massachusetts Clubwomen is especially alert. Opportunities, however, and methods of securing assistance for programs for the next year, are herewith brought to their attention. Chair brought to their attention. Chair and other Club officers interested en and other Club officers interested programs may welcome informaon. Literature and Drama commites may find a wealth of material,
ere will be no more timely or
orthwhile topic for the year than
is which is planned to bring home
the American people the vast intences of life and character which
evers Weshington impressed upon Heorge Washington impressed upor the United States of America.

George Washington impressed apon the United States of America.

American sentiments of honor and gratitude to our Nation's Founder demand that this Bicentennial anniversary beginning February 22, 1932 and continuing through Thanksgiving Day of 1932, shall be the occasion of the most unusual and most gigantic memorial celebration the world has ever known. In it, in some form or another, the co-operation of every citizen is sought and expected. In it, in some form of homage or information. Schools, colleges, educational units, patriotic organizations, civic organizations, civic organizations, civic organizations, will have their share in promulgating an inspiring and true record of this life of our greatest American.

It was as long as seven years agon that the United States Commission.

It was as long as seven years ago that the United States Commission for this event came into being through Joint Resolution of Congress through Joint Resolution of Congress with the President as chairman. Distinguished names make up its personnel. Of our State Commission, organized under legislative act last year, Major Robert E. Green is chairman; Professor Albert Bushnell Hart, historian of the National Commission, is chairman ex-officic and Mrs. Schrader, as has been stated, is an active member.

der, as has been stated, is an active member.

Already a vast amount of collected material is available upon request from The George Washington Bicentennial Commission, Washington Building, Washington, D. C. A collection of facts about George Washington, edited by Professor Hart, will soon appear. Bibliography for programs of different kinds, pageants, short and long plays, poems, etc., are even now in form for distribution.

The days and months to come will bring a wealth of treasure from writters and talented folk. Besides the bibliography which will be illuminating upon the life and character of Washington, there will appear in books, magazines, papers, plays, pageants, slides, films, and radio, features which will be of varying power and beauty. New books will be added to the 1,600 including his own writings, now to be found in the Library of Congress. New poems and songs will be arranged with marvelous floats depicting scenes from Washington's life. There is no end to the possibilities which genius of today will bring in homage, reverence and tribute to the genius that gave to us our United States of America.

Personal additions to the beauties of the locale in which George Wash-

United States of America.

Personal additions to the beauties of the locale in which George Washington spent his home life are eminently fitting as having been planned. There is appeal in the knowledge that his birthplace, Wakefield, is being rebuilt in replica, so that we may feast our eyes upon the likeness of the house in which he was born. It is appropriate, too, that a boulevard under construction will connect his name city with Mt. Vernon. There is appeal, too, in the thought that Colonial Gardens, after the plan of the Washington Gardens at Mt. Vernon, are to be planted throughout the United States. The American Tree Association is planning to express its appreciation of this great man by the

and Mrs. Schrader, State tional Poetry Contest for the Washington Bicentennial is anle by the National Life Comn Society of New York City, th Mrs. Charles Cyrus Marpresident. The contest is anyone residing in the United who wishes to manifest admirdloyalty for George Washhrough the medium of poetry. In smust be original; only one entered by one writer; no will be returned; poems must ed twenty lines; and the context of the war Veterans committee, fifteen boys from Rutland Hospital were entertained, with Miss Marion Knotts, director of Red Cross, as a special guest—a delightful proffering to hospitality inaugurated this past year on several occasions by Mrs. Woods.

The Worcester Woman's Club contributed to the day, presenting a profine profering and or readings and music, and folk dancing on the green led by Miss Alma Porter of the State department of day.

address, and Mrs. Schrader, State president.

A National Poetry Contest for the George Washington Bicentennial is announced by the National Life Conservation Society of New York City, of which Mrs. Charles Cyrus Marshall is president. The contest is open to anyone residing in the United States who wishes to manifest admiration and loyalty for George Washington through the medium of poetry. All poems must be original; only one may be entered by one writer; no poems will be returned; poems must not exceed twenty lines; and the contest which opened April 1, 1931, will close on February 22, 1932. The first prize is fifty dollars, and there are five prizes of ten dollars each. Poems must be sent to Mrs. Marshall, 2233 Tiebout avenue, New York City.

To sum up the underlying value of this great anniversary, with its high ideals, its lofty principles, its almost inexpressible appreciation and reverence, is nigh impossible. Its hope lies in that all may come to realize the importance of emphasizing those qualities in George Washington's character that made his great achievements possible, thereby reconsecrating all citizens to the type such as this great man visioned for his country, or, as Congress expressed the motive of this observance: "That future generations of American citizens may live according to the example and precepts of his exalted life and character, and thus perpetuate the American Republic."

STATE FEDERATION

APPOINTMENTS. Announcement comes from Mrs. Carl L. Schrader. State president, of the appointment of several new chairmen to carry on the activities of the Massachusetts State Federation of Women's Clubs for the year 1931-1932: Radio, Mrs. Charles L. Fuller; Press and Publicity, Mrs. Reuben Gleason; Community Service, Mrs. Leon E. Dutch; Motion Pictures, Mrs. Oscar A. Blaisdell; directors, Mrs. Arthur J. Crockett; Department advisors include: Fine Arts, Mrs. David A. Westcott; Legislation, Mrs. Frank P. Bennett; Education, Mrs. Frank P. Bennett; Education, Mrs. Frank P. Bennett; Education, Mrs. Frank P. Bennett; Eva Whiting White; Press and Publicity, Mrs. Edward M. Cox; Junion Membership, Mrs. Frank P. Bennett; Motion Pictures, Mrs. John H. Kimball; Child Welfare, Mrs. Willard D. Woodbury; Special committees, Mrs. Frederick S. Davis. Mrs. W. J. McDonald will serve on the Nominating committee for the New England Conference, September 15, 16 and 17, at Rangeley, Maine, and Mrs. George E. Gomley on "Federation Topics" publicity. licity.

MEETINGS. The Marlboro Woman's Club will entertain the Fall Meeting, October 39s the Midwinter Meeting will be held February 18, at Hotel Bradford, Boston; and the Annual Meeting at the New Ocean House, Swampscott, May 18 to 21, 1932, with the final day given over to a junior program. Mrs. Schrader will open her home in Belmont, Thursday, June 11, for the first Board Meeting of the new season. After a well-earned vacation of two months spent in Geneseo, N. Y., Peterboro, N. H., and on Cape Cod, Mrs. Schrader plans preliminary group meetings with the Club presidents of the several Districts in advance of the fall club season. This feature was successfully carried out in the First District last year.

United States of America.

Personal additions to the beauties of the locale in which George Washington spent his home life are eminently fitting as having been planned. There is appeal in the knowledge that his birthplace, Wakefield, is being rebuilt in replica, so that we may feast our eyes upon the likeness of the house in which he was born. It is appropriate, too, that a boulevard under construction will connect his name city with Mt. Vernon. There is appeal, too, in the thought that Colonial Gardens, after the plan of the Washington Gardens at Mt. Vernon, are to be planted throughout the United States. The American Tree Association is planning to express its appreciation of this great man by the planting of forests, groves, or individual trees, wherever a place is provided and a tree desired in the name of George Washington. The State Federation of Women's Clubs, having this thought in mind, planted their tree, on May 19th, upon the grounds of the New Ocean House, Swampscott, the first day of their session in annual meeting. Two members of the Massachusetts Commission were pressent—Professor Hart, who gave the

chairman of finance; and Miss Alice F. Titus, publicity director.
FIELD DAY, Field Day at the State Federation forest in Petersham, Wednesday, June 3, attracted a large delegation of Clubwomen from all parts of the state. Mrs. Robert Parmenter, State chairman of Conservation, planned a gala day, with Commonwealth conservation officials on hand as guides, and William A. L. Bazeley, State Commissioner, extending a welcome.

Signs from Petersham Centre pointed the way to the forest, 600 of the

Signs from Petersham Centre pointed the way to the forest, 600 of the proposed 1,000 acres of which have already been purchased by the Clubs of the State. Box luncheon at 12 o'clock, with coffee served by Barre Woman's Club, was followed at 1 o'clock by an informal program.

Unveiling of a tablet commemorating the gift of the Fourteenth and Fifteenth Districts of a large tract in honor of two past State presidents of western Massachusetts, Mrs. Arthur D. Potter and Mrs. Azel A. Packard, was a most interesting feature. Mrs. John M. McGann officiated, assisted by Mrs. Edward A. Rice and Mrs. Alfred Norton.

Informal addresses were given by Mrs. Carl L. Schrader, State president, and other guests of honor. Under es-cort of Mrs. Walter H. Woods, chair-

Newton Federation

Newton Federation

On Tuesday, May 26, a meeting of the newly constituted Executive Committee of the Newton Federation of Women's Clubs, which consists of the officers and six directors, was held at the home of the president, Mrs. Samuel N. Braman. This meeting, which took the place of the former Post Annual Meeting of the Executive Board. was for confirmation of committee appointments and was presided over by the president, who expressed her satisfaction that so many chairmen were to serve another year. Only two new chairmen were appointed, Mrs. Newton A. Merritt, of the Newton Community Club, for the Education committee, and Mrs. C. H. Lippincott, of the Community Service Club of West Newton, for the Social committee.

The standing committees and their

Club of West Newton, for the Social committee.

The standing committees and their chairmen for the season of 1931-1932 are as follows: American Home, Mrs. Albion H. Brown; Civies (Community Service), Mrs. Arthur W. Lane; Conservation of Natural Resources, Mrs. Thomas I. Taylor; Education, Mrs. Newton A. Merritt; Finance, Mrs. Gorham W. Harris; Legislative, Mrs. Arthur W. C. Desoe; Program, Mrs. Benjamin D. Miller; Public Health, Mrs. Wilson G. Smillie; Social, Mrs. C. H. Lippincott, and the special committee on Health Christmas Seal, Mrs. Charles A. Riley.

The tentative plans of the Program committee for the next year were discussed, but no action taken.

GENERAL FEDERATION

The General Federation of Wo men's Clubs reports a most successful idea worked out by a Federated Club that is worth consideration of being taken up by other Clubs in the coun-

Discovering that faulty hearing of ing them away from meetings, the Woman's Club of Upper Montclair, New Jersey, one of the large organizations of the General Federation, announced informal meetings especially for this group. Securocetal ways or this group. So successful were hey that the following year a com mittee was organized to give program mittee was organized to give programs for those who were too hard of hearing to take advantage of the regular lectures in the large auditorium. With commendable tact, members not afficted with deafness were also invited, hence going to one of these gatherings did not necessarily imply deafness. Meetings were held in a small room where the voice would carry. Seats were arranged in straight rows in front of the speaker so that all might watch her lips. Lecturers experienced in speaking to the deafened were secured from one of the lip-reading schools. Proper names were written on a blackboard at the beginning of the talk; names of places with a travel talk; of characters and author if a book discussion; or if a play, then the setting of the scene and the names, with ages, of the people in it. As the lecture proceeded, the speaker called attention to the proper name with a casual gesture.

The organization of classes in lip or those who were too hard of hear

to the proper name with a casual gesture.

The organization of classes in lip reading for beginners and for the more advanced were added to the committee work. Monthly card parties are another activity. Here women who enjoy cards, can play with other women similarly handicapped, with no feeling of being a burden to more swift-spoken partners. All women with impaired hearing, whether members of the Club or not, are welcome to these meetings.

The latest and most ambitious development is the installation in the Club House auditorium of a Western Electric Audiphone. Sound waves, even a faint whisper, from different points on the stage are transmitted from a small microphone, either on the speaker's desk, or on the floor, to women with impaired hearing in the gallery where ear phones have been installed.

The Club is now encouraging the testing of scheel ablidwards.

been installed.

The Club is now encouraging the testing of school children's hearing by school authorities, and the subsequent training in lip reading. It is also interesting itself in a survey of young people who are employed, who might profit by a lip reading class in the night schools.

MINUSUAL RECORD

Sunday marks the completion of forty years' service by Dr. Edward T. Sullivan as rector of Trinity Church, Newton Centre. Although Dr. Sullivan is but one of many who have served only one church for four decades, as well as having been the only rector in its history—an unusual record. Under the guidance of his hand the parish has grown from a handful to many. He has also found opportunity to extend his work in an ever-widening circle of activity. In his sincere and quiet way, without ostentation or lavishness, Dr. Sullivan has built an everlasting monument for good into the hearts of many.

Scout Council through the courtesy of the local Chapter of that organization.

Mr. Frank A. Day, 1st Vice-President of the Council and Chairman of the Council Committee on Camps and Camping, after explaining the Camporee, another new venture in the Council program, made the awards to the winning Patrol, the Eagle Patrol of Troop 11, Newton, Scout William Spurrier, Patrol Leader.

At the end of this, nine strokes were sounded on a bell, the notes ringing through the amphitheatre, three of the lights were turned off and the fourth focussed on the top of one of the surrounding hills. In the light, there appeared an Indian Chief in full costume, Eagle Scout Charles S. Frary, Jr., of Troop 7A, West Newton and a member of Norumbega's Jamboree Troop two years ago. Slowly and majestically he walked down the hill and strode to the fire which was to be lighted. In the soft flood-light, he bowed to the four winds of heaven, blew magic dust over the fire, knelt before it and then, with a roar and cloud of blue-white smoke, the fire burst into flames. Slowly, he stalked off. The ceremony was followed by singing.

singing.

The rest of the awards followed this ceremony. Scout Executive Bruce awarded 60 1st Class Badges; Acting-Mayor Roy Collins presented the Star Badges; Mr. Irving O. Palmer, principal of the Newton High School, presented the Life Scout awards and Scouts, from his observation, as high school citizens, commending them highly; Mr. L. Lee Street, Chairman of the Council Court of Honor Committee, presented Eagle Bronze Palms to four Scouts of Troop 18, Centre, three of them brothers. Scout Commissioner Marcy presented the Fivemissioner Marcy presented the Five-Year Veteran Badges.

As Mr. Marcy completed the Veteran awards, President Hutchinson stepped forward and, with words of high tribute for unselfish, loyal and high tribute for unselfish, loyal and constant service to Scouting, presented the Ten-Year Veteran Badge to Mr. Marcy. The Council was then called to attention, Mr. Schroeder called the entire audience to attention and asked Scoutmasters Bruce Stewart of Troop 1; Dana Sylvester of Troop 4B; Ralph B. Emery of Troop 7; Francis Russell of Troop 11; Richard B. Peirce of Troop 18; and Roderick Clifford of Troop 18; and Roderick Clifford of Troop 20 to present their candidates Troop 18; and Roderick Clifford of Troop 20 to present their candidates for the Eagle Award. As they came into line, President Hutchinson spoke of the honors and of the duties and privileges conferred upon them as Eagle Scouts and pinned the Eagles, the highest rank in the Boy Scouts of America, to their left breasts. With a rousing Council cheer they saluted and filed back into their Troops, after the older Eagle Scouts had passed by and welcomed them into the ranks of and welcomed them into the ranks of

ple observance of this anniversary "We give high praise and hearty thanks for the forty years of faithful service which Edward T. Sullivan has rendered to this Parish and to this community and we pray that he may be permitted to continue his valued work for many years to come."

ROTARY CLUB

Mr. Dana S. Sylvester, executive manager of the Massachusetts Mutual Savings Banks Association, was the guest speaker at the regular meeting of the Rotary Club of Newton on Monday at the Woodland Golf Club. Mr. Sylvester cited many humorous and human incidents that have occurred in various savings banks and also touched briefly on the more serious significance of such community organizations.

ducted from the appropriations made by cities and towns for that purpose. The idea is to make more ready money available for public welfare work, necessary, it is believed, because of the unemployment situation.

DR. SULLIVAN, A TRIBUTE

(Continued from Page 1)

to put his life work into one task—that of building a strong Parish in a new and growing community. It will always remain as a lasting and splendid tribute to the man whose genius created it.

Although Trinity Church claims Dr. Sullivan as its Rector, he is claimed as friend, counsellor, benefactor, and guilding spirit by countless people, who come to know and depend upon him through his ever-widening circle of activities, and through his connection with St. Paul's Cathedral, where he has been summer preaching many people in his congregation and through the radio broadcastings of the Struckes.

Dr. Sullivan was the first editor of the Church Militant, a position he held for 23 years, and he is a member of the Standing Committee of the Struckes, and in schools and colleges. He has at his command an unusual knowledge of Church and Diocesan matters, and what is even more valuable, a vast knowledge of his corporation and through the radio broadcastings of the Surpress of the Surpre

A bill providing for the granting of preference to veterans and citizens of the Commonwealth in the construction and alteration of public works has been signed by the Governor.

preference to veterans and citizens of the Commonwealth in the construction and alteration of public works has been signed by the Governor.

Another measure to receive executive approval provides for an investigation by both the state Commissioners of Education and Mental Diseases into the expediency and feasibility of establishing, in connection with the public school system of the several cities and towns, facilities for the supervision, outside of school hours, of mentally defective and retarded children attending special classes.

The Aurora Club of the Boston Y. W. C. A. composed of Newton girls, presented a play "The Little Bucket" at 340 Boylston street, Thursday at ternoon at 4:30.

Mothers and friends of the young by Hon. Emma Fall Schofield, A.B., LLLM., Associate, Justice of the Public school system of the several cities and towns, facilities for the supervision, outside of school hours, of mentally defective and retarded children attending special classes.

The cast included: Raffalina Della Rocco, Prena De Maio, Delta Amicongioli, Lena D'Attillo, Lorina Amendola, Adalgisa Marulli, Anna Federico, Domenica Signore, Antionette Simone, Florence Tresca.

MEMORIAL DAY EXERCISES

Seven venerable veterans of the Civil War were all who participated in the parade and exercises on Memorial Day in this city. They were Rev. William M. Mick, 83, of Newton Centre, Commander of Charles Ward Post; George M. Fiske, 89, of Auburndale; William H. Ayles, 92, of Newton Lower Falls; Curtis Abbott, 90, of Newtonville; Otis Gray, 84, of Newton Upper Falls; Emerson H. Stoddard, 87, of Newtonville, all members of Charles Ward Post. The seventh participant was Comrade Hawkins, a member of another post.

The rapid diminution in the ranks of those who fought to save the Union between 1861 and 1865 was evidenced by the absence of two who had taken conspicuous parts in former years Wilfred A. Wetherbee of New.

denced by the absence of two who had taken conspicuous parts in former years, Wilfred A. Wetherbee of New-ton, who proudly marched the full route last year, and George Osborne of Upper Falls who had officiated as Officer of the Day in past years, Oth-er members of the post who died the past year were Rev. Wm. E. Hunting-ton, Henry E. Williams and Willard Tripp.

ton, Henry E. Williams and Willard Tripp.

The parade started at 1:45 at Newton Centre Square and proceeded along Beacon and Walnut streets to the cemetery. The exercises at the Soldiers Monument were then conducted. Commander Hutchinson of J. Wiley Edmands Camp, Sons of Union Veterans read Lincoln's Gettysburg address and the order of the day was read by Past Commander Henderson of Newton Post, American Legion.

The line then reformed and marched through Newtonyille to the State Ar-

e Suffolk county. A bill containing these provisions has been enacted this week.

An opinion has been received from the Supreme Court to the effect that legislation to prohibit the so-called "yellow dog" contracts is unconstitutional. The term has been given labor contracts the basis of which provide agreement between employees and may be a seen to be supposed by the provided agreement between employees and the order of the day was read by Past Commander Henderson of Newton Post, American Legion.

The line then reformed and marched through Newtonville to the State Armony at West Newton where a lunch was served. It was reviewed at the parade were Constabulary Band, Company as a condition of obtaining work. The line then reformed and marched agreement between employees and the order of the State Armony as a Condition of obtaining work. The decourt did not rule against the bill in its entirety but pointed out certain its entirety but pointed out certain the court, "In answering the question we have considered only a general view of the proposed bill. It has not been examined in detail with reference to the questions that might be raised as to its several parts. We do not undertake to intimate how as Burnett Camp, Spanish War Veterans aburilary, Mrs. William Hughes, President; Newton 1 much of the bill, if dissociated from the dominating factors already mentioned, would be within the competency of the General Court to enact."

State Treasurer Charles F. Hurley has sent to the city of Newton a check for \$\$1,092.45 as its share of the \$\$2,720,750 collected from motorists in the extra cent tax on gasoline. Other the same basis. State Tax Commissioner Long has notified the various municipalities, including Newton, that the money is to be used for highway construction and repair and is to be deducted from the appropriations made by cities and towns for that purpose. The idea is to make more ready money available for public welfare work, ne-

70TH ANNIVERSARY OF NORTH CHURCH SUNDAY SCHOOL

The idea is to make more ready money available for public welfare work, necessary, it is believed, because of the unemployment situation.

One of those things that sometimes occurs, but not often, has resulted in the dropping between the two branches of a bill to further regulate the licensing of taxicab stands in Boston, In order to clarify the existing law passed in 1930, as to what constituted semi-public buildings, an act was reported this year. The House struck out the clause which really defined semi-public buildings with the result that the bill meant nothing. The Senate restored this clause but the House would not concur. Committees on conference were appointed. They falled to agree and so reported to their respective branches. When their respective branches. When their resportive branches which is sometimes on conference, which is sometimes of one. Consequently the bill was allowed to die between the two branches.

The Legislature has amended, as recommended in a special message by Governor Ely, the bill relating to boxing exhibitions. The Governor suggested that the bill would be better law if the section regarding foul billows was omitted. He pointed out that the State Boxing Commission and not the Legislature was better qualified to regulate boxing. The legislators accepted his view.

A bill providing for the granting of preference to veterans and citizens of the Commonwealth in the construction and alteration of public works has been signed by the Governor page of the commonwealth in the construction and alteration of public works has been signed by the Governor bear of the more provided to the commonwealth in the construction and alteration of public works has been signed by the Governor was had to a close, with a tea gite non June the divagod must be and the North Church sunday School and the result has the

CHRISTIAN SCIENCE

"God the Only Cause and Creator is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 7.
The Golden Text is: "Let all the earth fear the Lord: let all the inhabitants of the world stand in awe of

habitants of the world stand in awe of him. For he spake, and it was done; he commanded, and it stood fast" (Psalms 33:8, 9).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And they came to Jericho: and as he went out of Jericho with his disciples and a great number of people, blind Bartimaeus, the son of Timaeus, sat by the highway side begging. And when he maeus, the son of Timaeus, sat by the highway side begging. And when he heard that it was Jesus of Nazareth, he began to cry out, and say, Jesus, thou son of David, have mercy on me. . . And Jesus said unto him, Go thy way; thy faith hath made thee whole. And immediately he received, his sight, and followed Jesus in the way" (Mark 10:46, 47, 52).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures"

Health with Key to the Scriptures" by Mary Baker Eddy: "Through dis-cernment of the spiritual opposite of ceriment of the spiritual opposite of materiality, even the way through Christ, Truth, man will reopen with the key of divine Science the gates of Paradise which human beliefs have closed, and will find himself unfallen, upright, pure, and free . . ." (p. 171).

by land new or formerly of Harry I. Schult, 98.65 feet.

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), on or before the twenty-ninth day of June next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, Charles Thornton Davis, Esquire, Judge of said Court, this third day of June in the year nineten hundred and thirty-one.

teen hundred and thirty-one.
Attest with Seal of said Court.

(Seal) CHARLES A. SOUTHWORTH, Recorder.

The Newtonville Get-Together was held on Wednesday, May 27, at Camp Mary Day. Four Newtonville troops and a large number of parents and friends attended.

Miss Freeman led the opening ceremony and then presented attendance stars, invested Tenderfoot and Second Class Scouts, and awarded Merit Badges.

Badges.

Jean Walker of Troop 10 and Martha Cotton of Troop 28 were invested as First Class Scouts.

Mrs. Walton S. Redfield, Commissioner, presented a Golden Eaglet to Louise Trowbridge, and Letters of Commendation to Ellen Jane Cooley and Carolyn Somers. All of these girls are members of Troop 10.

Troop 1 enacted a very entertaining one-act play, which was greatly appreciated by the enthusiastic audience.

but like every other modern young woman, she does enjoy having lots of friends. When Jim's company transferred him here last winter, she really was sorry to give up her old bridge club,

It didn't take her long to make new friends here, but new friends seldom take the place of old ones.

and to leave the young couple next door.

So her budget includes one telephone call a week just "for auld lang syne."

She takes advantage of the low evening rates on calls by number, and Jim never objects to the small charges on his bill each month. Fact is, it's no more expensive than an occasional movie or a box of candy, and does just as well in keeping things running smoothly.

For example, here are a few typical rates she pays for three-m nute calls by number from 7 P. M. to 8:30 P. M.

POLICE NEWS

Mary Colliniski of 3 Highland avenue, Needham was in the Newton court last Friday charged with the theft of \$48 from Mike Haroski of Newton Upper Falls, Her case was continued to June 3. In court the same day James McGrath of 854 Main street, Waltham was fined \$10 for allowing an unauthorized person to operate his automobile, and the following were fined \$5 each for violating traffic ordinances: Richard Baldwin, Aberdeen street, Boston; Viola Crowley, Natick; Arthur Creswell, Lynn; Roland Sancomb, Leominster; James Tomlinson, Babson Park, Wellesley. Thomas Moffett, 21, who gave his address as Kansas City, Missouri, and his occupation as a cattleman was arrested at 4:20 last Friday morning by Patrolman Greene and Jenkins after the car he was driving had crashed into a milk wagon opposite 494 Watertown street, Nonantum. He was charged with driving while under the influence of liquor, driving so as to endanger the lives and safety of the public and driving without a license. Following the crash the horse drawing the wagon ran away pulling the front wheels of the vehicle until stopped near Broadway. The wagon was tipped over and about 175 bottles broken and their contents spilled. The wagon was driven by Amos Pratt of Union street, Watertown. Moffett's case was continued until June 5.

spilled. The wagon was driven by Amos Pratt of Union street, Watertown. Moffett's case was continued until June 5.

Albert Puchiavo of 20 French street, Watertown was arrested last Friday morning by Patrolmen Motugh charged with driving while under the influence of liquor. He will be tried today.

Officials of the chain store organization owning the store at Auburndale where a supposed attempt at robbery was prevented by Patrolman Charles Jenkins arresting the alleged wouldbe robbers sent a letter to Chief Hughes of the Newton police commending Patrolman Jenkins for his efficient work in this matter on the night of May 25.

At 3 a. m. last Sunday Serg. Mahoney and Patrolmen Green, Hartford and Sullivan raided the house at 135 Edinboro street, Newtonville and arrested Mrs. Yolanda Lupo, 20, a widow residing at that address and Guy Ranno, 20 of 400 Hanover street, Boston. The couple were charged with a statutory offence. The young woman is the mother of three children. In the Newton court on Monday the case against the pair was continued for a week.

Hugh Amadon, 20, of 17 Wayland street, Dorchester was arrested Sunday night by Patrolman Brayton charged with driving while under the influence of liquor. He will be tried next week.

Edward Walsh of 107 Hobart road, Newton Centre was fined \$5 in the Newton court on Monday for violating a traffic ordinance.

Six youths were arrested on the Newton court on Monday for violating a traffic ordinance.

Six youths were arrested on the Newburyport turnpike near Salem early last Saturday morning by State Troopers charged with the larceny of an automobile. The car, stolen in Boston is the property of Betty Fay, Garland road, Newton Centre and the alleged thieves hailed from Rockland, Maine.

THE CHILDREN'S MUSEUM

"Egypt, Land of Pyramids," will be

"Egypt, Land of Pyramids," will be the Saturday motion picture shown at 3:00 at the Children's Museum of Boston. The film deals with both ancient and modern Egypt and shows desert caravans, monumental tombs, picturesque bazaars, Arabs and Egyptians in native costume. A comedy film adapted to the baseball season follows, "Bobby Bumps Plays Baseball," being the lighter motion picture. School Talks for June have been announced on filers sent out to principals and teachers and they vary from astronomy to geography talks. "Life in Other Worlds?" is a lantern slide lecture with the planets considered as viewed through the present day telescope. "The Honey Bee at Home," is illustrated with a hive of live bees. "Japan for Beauty," a talk given last month proved so much in demand it is repeated by request.

INJURED RIDING BICYCLES

Two young bicyclists were injured in this city last Friday while riding bicycles. Jean Howard, 13, of 224 Chapel street, Nonantum collided with an automobile at the intersection of Pearl street and Jackson road, Newton. The car was operated by Harry Myra of Watertown who said he had come to a stop when the girl crashed in the side of the car.

Joseph Allen of Norman road, Newton Highlands reported to the police that while his car was parked near thee intersection of Hammond and Beacon streets, Chestnut Hill, Leverett Saltonstall, Jr., 13 of Chestnut Hill road, who was riding a bicycle, collided with the rear of the car. The window at the rear of the automobile was broken and the boy badly cut. He was taken to the Chidren's Honglist for treatment He was taken to the Chidren's tal for treatment.

W. C. T. U.

The West, Newton W. C. T. U. held their regular meeting at the home of Mrs. May L. Sweatt, 10 Jefferson street, Newton. As this was the Annual Meeting the following officers for the ensuing year were elected; President, Mrs. M. Millie Beardsley; First Vice President, Mrs. Ella F. Hall; Third Vice President, Mrs. Christine Gath; Secretary, Miss Ella M. Allen; Treasurer, Mrs. May L. Sweatt.

AUTOS CRASH AT WEST NEWTON

Sunday night automobiles operated by Herman Belliveau of Weston street, Waltham and Harry Dodge of Newell street, Needham collided at the corner of Lexington street and Milton avenue, West Newton. Mary Ledger of 72 Central street, Waltham who was a passenger in Belliveau's car received lacerations of the face and head. She was taken to the Newton Hospital for treatment.

Y. M. C. A.

Baseball

The Newton Y. M. C. A. Senior Baseball Team broke even in its two games played last week. On Thursday it played the Auburndale B. B. C. at Auburndale and lost to it six to four, and on Friday it defeated the Webster A. C. nine to four in a game played at the West Newton field. The line-up for the "Y" for the Auburndale game was: White, cf; Gray, 2b; Gallagher, If; Alan Shaw, 3b; Larry Shaw, ss; McLean, c; Larkin, 1b; Joyce, rf; and Hokanson, p. The line-up for the game with Webster A. C. was the same with the exceptions that the pitcher was Nixon, Quinlan played third base, and Alan Shaw covered first base.

Two games in the Twi-Light league are being played this week by the "Y," and on Saturday afternoon it plays the Warren Telechron Association B. B. C. at the "Y."

World Y. M. C. A. Conference

World Y. M. C. A. Conference
Plans have been completed for the
20th Conference of the Y. M. C. A.'s a
World Alliance which is scheduled for
August 4th to 9th in Cleveland. This
conference will be preceded by the
Pirst World's Assembly of Young
Men at Toronto, where young men be
eighteen to twenty-five years of age
from all parts of the world will meet
to deal with their major problems.
At the same time and place will be
conducted the Third World Assembly
of Y. M. C. A. Workers with Boys. In
connection with the Cleveland Confreence will be held the International
Convention of the Y. M. C. A.'s of
North America. The representatives
of the Newton Y. M. C. A. who will
attend are Mr. Charles D. Kepner
and Mr. H. W. Bascom.
The Newton and Watertown Hi-Y
Clubs and the younger boys on State
Boys' Day raised \$350.00 to help bring
a German boy to the Older Boys' Conference to be held in Toronto the
latter part of July. This boy will be
entertained by the Hi-Y members for
a few days in Newton and then will
spend a week or more at Camp Frank
A. Day. World Y. M. C. A. Conference

spend a week or more at Camp Frank A. Day.

LASELL SEMINARY

The several events of Commencement Week at Lasell Seminary were inaugurated on Monday evening with a Progressive Dinner given by the Athletic Association. The dinner was followed by a dance at which prizes and athletic awards were presented.

On Tuesday evening, Woodland

Park School, the preparatory depart ment gave a Musicale and short pla in connection with their closing exer

cises.

At the Wednesday morning Chapel, conducted by Principal Winslow, Charles Frederick Petremont, the five year old violinist who is showing so much promise, gave a short recital.

The Commencement Concert was presented by the Music Department on Wednesday evening at Bragdon Hall.

Hall.

On Friday afternoon, the Swimming Meet will open the Exhibition at two o'clock. This will be followed by the Style Show and Exhibition of the work of the Art and Home Economics

Style Show and Exhibition of the work of the Art and Home Economics Departments.

The Principal's Reception to the Seniors, Former Students, and Guests will be held at Woodland Park Hall on Saturday evening, June 6.

Dr. Edward Payson Drew will deliver the Baccalaureate Sermon on Sunday afternoon at the Auburndale Congregational Church.

Class Night Exercises will be held on Bragdon Lawn on Monday evening June 8. This will be followed by the "Farewells" to the four Senior Houses and Bragdon Hall, and the bonfire service on Bragdon Lawn.

The Commencement speaker on Tuesday, June 9, will be Dr. John Albert Cousens, President of Tutts College. After these exercises at the Congregational Church, and the Senior Crow's Nest Service, the Sommencement Luncheon will be served at Bragdon Hall.

The reunion of Alumnae and former students will be the final event of the 1931 school year.

PARAMOUNT THEATRE, NEWTON

Shooting lions to clear a camp site was the exciting experience of the safari which filmed and recorded "Trader Horn" in the jungles of Africa. Several times, when the troupe pitched camp in the Tanganyika region, lions, hunting food, had to be shot to remove their peril. The Metro-Goldwyn-Mayer picture, which will open Sunday for four days at the Paramount Theatre, Newton, is based on the famous book, and was filmed and recorded in the jungles with the first and only sound apparatus ever to invade the Dark Continent. Harry Carey, Edwina Booth and Duncan Renaldo play the principal roles. W. S. Van Dyke directed. Other interesting features for the rest of the week will be Tululla Bankhead in "Tarnished Lady" and Richard Arlen in "Gun Smoke."

Why Not a Complete Cleaning For Your Furs This Year?

OUR STORAGE AND CLEANING FACILITIES ARE AT YOUR DISPOSAL

Safety

Mr. E. A. Parker, our furrier, personally supervises every order. We carry fire and theft insurance.

Service

We collect and deliver twice daily in the

Convenience

A 'phone call and your storage problem is over. Our vault and fur cleaning plant is at 1173 Washington St., West Newton. Delivery on short notice in the Fall.

Satisfaction

Moth life is entirely eliminated. Furs are cleaned by the furrier method. We never submerge turs in gasoline. You are invited to watch us clean and store your furs.

You'd never consider your scalp clean if it was merely subjected to a powerful current of air. The soil on the hair (not the scalp) must be safely dissolved. The same is true of furs. The oil which holds the soil on the hair of the fur must be removed without removing the natural oils and preservatives in the pelt.

Suits, Overcoats and Wraps may also be stored for the Summer at reasonable rates.

Mr. E. A. Parker, Howes' furrier, making personal examination of furs before cleaning and storing.

NORUMBEGA DISTRICT COUNCIL
OF RELIGIOUS EDUCATION

Two new features for the District Training School next fall are now announced. One of these will be a course on Temperance Education, to be conducted by Dr. Sidney A. Weston, of Boston. This course will be for all who are interested in the education and training of children and young people, that leaders in church schools may make a special emphasis on this matter for next year, by using the suggestions and materials discovered through this class.

The other new feature is to be the "Seminar" for instructors of teacher-training classes in church ashools, held at the regular hour of Sunday, to prepare young people for teaching. This Seminas will be featured by the seminary of the seminary of

The historic First Baptist Meeting House of Newton Centre, Massachusetts, was the scene of the Commencement exercises of the Andover Newton Theological School on Wednesday morning, June 3. Thirty-nine candidates for degrees were addressed by the Rev. Charles N. Arbuckle, D.D., on "The Ministry as a Science and an Art," in the presence of the faculty, trustees, undergraduates, alumni and a host of friends and relatives and alumni who attended the exercises. Dr. Arbuckle is pastor of the church and professor of Homiletics at the school.

Largest Class In The History Of High School Receives Diplomas

Senior Class Numbers 546—Thomas Marriner and Cynthia Jump Get Senior Cups-Milton Green Is Awarded The Dickinson Cup

The annual graduation exercises of the senior class at the Newton High School are being held this afternoon in the assembly hall. The class of 1931 is the largest to complete the course of study in the seventy-one is years since the school was opened. The auditorium which accommodates over eleven hundred, was filled to capacity with parents and relatives of the five hundred and forty-six seniors who were seated on the stage.

The exercises were opened by a prelude, "Marche aux Flambaux," by the school orchestra. Rev. John S. Franklin of the Lincoln Park Baptist. Church, West Newton, gave the finvocation. The senior girls 'semi-chorus sang a choral, "Sleepers, Awake," The class gift of a motion picture camera which will be used to take pictures of school activities for educational purposes was presented by Gilbert Arthur Chandler, president. Another orchestra number was followed by one of the chief announce ments of the day. The class differed which is subject to take pictures of school activities for educational purposes was presented by Gilbert Arthur Chandler, president. Another orchestra number was followed by one of the chief announce ments of the day the presentation of the Meserve Fund Scholarship, Church, West Newton, gave the finvocation. The senior girls 'semi-chorus, "Sylvia," preceded the address to the class by the Rev. James Gordon Gilkey, D.D., of Spring. The course of the day the Rev. James Gordon Gilkey, D.D., of Spring. The course of the day the field.

member of Newson Mayard Committee.

At this meeting delegates and alternates to the State Convention to be held in Plymouth in August will be elected. Number of delegates will be based on the membership of the Post, and at the present time Newton Post is entitled to seven delegates and alternates, but before the convention opens the local Legionairres hope to send more. On June 5, 1931, Newton Post was ranking number eight in the State membership contest.

Commander Francis J. Barry will preside and music will be furnished by the Newton Post Band.

OPEN HOUSE AT THE MOTHERS' REST

Following an annual custom, open

PIANO RECITAL AT WEST NEWTON

ers' Rest on Sunday afternoon. June 14th, when tea will be served from 3 until 5 o'clock. Members, guests and friends of the association will be welcome and will find this an excellent opportunity to visit the Rest in operation.

The Present officers of The Mothers' Rest Association, an all-Newton charitable organization, are Mrs. S. Hardy Mitchell, Mrs. Stephen E. Wright, Mrs. Earle Tilton and Mrs. Donald Rust. The Rest, which is located on Oak Hill street in Newton Centre and which may be reached by following Parker street to Dedham street to Brookline street and thence to Oak Hill street, was opened officially on Wednesday, June 10th, when a party of tired mothers and their children arrived for a two weeks' vacation. Those who benefit by this charity are recommended through Welfare Societies about greater Boston and there is no distinction made in race or creed. A trained nurse is on duty, a matron is in charge of the home and a trained kindergarten student will plan organized play for the children. The expenses of this worth while charity are met through membership in the Association, and gifts from friends and various organizations.

DROPS TO THIRD

Newton High lost its closing base-ball game of the year last Friday to Somerville and as Brookline topped Rindge to clinch the Suburban League title the Newton team dropped into third place. The final score was Som-erville 5, Newton 2. Tommy Rhodes was on the mound for Newton and deserved a better fate as his team-mates got him into deep water. The visitors actually earned but one of their runs. Newton threatened to score on several occasions but Andros-ki, aided by two double plays, extri-cated himself.

NEWTON LOSES AND

Jeremiah led off by beating out a ow grounder to Huston. Vitello slow grounder to Huston. Vitello flied to McAdams who was playing right field for Newton. Rhodes hit Chesterfield to put two men on the paths. Jeremiah stole third, Hildreth persend owneds seemed to some likeling the seemed to seemed to some likeling the seemed to s paths. Jeremiah stole third, Hildreth begged towards second to nail Cheserfield, but Huston, coming in to cut off the throw and return it to the blate to get Jeremiah, dropped the ball and the Somerville leadoff man allied, Chesterfield reaching third. McNamara hit to Huston and was safe when the latter threw home to get Chesterfield. Hildreth had the Somerville centre fielder blocked off the ball out of Hildreth's hand. McNamara went to second but was left when the next two batters were rejired. Newton went out in order. For the next three innings Rhodes et Somerville back as fast as they ame up. In the third inning the Newton while made but three bitches each batter hitting the first

blate has when he sidd in he knocked but were enclosed by a warene eacher to start the orange was 1 mins. Seen, with a wearene eacher to start the orange was 1 mins. riously in the sixth. With one down Huston singled to right but was nailed trying to stretch the hit to a two-bagger. Mason drew a pass and Colby beat out an infield hit to third. Butler hit a long fly to centre that Chesterfield just managed to get under for the third putout. In the seventh with two down Hildreth singled but was forced at second by McAdams. Newton's second tally came in the eighth, Mullen beat out an infield hit. Huston hit a Texas leaguer and Mullen went to second. Mason hit to short and Huston was forced, Mullen reaching third. Mason stole second. Colby hit a long fly to centre with Mullen scoring after the catch. Mason took third on an error by Holden. Somerville catcher, but was left when Butler holsted his third fly to centre. Androski set Newton back in order in the ninth, fanning Appleyard and Hildreth for the first and third outs while Rhodes' effort was a grounder to second on which he was thrown out at first.

The final standing in the Suburban league:

Hervan's Everett snatched victory from Haverhill on the home stretch. Newton did not enter ateam in the Ishuffle relay race of two and a half the shuffle relay race of two and a half while heat brought stone of the Northoston trophy. In this event Lowell won the first heat with Hill the competition and the second with the leave two legs on the trophy. North and Medford as the principal Competitors. Both Medford and to competitors. Both Medford and the principal of the time to second and was forced, Mullen reaching third. Mason stole second. Colby hit a long fly to centre with Mullen scoring after the catch. Mason took third on an error by Holden. Somerville catcher, but was left when Butler holsted his third fly to centre. Androski set Newton back in order in the ninth, fanning Appleyard and Hildreth for the first and third outs while Rhodes' effort was a grounder to second on which he was thrown out at first.

Newton's 1931 outdoor season record follows:

Worc. Poly. Int. Meet, First, 295 by 18. Harvard-Riste Meet Pixet 21. 25. Inter

THE WEEK IN NEWTON SPORTS

The Newton High school track team captured first honors in its class at the State relay carnival at Fitchburg last Saturday to close the most successful track season in its history. Coach Donald Enoch's lads won two races and finished third in two others to total twelve points. Everett High was second with ten, Lawrence, Quincy, Haverhill and Arlington tied for third with three points each and Brookline and Medford tied for the next position with a point apiece.

The first event on the program was the half-mile relay in which the Newton coach had selected Walter Holmes, Dick Jarrell, Douglas Sloane, and Captain Milton Green to represent the Newton school. Each runner ran 220-yards. Lawrence was on the pole with Newton in the second lane in the second heat. Holmes was Newton's lead-off runner and Roberts was the first man for Lawrence. At the end of the first leg Roberts had a slight three votes. Somerville, runners-up, in the second blance of the sleading pitcher each received between the leading pitcher each received between the leading pitcher each received three votes. Somerville, runners-up, in the second had a slight three votes. Somerville, runners-up, in the second s was second with ten, Lawrence, Quincy, Haverhill and Arlington tied for third with three points each and Brookline and Medford tied for the next position with a point apiece.

The first event on the program was the half-mile relay in which the Newton coach had selected Walter Holmes, Dick Jarrell, Douglas Sloane, and Captain Milton Green to represent the Newton school. Each runner ran 220-yards, Lawrence was on the pole with Newton in the second lane in the second heat. Holmes was Newton's lead-off runner and Roberts was the first man for Lawrence. At the end of the first leg Roberts had a slight advantage. Holmes passed the baton to Jarrell and Newton went into first place when the latter passed the baton to Sloane without loss of time. Green raced home four yards ahead of the Lawrence anchor to start the orange and black off right. Newton's time was 1 min. 35 sec., with Lawrence taking second and Brookline, winners of the first heat, having third best time.

The two-mile relay, each man run-

portunity of making it a three-cornered deadlock should it win both of its remaining games.

Murphy of Our Lady High, league leading pitcher for the second consecutive year, has enjoyed a long rest and should be in fine fettle to turn in a victory for his team to clinch the title as soon as the weather permits. Our Lady hopes to play Cathedral today and St. John's tomorrow.

The present standing is:

HEALTH IN THE MENU Daurice F. Darling

HOME SERVICE DIRECTOR

A housewife who is interested in keeping the food budget down will find it much less set in hand she can make the trip and in hand she can make the trip to the market, where the food is so attractively displayed, without so much danger of the trip ending in an orgy of haphazard buying of this or that as it strikes her fancy or her appelite.

I have often laughingly remarked that we should never go to market until after eating a full meal. It certainly is a great temptation to buy much more food than is needed, with the result that some of it spoils before there is an opportunity to serve it—or some of it is cooked and served at a meal that already has an abundance of other foods.

The following dinner menus are planned to allow for the consumption of the left-overs and for doubling up on the work of preption of the left-overs and for doubling up on the work of preptice.

Most housewives like to have a cool light dessert after a heavy sunday dinner—a dessert that can be made the day before. Enough of the custard sauce is made to be combined with fruit for dessert on the next day.

Tream of asparagus soup Mant ple with vegetables and biscuit crust Lettuce salad Orange custard

TUESDAY'S dinner combines any left-over gravy and vegetables for a vegetable soup. The remainder of the meat is creamed and served with boiled rice. For dessert, escalloped apples with orange state is a very delicious dish.

At the same time this dessert is follows:—

Sliede ham baked in milk Paprika potatoes

Stuffed green peppers

Buttered beets

Apple ple

This entire dinner, with the exception of the apple pie, is baked for the custard sauce is a very delicious dish.

At the same time this dessert is follows:—

Sliede ham baked in milk Paprika potatoes

Stuffed green peppers

Buttered beets

Apple ple

This entire dinner, with the exception of the apple pie, is baked for the custard sauce is a very delicious dish.

The following dinner menus are planned to allow for the custard sauce is a rest day.

tion of the left-overs and for doubling up on the work of prep-aration. I also like to use the oven to full advantage by cooking

vegetables and the meat in the oven at the same time.

Let us begin our week with an ordinary inexpensive, well-balanced Creamy rice pudding
We all know that liver is very
healthful and in the recipe for
liver boulettes, the cheaper pig's
liver may be used.
FRIDAY'S dinner:— SUNDAY dinner:— Roast beef Pan browned potatoes

Gravy Buttered asparagus Tomato and cucumber salad now pudding Custard sauce

Tomato and cucumber salad Snow pudding Custard sauce It is, of course, always good planning to buy a large roast so that it may be served for at least three meals. Beef should be seared at a high temperature, 500° for 30 minutes and then reduced to 375°. Too high a temperature is inclined to toughen the meat. Potatoes are baked in the pan with the meat. The asparagus is washed, the nice tender part cut off the stalk and cooked with a small amount of boiling water in a covered pan in the oven in a separate utensil. When cooked, any tender part on the stalks is pressed through a sieve and used the next day in a soup with the liquid in which the asparagus was cooked.

Liver boulettes Mashed potatoes Stuffed tomato salad Creamy rice pudding

Pan baked fish Baked creamed potatoes Harvard beets Fruit salad

SATURDAY we must have our traditional baked beans and brown bread with fruit jello and whipped cream, the jello being prepared Friday when making the fruit salad.

salad.

My favorite baked bean recipe, as well as any of the recipes mentioned in these menus—or help in planning menus to meet a specified budget—will be sent to you

on request to me, in care of this newspaper.

Send any of your cookery problems or questions to Miss Darling, care of this paper. She will be glad to answer them, either through this col-umn or by letter.

Watches in Havana Set When Old Gun Is Fired

Among the world's odd timepieces is at by which Havana sets its clocks and watches. Never has it lost a minute, run down or chimed the wrong hour. Nor has its face necessitated the periodic washing that all clocks seem to need.

seem to need.

In fact it really isn't a clock at all, but a battery of 21 old Spanish guns, mounted on the parapet of Cabanas fortress overlooking Havana harbor, one of which is fired nightly at nine o'clock, a custom that has prevailed for nearly four centuries.

Though Havana may buttle with

vailed for nearly four centuries.

Though Havana may bustle with activity throughout the day, hearing a thousand noises and sounds, it listens intently at nine o'clock for the rumble of one of the guns. The electric time-piece in the old fortress is controlled by the adjacent Observatorio Nacional. Each night a few seconds before nine o'clock a bugle sounds the approach of the hour, the gun is rammed and then fired on the dot.

Years ago, before Cuba won its independence, the Spanish fired the gun

dependence, the Spanish fired the gun twice daily—at 12 o'clock noon and at nine, when the gates of the old city of Havana were closed for the night. However, after Cuba became its own master, it was felt needless—and a master, it was left needess—and a trifle expensive—to fire the gun at noon, when the city's natural noises drawned the boom of the gun. So the noon shot was discontinued, effecting a saving of seven dollars a day at the

Beds in Closets Once

Matter of Necessity

This hygienically minded age which scoffs so readily at the European no-tion that fresh air at night is unhealthy may be chagrined to realize that the open beds on which we sleep nowadays are a natural evolution of the beds with doors which can still be found in pensant quarters in Eu-rope, says the New York Sun.

The last vestige of the old notion of sleeping in a closet was the four-poster bed which, to antique collec-

tors, is a very desirable object.

It was from sheer necessity that people used to sleep in closets. Without central heating it was the only way to keep warm at night, but as houses were better built the closet doors changed to heavy curtains. The next development was leaving off the back and sides and substituting four posts with a canopy from which cur-

Monks in Old Home

The old abbey of Saint-Wandrille, near Rouen, is inhabited again by the Benedictine monks, who used to live in it before the days of the expulsion of religious orders from France. The homecoming of the holy men must have frightened away a good many profane spirits, as the abbey belonged for several years to the Belgian writer, Maurice Maeterlinck, who, with his former wife, the actress Georgette Leblanc, gave there great artistic parties, including productions of famous Benedictine monks, who used to live Leblane, gave there great artistic par-ties, including productions of famous plays. The old cloisters contributed a beautiful scenery, and "Macbeth" found there an unrivaled setting. Then Maurice Maeterlinck took to other pleasures and other climes, and the abbey of Saint-Wandrille was de-serted. Now the monks sanctify it anew.—Exchange.

Beauty Now a Science
The invention of a device to measure beauty is claimed by Jose V.
Soriano, student in the University of the Philippines.

The machine consists of a circle divided into more than 20 parts and angles in which the beauty of the angles in which the beauty of the fair one can be mathematically determined for purposes of comparison.

The girl is viewed from different angles and her score is the sum total of the grades taken from the various

The highest grade that can be made is 2,000 points and the lowest 450

Yellowstone in 1867

"An exploring party, which has been to the headwaters of the Yellowstone river, has just returned and reports seeing one of the greatest wonders of the world," said an article in the Montana Post on September 14, 1867. "For eight days they traveled through a volcanic country, emitting blue flame and living streams of molten brimstone. The hollow ground re-sounded beneath their feet as they traveled, and every movement seemed to break through. Not a living thing was seen in the vicinity. The explorers gave it the significant appellation of Hell."

Close Acquaintance

Mrs. S— had gone down to her precinct voting place to vote. She noticed another woman also waiting.

"I've always voted a straight ticket before," Mrs. S— told the woman, "but this year I don't think I will, because I don't think much of Mr. — of that party. Do you know much about him?"

"Well, rather," replied the woman

Effective Accident Prevention

It used to be said of skyscrapers that they reared themselves at the cost of one human life per floor. Se-rious promotion of accident preven-tion has reduced these casualties until it is comparatively rare for high buildings to take life.—Collier's Weekly.

APPRECIATION OF GOOD MUSIC

The annual festival of high school musical organizations which took place last Friday evening represents a trend in our public educational system which deserves commendation. It is a far reach from the training of Athenian youth to the educational systems of today, both in space of time and in the scope and universality of education. However, some of the finest things in modern education conform to the highest Greek ideals. One of the most important of these trends which follows this high precedent is the increasing importance attached to music. The practice has now become general that children shall have trained leadership in singing from the first grade through high school, and our colleges are noted for their glee clubs and quartettes. But this musical training goes farther. As the Greek lad was taught to accompany himself on the lyre, so today those capable of benefitting from the training are taught instrumental music. It frequently happens that special talent is discovered. But The annual festival of high school musical organizations this is not the important objective. What is being done which is worth while is that the general level of the appreciation of good music is being raised. If lurid jazz is ever overit will be the result of mass educational training in

RE-DISTRICTING BILL

We believe that Senator Hollis correctly interpreted the opinion of this district in his opposition in the Senate to the passage of the redistricting bill whereby the state loses the power and influence of either Congressman Luce or Congressman Dallinger and possibly both. We regret exceedingly that the three Representatives from this city voted for ingly that the three Representatives from this city voted for the bill and we even more regret that Representative Thompson, who had a place on the committee which drafted that bill, did not have influence enough to protect the interests of the state in general and of this district in particular. When one understands that seniority exerts a powerful influence in Congress it is a great pity that Congressman Luce, who has reached a high place in Congressional affairs, should be obliged to fight one of his influential colleagues for the primary nomination, while Congressmen of far less influence have been placed in districts where they will have little or no opposition in the primary. no opposition in the primary.

GOOD NEWS

We have often commented on the condition of certain parts of Washington street between Newtonville and Newton Corof Washington street between Newtonville and Newton Corner. We are glad to learn that orders have been issued by Mayor Weeks to take steps to relieve automobile drivers of much of their discomfort by making temporary repairs to the street surface. The proposed construction of the Metropolitan water main has held up permanent resurfacing of this much traveled highway and it will be another twelve months before the city can do the job right. Meanwhile it is planned to scarify and reroll the surface at the worst places. It is welcome news to the automobile driver who uses this street at all frequently. this street at all frequently.

Unless the authorities at the state house wake up to the situation we shall soon find some of our best state officials attracted to other states by larger salaries and better working conditions. Mr. W. C. Adams is the latest to leave and it was only a few months ago that Dr. C. L. Scamman resigned. What is our loss is New York's gain.

We earnestly hope that the young men and women who have completed their education at the expense of the city will show their appreciation by becoming good citizens.

The Great and General Court has completed its labors for the present session and has piled up an enormous debt for the future tax payers to meet.

The attempt of the Newton Chamber of Commerce to stay the building of a new City Hall is just about two years too late.

UNDER THE GILDED DOME

Now that the Legislature of 1931 has ended its session it is not unnatural for Newton people to wonder if any legislation was passed that might have directly benefited this city. There appears to be only one thing and that an item in the bill for highway construction and improvement in the Metropolitan district. This item is an appropriation of \$400.000 for the extension of the Hammond Pond Parkway from the West Roxbury. Brookline line through to Newton Centre. The additional stretch of boulevard is to relieve traffic through Hammond street and will be used particularly by those motoring between this part of Greater Boston and the South Shore and Cape Cod. It will be constructed through the woods off Boylston street back of the Webster place. The woods are owned by the Metropolitan District Commission. It will end on Beacon street, Newton Centre, near Hobart road. There will have to be a bridge constructed over the circuit branch of the Boston & Albany railroad as the new thoroughfare must cross the tracks. The cost is divided equally between the State highway fund and the Metropolitan District fund. This means that Newton will contribute its share as one of the municipalities of the Metropolitan district. The appropriation has been split up so that half will be in the Metropolitan ax levy this year and half next vear. Newton has asked

state tracks. The cost is divided equally between the State inflaws, the contribute its share as one of the municipalities of the Metropolitan discontinuities of the Metropolitan discontinuities of the Metropolitan discontinuities of the Metropolitan tax levy this year and has seen the matter put over session after session. At last its particular the provisions of the bill or a bridge between Bono Sonate acted promptly in rejecting the measure. At the time the opinion was requested the bill was before the Sunte acted promptly in rejecting the measure. At the time the opinion was requested the bill was before the Sunte acted promptly in rejecting the measure. At the time the opinion was requested the bill was before the Sunte acted promptly in rejecting the measure and the whole matter a favorable report by the Committee on Highways and Motor Vehicles. Few miss and the wind the session was the fate of a resolve for home on the laws and the whole matter taken over form of measures each of which provided for the reinstatement under civil service with authority to recommend changes in 1 measures each of which provided for the reinstatement of an individual for the reinstate

1931 and 1932.

Representative Baker has had plenty of hard work as a member of the House Ways and Means Committee. His work has been conspicuous for its thoroughness and although it takes courage to oppose the spending of the State's money Mr. Baker has not lacked the grit to take the sane stand against popular and unreasoning clamour. He has had to put in many extra hours and also to take the floor in defense of his committee on many excaptions. He tried to convince the

—Mr. George Beale has returned to his home on Lake avenue from Dartmouth College.

—Mr. Arthur Newey is ill at the Newton Hospital.

Another measure which was referred to the next annual session was that extending the jurisdiction of juvenile courts over children who passed the maximum age limit in respect to the complaint or proceeding to which such limit applied.

Church, Lawrence.

—Mr. Arthur Newey is ill at the Newton Hospital.

Another measure which was referred to the next annual session was that extending the jurisdiction of juvenile courts over children who passed the maximum age limit in respect to the complaint or proceeding to which such limit applied.

Although the Governor signed a bill sticks were foined with a thong, and spect to the complaint or proceeding to which such limit applied.

Although the Governor signed a bill increasing the weekly pay of scrubs women employed at the State House he vetoed bills to increase the wages of the janitors and porters and the spring in the twists served as the spring or properling force. The misself-early operators at the State House. His vetoes were sustained. The Governor insisted that this was "no time to raise salaries." He explained his signing of the scrubwomen's pay bill by stating that he had been guided by his heart rather than his head.

It has been finally determined that funds for the old age assistance act, which becomes operative July 1, will come from a \$1 head tax imposed on males over 20 years of age whether stillance and the spring in the twists served as the spring, or propelling force. The missile, was put in the trough, and the bow-string was drawn back and released to hurl heavy material for demoishing walls. It was primarily a slege weapon. The trough was so arranged that it could be elevated to lengthen the range, and traversed to the spring in the twists served as the spring, or propelling force. The missile, consisting of a log, beam or stone, was put in the trough, and the bow-string was drawn back and released to hurl heavy material for demoishing walls. It was primarily a slege weapon. The trough was so arranged that it could be elevated to lengthen the range, and traversed to have primary to have a subject to have ome from a \$1 head tax imposed on later, the Roman catapuit snot tales over 20 years of age whether titzens or aliens. The head tax, hich will, of course, be in addition to the \$2 poll tax will be imposed for 331 and 1932.

Representative Baker has had plensible to the same catapuit snot all some catapuit snot and so years for effect on personnel titzers. The Roman catapuit snot all some catapuit snot all so years for effect on personnel titzers, and corresponded to the modern leavy field artillery.

ABOUT TOWN

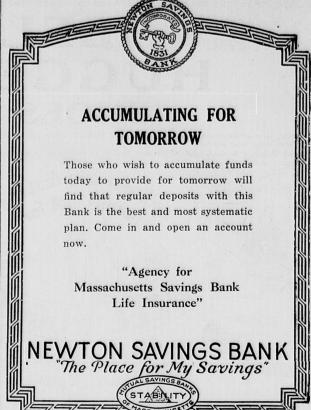

It is our belief that it would have been good judgment to have the work of resurfacing Washington street and the other streets which are to be rebuilt this summer done by employees of the Street Department, rather than by private contractors from outside the city who will employ largely, if not entirely, non-residents of Newton. With unemployment so prevalent and the immediate future anything but bright, the resurfacing of the streets by city employees would have provided much work for this year. Admitting that this work can be done at less cost by a private contractor, should it become necessary for the Street Department to lay off employees, what the city saves in the cost of resurfacing the streets may have to be expended in affording relief to idle city employees. We hope this will not become necessary.

Mayor Weeks took the only course

Mayor Weeks took the only course he could reasonably follow in declining to accept the advice of the committee from the Newton Chamber of Commerce regarding the abandonment of the plans which have been accepted for the new City Hall and War Memorial. The need of a new city hall for Newton has been admitted for many years. The construction of it was deferred from year to year because of the demands on the city for additional school buildings. In 1926 a number of public hearings were held in the various villages of the city to ascertain the opinions of citizens on the most desirable location for the proposed municipal capitol. As a result of these meetings the Board of Aldermen voted in 1927 to acquire the so-called "triangle site" bounded by Walnut and Homer streets and Commonwealth avenue; a site at the geographical centre of the city and equi-distant from Newtonville, Newton Centre and Newton Highlands. The acquiring of the properties comprising this site cost the city over \$250,000.

considering the delightful freedom charactering this site cost the city over \$250.000. On March 17, 1930, the Aldermen voted, at the request of the Mayor to petition the Legislature to give the City of Newton authority to borrow \$750.000 outside the debt limit to finance the building of the new City Hall. The Legislature subsequently granted the petition. In June of 1930 the Aldermen appropriated money to permit the Mayor to engage the services of an architect for the proposed new building. According to the architect, the new City Hall, together with the War Memorial and the grading of the extensive grounds will not cost over \$1,000,000. The cost per cubic foot of the new building will be less than the cost per cubic foot for the Waitham City Hall. Careful study has been given to ascertain the size of building needed to provide proper facilities for the different departments at City Hall. It would be false economy to erect a building that would afford scant room not only for present requirements, but also for future requirements in a city growing as rapidly as Newton. It would be poor judgment to spend over a quarter-unillion dollars in acquiring a site and then placing on it a City Hall errected at as little cost as possible; a building which would soon be inadequate in size and undignified in appearance. A city of the character of Newton should have a City Hall it can be proud of. The erection of a War Memorial has been so long deferred that it would be poor taste to again postpone this structure after the veterans' organizations in the city have been definitely assured of a particular type of Memorial and have accepted the plans. The movement to relieve citizens of onerous tax burdens is commendable; especially in view of prevailing conditions. But, as one who has closely followed the matter of deciding where the new City Hall should be located, and the War Memorial as planned will not be too large or too ornate and that these structures will neither be unnecessary extravagances nor burdens on the taxpayers

Men working in markets and grocery stores do not enjoy Saturday half-holidays as do a large percentage of workingmen. To offset this many stores during the summer months close one afternoon during each week. In Newton it has been the custom for some years to close Wednesday afternoons. Some years the stores closed Wednesday afternoons during June, July and August, but because the chain stores refused to co-operate in this respect the closing has been limited to July and August in other years. This year another attempt was made to close the stores on Wednesday afternoons in June as well as in July and August. A group of owners

of independent stores voted to do this and one of the largest chain or ganizations also agreed to do likewise. But another large chain organization refused to follow suit with the result that none of the groceries and markets in the city will close Wednesday afternoons during June.

And one of the head officials of the chain store company which refused to close its stores here on Wednesday afternoon is the individual who has been blathering so much about the fine working conditions his company accords its employees; who has braged about its solicitude for them. It is quite probable if you take a look in many of the chain stores around midnight Saturdays you will see the employees still busy taking stock. The ordinary chain-store organization does not manifest much magnanimity towards its employees.

The Newton Civic Arts Association by the stable of the control of the stable of the sta

Ine Newton Civic Arts Association had a tough break on the weather for the two dates on which its performances were to have been held—June 9 and 10. Had the performances been given on those nights the young lady waltresses could not have worn beach pajamas. They would had to have The Newton Civic Arts Association pajamas. They would had to have been attired in bathing suits.

Considering the delightful freedom Considering the delightful freedom enjoyed by the ladies in the matter of attire, why is it that a man cannot discard his coat and display his suspenders in public places without being considered vulgar or partially dressed? Why are not suspenders, provided they are clean, as respectable as a belt? They certainly are more dependable.

Red Indians Not Cannibals

Cannibalism was not unknown among the Indians of North America. The almost extinct Tonkaways of Texas have the reputation of being "the last of the cannibals," and the Attacapas owe their name to this practice, attributed to them by their neighbors, Cannibalism has been rarer in America than is generally supposed. As one writer says, "Outside of its occurrence through necessity in ways known to civilized peoples, it was chiefly martial and ceremonial."

Aviators' Handicape

The evenness of air while flying varies with the temperature. If the air is warm, or what is called thin air, it is difficult to gain altitude. In cold or dense air it is easy to gain altitude. The air over cities is warmer than that over the surrounding country. It is when a flyer approaches warmer air that the plane has a tendency to lose altitude. In some places a change from cold to warm air is very abrupt. This is known as an air pocket or bumpy air.

Business Confidence Confidence, not only in banks in par-cular, but in business dealings in general, is truly said to be "the soul of trade." In South America there are many places waiting to be devel-oped simply because capitalists do not feel any security in contracts there. They are fearful that by hook or by crook the fruit of any investment they may make will be taken from

For failing to slow down at intersecting streets, fines of \$5 were imposed on Edwin Jackson, Boston; Arthur McCabe, Wellesley; Helen Gilman, Fair Oaks avenue, Needham.

Robert E. Cunniff of 393 Brookline street, Oak Hill, a contractor, was fined \$10 in the Newton court yesterday for taking water from a fire hydrant on the street near his home for private use. Patrolman Smith testified he had found a coupling and faucet attached to the hydrant and agarden hose connected. Cunniff was using the hose to water the lawn and trees on his property. Cunniff admitted he was using the water from the hydrant but claimed one of his employees must have attached those to the hydrant.

James Goddard of 116 Vine street, Oak Hill was in the Newton court. Highland City Encampment, Highland City Encamp

hose to the hydrant.

James Goddard of 116 Vine street, Gak Hill, was in the Newton court yesterday charged with an unlicensed and barking dog. The dog was left alone over the recent week-end and neighbors had complained of its howling. Goddard told the judge he had had the hound killed by the Animal Rescue League and he was not fined.

NEWTON ARSON CASE ON TRIAL

John B. Richardson of Arlington, as insulal kildes' and Past Chiefs' night, annual ladies' and Past Chiefs' night, and the new control of the control

NEWTON ARSON CASE ON TRIAL June

John B. Richardson of Arlington, a real estate dealer, is being tried at a East Cambridge before the Middlesex Superior Court for arson. He is charged with having burned a large house owned by him on Cotton street. Newton. This house, formerly the Linder residence and in late years used as a private school, was burned on January 18. A general alarm was sounded because of the severity of the fire. Chief Randlett of the yesterday that he found 25 cans placed throughout the building which apparently had contained inflammable liquids. Perkin Charter, State Chemist, testified that he analyzed the contents of 8 of the cans. Five contained the conveyance of the severe of the large paracels of land and a mansion dwelling water.

Edward Bailey, Arlington tax collector, testified Richardson owed that town \$5600 in surance brokers testified that Richardson had placed that Richardson

Accumulation of Ages in Dead Sea's Flotsam

Travelers in the Holy land visiting the deepest hole in the earth's surface, that occupied by the Dead sea, into which the Jordan empties itself, are always struck with astonishment at the sight of countless numbers of palm tree trunks, heaped by the wa-

ters on its banks.

There are now no such numbers of palm groves in the vicinity, or on the banks of the Jordan, the Arnon or other rivers flowing into this sea, as would account for so prodigious an amount of debris. Any attempt at building a fire out of the mass of flotsam, results, after exercising much patience, in feeble, blue flames of no great intensity. The wood is heavily impregnated with salt from the Dead sea—Salt sea, or Lake Asphaltes as it has been called—that is, is pickled and

has been called—that is, is pickled and will last for centuries.

The accumulations of countless ages are represented in those piles of roots and logs, carrying the mind back to the time when the four kings made the first incursion from Mesopotamia into Canaan, near Hazazon-Tamar, or "The Rows of Palms," the modern Engedi, (Genesis 14:7), captured Lot and his family, but were followed and defeated by Abraham.

mino Cannan, near Hazazon-Tamar, or "The Rows of Palms," the modern Engedl, (Genesis 14:7), captured Lot and his family, but were followed and defeated by Abraham.

Bus Passengers Out of Luck in Spanish Town The poorer class of Spain believes that if you cannot catch the man who deserves punishment, the best thing to do is to punish some one else, even if vengeance is exacted upon those who knew nothing about what had happened.

In a little village in the province of Valencia a small boy was knocked down and slightly injured by a passing automobile. The driver did not stop, but the villagers decided that some one ought to be punished. So they lined up in the main street, under command of the magistrate, to pummel the first automobilist who came through.

Unluckily, the first car was a big bus, It was halted and the driver and all the passengers were pulled out and given a thorough beating. None of them knew what it was all about, but the punishment was so real that 15 had to be treated by doctors when the bus reached the nearest city and the driver have been trying for years to piece together the story of the Mayas as revealed in the ruins of their pyramids, temples and monuments, and now the investigators are confronted with a new problem, a series of vast caverns in Yucatan white extend for many miles, says Popular Mechanics Magazine. Pictures and inscriptions on the walls indicate that the caves have been visited by human beings, but so far archeologists have been unable to decipher the marks or establish the time when they were earied. Were the caverns used for burial places or for religio Newton High School and of Phillips

Kamehameha's Conquest After King Kamehameha had gained control of his own island, Hawaii, he was eager to rule the whole group was eager to rule the whole group. He first conquered the Island of Maul, then Molokal, after which he sailed for Oahu, landing at Waikiki, in February, 1795. The Oahu soldiers were posted in Nuuanu valley and here the great battle was fought. The enemy, or Oahu men, were driven over the pall, Kauai and Niihau were later ceded to him and in this way he brought all the islands under his guidbrought all the islands under his guidor rule.—Washington Evening

Jiujutsu of Chinese Origin?

"My old teacher told me," recalls Taro Miyeake, Japanese exponent of jiujutsu, in an interview in the Atlanta Journal, "that jiujutsu is a development of the old Chinese method of fighting with the fingers extended. of fighting with the fingers extended. This was a very dangerous and skillful system. A man straightened out his fingers stiffly and jabbed with them, preferably for the eyes. Falling to reach the eyes, he sought various nerve centers on the body.

"When the Japanese took up the

"When the Japanese took up the sclence, more than 1,000 years ago, they began to improve it. Instead of jabbing for the eyes they gradually developed a system of leverages that would work against bones and nerve

Ancient City of Bergamo
One of the most picturesque towns of Lombardy in Italy is the ancient little city of Bergamo, perched on a conspicuous hill and still redolent of the days when the Venetians made it and crooked place with many interesting buildings. The church of Santa Maria Magglore, dating in part from 1137, has excellent Romanesque work of black and white marble. During the greater pant of its history Bergamo belonged to the spate of Ventec, having acquired the city from Milan in 1428 and retaining it until 1797.

Forget Troubles
Troubles magnify themselves too largely in fearful anticipation. The result is wasted worry. Remember the adage of the ancient philosopher who remarked: "I am an old man and have had many troubles, but the most of them never happened."—Grit.

CHRISTIAN SCIENCE LECTURE BY Dr. HENDRIK JAN De LANGE, C.S.

C.S.

of The Hague, Holland, A member of the Christian Science Board of Lectureship, delivered a lecture

Sunday Afternoon, June 7th in the

Christian Science Church, Newtonville

An appreciative audience was in attendance at the lecture on Christian Science given by Dr. Hendrik Jan De Lange, C.S., of The Hague, Holland, in Church of Christ, Scientist, Newtonville, on Sunday afternoon,

The lecturer was introduced by the First Reader of the Church, Mr. William S. Whitman, who said:

Friends:-

First Church of Christ, Scientist, of Newton, extends to you all a most

We are gathered here this after noon to listen to a lecture on Christian Science and to learn something more of that unfailing law of Love which mankind is slowly but surely beginning to realize can and does meet its every need.

Our Master, Christ Jesus, said, "Come unto me, all ye that labour and are heavy laden, and I will give you rest." (Matt. 11:28.) He also said, "I say unto you, ask and it shall be given you; seek and ye shall find; knock and it shall be opened unto you. For every one that asketh and he that findeth; and to him that knocketh it shall be opened.", (Luke 11:9,-10.)

promises are not empty words, neither were they meant only for those to whom they were addressed but are for you and me and for all those who believe on the Christ and who understand thing of His unchanging law of Love

Our revered Leader, Mary Baker Eddy, the Discoverer and Founder of Christian Science, has written on the first page of the preface to the text book of Christian Science, Science and Health with Key to the Scriptures:

To those leaning on the sustaining Infinite, today is big with blessings." She has also written on the same page, "The time for thinkers has come. Truth, independent of doctrines and time honored systems

knocks at the portal of humanity." Our presence here today indicates that we are leaning, thinking and knocking and I am sure our attention will be well repaid.

Our lecturer is a member of the Board of Lectureship of The Mother Scientist, in Boston which is a guar and speaks with authority.

Dr. De Lange spoke as follows:

The problem of achieving power and dwhich really is pertinent and all-important is how to get rid of that falsman existence now as it has done in ity, in mathematics as well as in daily the past. It convulses the world of life; how to be freed from the world's the past. It convaises the world of life; now to be free the to-day. The necessity for a concluimperfections and limitations, and sive solution to this problem is behave to acquire divine characteristics. yond cavil, a solution that will not only satisfy the present need, but also be able to meet future requirements.

Supreme wisdom and dominion, satisfaction, rest, peace, joy, happiness, spontaneity, must be naturally attri-Christian Science claims to be divine- butes of the primal Cause which we

THE DISCOVERER AND FOUNDER

Dr. Hendrik Jan De Lange, spired purpose of this loving and no-ble New England woman, Mary Baker

perfect, all-powerful, ever-present God before the first all-powerful, ever-present God and of a world so conspicuous by a distressing lack of power and perfect and into? This question comes to most of us at some stage of our existence. Let us not be perplexed by it, or discouraged. It is just as futile as the question how to account for the lie two plus two equals five. The question which really is pertinent and all-important is how to get rid of that fals in it, in mathematics as well as in daily life; how to be freed from the world's imperfections and limitations, and how to acquire divine characteristics. Supreme wisdom and dominion, satisfaction, rest, peace, joy, happiness, spontaneity, must be naturally attributes of the primal Cause which we adoringly and reverentially call God. Why are they not more ours? Why do we not more consciously recognized the session of the truth. In mathematics, the understanding of the truth that two plus two equals five. Christian Science as users us that, in the same manner the right understanding of God will take away all temporary influence the right understanding of the truth that two plus two equals five. Christian Science as at uncertainty and discoveries are not the grant of the truth that two plus two equals five. Christian Science as the confusion of the lit two plus two equals five. Christian Science as the confusion of the life two plus the confusion of the life two plus two equals five. Christian Science as the confusion of the life two plus two equals five. Christian Science as the confusion of the life two plus two equals five. Christian Science as the confusion of the life two plus two equals five. Christian Science as the confusion of the life two plus two equals five. Christian Science as the confusion of the life two plus two equals five. Christian Science as the confusion of the life two plus two equals five christian Science as the confusion of the life two plus two equals five. Christian Science as the confusion of the life two plus two equals five. Christian Science as the confusion of the li troduce Dr. Hendrik Jan De Lange of The Hague, Holland. us not be perplexed by it, or discour-aged. It is just as futile as the quesly authorized to give the solution.

This Science is understood in the measure that the individual compredown we not more consciously recognize

The purpose of this lecture is to ence and confusion of the lie two plus present some aspects of Christian Sci- two equals five. Christian Science asderived from Deity may be prac-lly exercised, right here and now. and confusion of everything unlike

the perfect Principle. Christian Science was discovered by stated, reveals and adheres to the in-Christian Science was discovered by one whose clear spiritual insight was original enough and pure enough to seek and find the way for lifting human thought out of the finite and meterial into the realm of infinite and spiritual reality. The Discoverer found this spiritual understanding a present possibility. What is more, her great discovery was given to the world as a Science. This implies that every one of us may practice it, here and now, in present human experi
Love outside the finite and adheres to the inevitation from the fact that relailty, a conspicuous change is come evitable conclusion from the fact that the past the very stronghold of matter events on Equal to the service and power. Christian Science declares that because God, Spirit, has all power, material phenomena being the opposite of Spirit, have no real power. It declares that because God is on miscient, all-knowing, there is of matter, the modern tendency, he than that forthcoming from the fact that the spiritual value of the power of the first propounded his theory of relativity. One of the power, material phenomena being the power. It declares that because God is on miscient, all-knowing, there is one real knowledge or other mentality that formerly been the purpose of physicists to find the nature of matter, the also declared that the smallest elements of which matter consists are the very stronghold of matter callity, a conspicuous change is come ing about since Albert Einstein propounded his theory of relativity. One of the propounded his theory of relativity. One of the propounded his theory of relativity. One of the propounded his theory of relativity. One of purposite of Spirit, have no real power. It declares that because God is one real power. It declares that because God is one real knowledge or other mentality and power. The power is all power or power. DISCOVERY AND INVENTION

On every hand we are beholding

beliefs in material limitations. Although our present state of consciousness is to a great extent still hampered by the customary material ways of thinking, a remarkable liberation is going on in many a field of knowledge. In the field of physics, in the past the very stronghold of materiality, a conspicuous change is com-

and now, in present human experience. To educate human thought and to find the true source of power in God, the divine Mind, was the in-

being in God means a much better concept of body. In order to improve the human, material concept, we must reflect something which has the power to improve it. And this great something is God, Mind, perfect and infinite intelligence. The Christian Science textbook declares on page 208: "You embrace your body in thought, and you should delineate upon it

woman made of a rib.

THE NATURE AND POWER OF DIVINE IDEAS

Christian Science has made the fina distinction between divine ideas and material or mortal concepts. In defining "idea" in the Christian Science textbook (p. 115) Mrs. Eddy cites Webster's definition as "an image in Mind; the immediate object of understanding." Then, an idea, being

Copies of the above lecture may be obtained at the Newton Graphic Office, 11 Centre Ave., Newton, Mass. Tel. New. No. 4354.

a source of strength and a protection against evil.

Hence the importance of understanding the Bible aright. The Bible is in many respects a God-inspired record. Therefore it needs inspiration to be understood. The understanding of Christian Science gives this spiritual inspiration. Hereby the beauty and consistency of the Holy Scriptures are enhanced. For the one endowed with this discriminative understanding, they become more than

Science has contributed the death chair to our "civilized" treatment of criminals. Colleges might well con-tribute trained managers.

The execution of Michele Schirru The execution of Michele Schirru shows how swiftly and dramatically Mussolini's government works. Schirru, accused of a plot to kill Mussolini, was convicted, and eight and a half hours later sat astride a chair in the courtyard of a fort on the outskirts of Rome, with his hands tied behind his back. A firing squad of 24 militiamen, volunteers, stood back of him. Twentytwo Fascist officers, four hundred volunteers, stood back of him. Twenty-two Fascist officers, four hundred and sixty-two Fascist militiamen drew and flourished their bare daggers, shouting the Fascist cry, "A no," which means "To us." Then Schirru toppled off the chair, with twenty-four rifle bullets scattered along his spine.

If he had killed his own mother or father, he would have gone to juit for

except for criminals that attack the head of the government, the King of Mussolini.

Last year Americans ate 1,335,617,903 pounds of candy. Something over 14 per cent of the total amount is sup-posed to have been eaten by children, which is not enough. Pure candy, of but an absolutely necessary part of diet in childhood.

And the old, with weakened hearts, should feel the heart muscles directly, by eating candy or sugar.

dictator, also anti-religious, tells Mr. Ludwig, "You have glorified Jesus a great deal too much. I am now having the Koran issued for the first time in mad translated. The people shall see that it is more or less the same every-where, that all that results from it all

(@ 1931, King Features Syndicate; Inc.)

Satin smoothness certified by Torsiographic tests

Studebaker's Dictator Eight engine gets almost perfect score for "rounded" performance. Nothing in its price class equals The Dictator's even power flow

"EYESIGHT evidence" of remarkable smoothness now verifies the enthusiastic claims of thousands of Dictator Eight owners. The unerring stylus of the Torsiograph reveals an absence of vibration in The Dictator's 81-horsepower engine which is unique in a car of The Dictator's low price.

Here indeed is "rounded" performance! Rounded not only figuratively, as shown by the Torsiographic record, but rounded as well in every function that makes motoring a pleasure and an economy.

There is no mystery in the source of The Dictator's smoothness. A sturdy, nine-bearing crankshaft, balanced not only statically but dynamically, is at the heart of it. What little vibration may survive, is further minimized by a crankshaft vibration damper of remarkable efficiency.

That is but the beginning. Combustion, or

firing, is made steady and even by the use of a dual carburetor and gas passage, which assures equal fuel being fed to each cylinder, without 'starving" the extreme end cylinders.

Full-power exhaust muffling, which conserves horsepower, and carburetor silencing-both introduced by Studebaker-combine to give The Dictator engine quiet to match its smoothness.

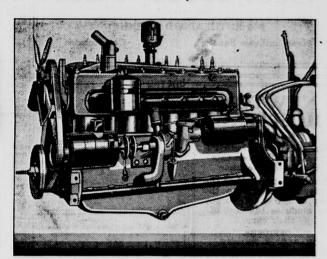

Finally, Free Wheeling brings to The Dictator its restful travel-ease. Clutch-pushing is almost forgotten. Gears shift noiselessly at any speed. Momentum is put to work, carrying you 10,000 miles for 8,000 miles of engine effort. Gasoline and oil consumption is cut 15% to 20%. Safety is enhanced. Enjoyment is multiplied.

Today-come drive The Dictator, the Eight with "rounded" performance. Enjoy luxury without luxury's usual tariff. Take the wheel of The Dictator and convince yourself.

Performance

The Torsiograph, one of the most nearly infallible of automotive laboratory instruments, records accurately the vibration of any rotating shaft. The closer the record chart approaches a true circle, the more nearly perfect the balance of the crankshaft. Above are shown the Torsiographic records of The Dictator Eight nine (9) bearing crankshaft and those of two other eights of double The Dictator's price. Notice the smooth roundness of The Dictator graph contrasted with the irregularity, or "humpiness" of the other two.

free wheeling. Dictator Eight-\$1095

ABOUT TOWN

By Edw. H. Powers

By Edw. H. Powers

The automobile has been a blessing in many ways to humanity. In many ways it is quite the reverse of a blessing. Millions of these heavy vehicles travelling at high speeds on highways and operated by persons of varying degrees of intelligence and temperament cause tens of thousands of accidents and many thousands of deaths annually. To reduce the number of autombile accidents and fatalities, traffic and parking laws and regulations have been enacted and passed and must be constantly added to. These rules and laws are for the benefit of the public in general. They work inconvenience to some. It is interesting when one has anything officially to do with the passing or enforcement of traffic or parking laws or rules to observe the attitude taken by some persons who arise in their indignation to protest against the curtailment of any of their privileges.

These persons denounce any traffic law or parking rule which doesn't appeal to them—as being ridiculous unfair, unnecessary. If the narrowness of a street causes parking to be restricted to one side so that traffic will not be obstructed, some persons on such streets will at once raise a howl without giving due consideration to all the circumstances in the case. If parking hours are restricted in certain areas so that the greatest number, some invididuals who have developed inertia to such a degree that they dislike to walk a few hundred feet, or less, will proclaim that as big taxpayers they have rights and will consign the parking restrictions to that region where brimstone is supposed to be plentiful. If all of the people would be willing to subordinate their selfish interests the problems of carring for the difficulties which the automotive age has brought would be much easier solved.

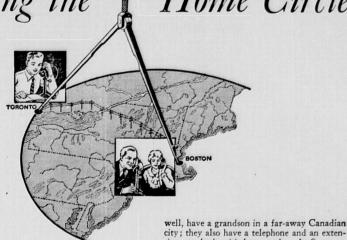

If the city would widen Nonantum place at Newton Corner, an improvement which would cost not such a great amount because of the short distance this street covers, a direct approach would be afforded from Newton Corner to Charles River Parkway and the traffic hazards caused by automobiles travelling over narrow, winding Charlesbank road would be eliminated.

eliminated.

The Playground Department requests that publicity be given to the regulations governing permits for bathing at Crystal Lake, Newton Highlands. Bathing is only permitted to residents of Newton who hold a season ticket. These tickets must be secured every year and are now being issued for 1931. Application blanks can be obtained at the office of the Playground Department at City Hall, West Newton. Tickets for residents cost 25c each. Tickets for non-residents cost 50c each and in addition each time a non-resident uses the bathing facilities at the lake 50c must be paid. As the number of tickets is limited early application is urged. All applications must be made in writing and no postage stamps will be accepted in payment. Bathing permits will be mailed to applicants.

Midshipman Sam Moore who hails

Widening the | Home Circle

TELEPHONE men build toll lines and telephone operators set up connections. That's our job, and, of course, we get paid for it. But there is a satisfaction outside of the pay envelope, in knowing that what we do helps to bring about such happy family reunions as the one mentioned in the following letter. It was written to us by a Boston business man, and referring particularly to extension telephones, he said:

"These conveniences should interest especially the many members of the Grandparents' Club. Age and youth both delight in talking over the wires. A couple of members of this great club, whom I know very

city; they also have a telephone and an extension set, both with long cords. At 8:30, on prearranged evenings, they park the telephone instruments together on a small table, flanked by two chairs, and proceed to call the distant number. When the connection is made, grandson and grandparents have a three cor-nered conference; there is no waiting for turns or repeating, and nobody misses a word. It's the next best thing to a visit."

THREE cheers for the Grandparents' Club! May its membership flourish. But why stop there? How about the Mothers' Club, the Fathers' Club, the Brothers' and Sisters' Club? Why not merge them all into one big Home Circle Club? Its aim to be the widening of the Home Circle by keeping in touch with absent members through the most personal of modern inventions-the telephone.

& & &

It's letters like this that make a job worth doing. They inspire and stimulate. They lend perspective to our work and allow an insight into its effects. And the inspiration which they kindle must, of necessity, result in more enthusiastic and intelligent service to our customers.

New England Telephone and Telegraph Company

Recent Weddings

GRAY-LeCLEAR

GRAY—LeCLEAR

Miss Margaret LeClear, daughter of Mr. and Mrs. Gifford LeClear of 8 Upland road, Waban, was married to Charles David Gray, son of Mr. and Mrs. Charles David Gray of 315 North Main street, Brockton, on Sunday afternoon, June sixth, at four o'clock in the Church of the Good Shepherd, Waban. Rev. R. T. Loring performed the ceremony assisted by Rev. Horace Holton of Brockton.

Miss Virginia LeClear, cousin of the bride, of Cumberland, Maryland, was the maid of honor The bridesmaids were the Misses Jane Cady and Virginia Elmer of Waban, Patricia Scharton and Katherine Sweetser of Reading, Elvira Harlow of Wollaston, and Geraldine Hodgson of Dover. The best man was Alfred Thatcher of Brockton, and the ushers were Walter E. Day of Brockton, Preston Gibson of Squantum, J. S. MacDonald of Reading, Donald LeClear, brother of the bride, of Bagnio, Phillippine Islands, and Lockwood Pennell of Roosevelt, Long Island, New York.

The bride wore a gown of ivory satin trimmed with rose point lace from her mother's bridal gown. The maid of honor wore blue organdie with hat of rough straw with brim to match the dress, and carried larkspur and yellow roses. Two of the bridesmaids wore yellow organdie, two were in green and two in lavender, with hats of rough straw with brims to match their gowns, and all carried spring flowers.

A reception was held at the home of the bride's parents from fourthirty to seven-thirty at which the couple were assisted in receiving by the bridesmaids and by Mr. and Mrs. LeClear and Mr. and Mrs. Gray. The home was decorated with ferns, palms and cut flowers and music was furnished by an orchestra.

After a wedding trip to the summer home of the bride at Brewster. Cape Cod, Mr. and Mrs. Gray Milreside at Bay Shore, Long Island, New York, where they will be at home about July 1st.

The bride attended Kendall Hall and Miss Lockett's School of Design. The groom is a graduate of Norwich University, class of 1930. He was a member of the Theta Chi fraternity.

ARMSTRONG-ELLIOTT

ARMSTRONG—ELLIOTT

The marriage of Miss Clara Vickers Elliott of Baltimore, Maryland, daughter of the late Judge and Mrs. Thomas G. Elliott, to Rev. J. Gillespie Armstrong, 3rd, son of Mr. and Mrs. J. Gillespie Armstrong, Jr., of Vernon street, Newton. took place on Monday, June eighth, at high noon, at the Protestant Episcopal Cathedral of the Incarnation in Baltimore. Rt. Rev. Edward T. Helfenstein, bishop of the Maryland diocese, performed the ceremony. The bride was given in marriage by her uncle, George Vickers of Los Angeles, California.

Rev. John Mansfield Young, Jr., Rev. W. Harold W. Wilson of Dallas, Texas, Rev. Francis Malcolm Thornburn of Sioux City, and Rev. Joseph E. Mills, of New York, all classmates of the groom, who were ordained recently, attended the couple, and the best man was Thomas W. Wilkinson, Jr.

Rev. and Mrs. Armstrong will make

Jr.
Rev. and Mrs. Armstrong will make their home at Millersville, Anne Arundel County, Baltimore, where he will be the rector of St. Stephen's Church. They will be at home after August first.

HINCKLEY-KNIGHT

Miss Dorothy Howland Knight, daughter of Mr. and Mrs. Austin M. Knight of 45 Park lane, Newton Centre, was married to Everett Hale Hinckley, Jr., son of Mr. and Mrs. Everett Hale Hinckley of Mamaroneck, New York, on Saturday evening, June sixth, at the home of her parents. Rev. Charles N. Arbuckle, pastor of the First Baptist Church, Newton Centre, nerformed the cere

Bailey, brother of the bride was the best man.

The bride wore a gown of Delft blue crepe chiffon with hat to match and carried a bouquet of butterfly roses and forgetmenots. The bridesmaid wore nile green with hat of the same shade and carried Talisman roses.

Miss Verna MacArthur, aunt of the groom, was the soloist and the wedding music was played by Mr. Raymond Crawford of Waltham.

A reception was held immediately

mond Crawford of Waltham.

A reception was held immediately following the ceremony.

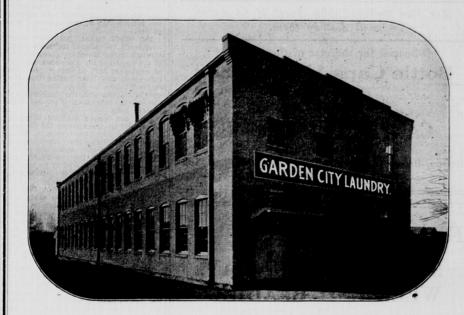

After a wedding trip to Canada and the Great Lakes, Mr. and Mrs. Blake will reside at 202 Central street, Auburndale, where they will be at home about the middle of June.

GARDEN CITY LAUNDRY

75 ADAMS STREET NEWTON, MASS.

--

Telephone: Newton North 0317

The policy of this favorably known laundry is expressed in its slogan-"Quality and Service Guaranteed." It has earned its reputation by strictly adhering to this policy.

Its service has a wide scope, comprising bundle work, finished family work, flat work, semi-finished and damp wash. All of these it does with the highest efficiency.

It is prepared also to do heavy washing such as blankets, curtains and rugs. These are cleaned by the most approved and effective methods.

The laundry itself is kept in perfect sanitary condition and the cleansing materials are guaran-teed to be pure. No materials are used in its processes that are harmful in any way to the most delicate fabrics.

The laundry is pre-pared to handle the lightest as well as the heaviest fabrics with equal care and attention to their preservation.

Its employees are lected for their ability and faithfulness. They are instructed to handle all goods to be laundered with the utmost care.

Phone the Garden City at once and have a representative call regularly at your home.

HINCKLEY-KNIGHT

The bride is a graduate of West Hartford, Conn., while Mr. Hinckley graduated from Mamaroneck High School, Mamaroneck, N. Y., and attended Tutts College in Medford, and is a member of Theta Delta Chi fraternity.

The couple will be at home after July 1st.

the Great Lakes, Mr. and Mrs. Blake will reside at 202 Central street, Auburndale, where they will be at home about the middle of June.

HINCKLEY—KNIGHT

A socially interesting wedding took place last Saturday evening at the home of Mr. and Mrs. Austin M. Knight of 45 Park Lane, Newton Centre, when their daughter, Miss Dorothy Howland Knight, became the bride of Everett Hale Hinckley, Jr., son of Mr. and Mrs. Everett Hale Hinckley, of No. 24 Tenney avenue, Mamaroneck, New York.

Palms, ferns and spring flowers made an attractive setting for the ceremony which was performed at 8 o'clock by the Rev. Charles N. Arbuckle, pastor of the First Baptist Church in Newton, Newton Centre. A reception followed at the bride's home.

The bride was attended by her sister, Miss Gertrude A. Knight as maid-of-honor, and Mr. Owen Hinckley, brother of the groom, was best man.

The bride was attractively gowned in vory satin made princess style with long sleeves and court train, trimmed with lace from her mother's wedding gown. Her veil of ivory tulle, also trimmed with old Chantilly lace, arranged in cap shape and caught with a spray of orange blossoms on each side, fell gracefully over her shouls defend the follower of Mrs. And Mrs. Mary Chilson of 46 Cottage street, Upper Falls, and Mrs. James Butler of 212 California street, Newton under the rectory of the Mary Immaculate of Lourdes Church, Upper Falls, on Lo

valley and gardenias. The matron of honor, Mrs. Arnold Dale Kerfoot Mason of Evanston, Illinois, and the maid of honor, Miss Hope Mary Pot-ter, sister of the bride, were gowned in brocaded crepe de chine with long in brocaded crepe de chine with long trains, one in pink and one in blue, and carried bouquets of spring flowers. The bridesmaids were Miss Eleanor Hoyt of Milford, Conn., Mrs. Ernest R. Briggs of Buffalo, New York, Miss Gertrude F. Schenck of Yonkers, New York, Miss Marjorie A. Land of New York City, Mrs. Frederick T. Potter of Waban and Miss Alene G. Potter, sister of the bride, of in the deep sea fishing industry. Alene G. Potter, sister of the bride, of Newton Centre. They all wore gowns Newton Centre. They all wore gowns similar in style to those worn by the matron of honor and maid of honor. Two were in yellow, two in green and the other two in peach color, and they also carried spring flowers. Miss

Evelyn Downer of Newton Centre, the flower girl, wore a dress of green chiffon with corsage of sweetheart roses and carried a basket of rose

Arthur LeRoy Smith and Sadie Archibald Mattatall, both of 82 Lenox street, West Newton, were united in marriage on Saturday evening, June

of New Glasgow, P. E. I.

Mr. Smith is the son of Mr. and
Mrs. Silas C. Smith. Cherry Hill, Lunenburg, Nova Scotia, and is engaged
in the deep sea fishing industry. Mrs.
Smith is the daughter of Mr. and
Mrs. James S. Mattatall of Tatamagouchi, Colchester Co., Nova Scotia.

NEWTON CENTRE POSTAL CLERK ARRESTED

Lindsay H. Ralph, 38, employed as a clerk in the Newton Centre postoffice was arrested Tuesday in the post-office by Postal Inspectors Cronin and Hall charged with larceny of 27 letters which the inspectors Claimed were found on his person. These letters were all addressed to the Working Boys Home at Newton Highlands and four of them were decoys. Complaints had been received from the Working Boys Home of letters addressed there with donations not arriving, so a watch was set on the Newton Centre postoffice and Ralph's arrest followed. He was taken to Boston, arraigned before United States Commissioner Goodale, held in \$500 bail for the Federal Grand Jury and then allowed to go on his personal recognizance. Ralph was appointed to the Worcester postoffice on February 28, 1925, and was transferred to the Newton Centre postoffice on May 1, 1927. He resided on Ripley street, Newton Centre, is married and has one child.

CITY DEPARTMENT REPORTS

SCHOOL COMMITTEE REPORTS

The comprehensive and very interesting report of the Newton School Department for 1930 shows that the total enrollment in the Newton Public Schools for the 1929-1930 school year was 11,459, the average attendance 94.2 and the number of cases of tardiness during the year 10,907. Of the total enrollment, 2551 pupils attended the high schools, 1337 the junior high schools, 6629 the grade schools, 942 the kindergartens. There were only 151 cases of truancy by 100 truants during the year; 80 of the truants were boys and 20 girls. Nine parents were warned that they would be prosecuted if they did not make their children attend school regularly, and 28 pupils were warned that they would be prosecuted if they did not attend. Then firms were warned for employing minors contrary to law. Two parents and ten children were prosecuted for failures to heed these warnings.

The number of teachers at Newton High school totalled 102; at the F. A. Day junior high 26 and at the Levi Warren junior high 30. The average number of pupils per teacher at the High school was 23.6; at the Day junior high 21.1. The average number of pupils per teacher in the grade schools was 30.5; the average number of pupils per teacher in the kindergartens 21. In the kindergartens 470 of the children were 4 years of age and 458 five years of age. The average age of children in the first grade was 6 years and 2 months; in the second grade, 7 years and 4 months; fourth grade, 9 years and 4 months; sixth grade, 10 years and 4 months; sixth grade, 11 years and 3 months. Seventh grade, 12 years and 4 months; fourth grade, 12 years and 4 months; eighth grade, 10 years and 5 months. 16 years and 5 months; of the years and 7 months; of the iunior class, 16 years and 7 months; of the iunior class, 16 years and 7 months; of the iunior class, 16 years and 7 months; of the iunior class, 16 years and 7 months; of the junior class, 16 years and 7 months; of the junior class, 16 years and 7 months; of the junior class, 16 years and 7 months; of the junior class, 16 ye

have an enrollment of about 800; the total attendance at parochial schools in Newton for 1930 having been 1854, and private schools 1089.

The average attendance at the Newton Vacation School was 281 and at the evening schools 243. The number of teachers in the Newton public schools was 468; 89 men and 374 women. The value of the land on which school buildings are located is \$396,048; of the buildings \$8,253,426; furniture and equipment, \$320,700; total, \$8,970,174. There were 13,005 sittings in the schools. The total cost of running the schools for the year was \$\$,970.174. There were 13,005 sittings in the schools. The total cost of running the schools for the year was \$1,351,955.48; of this amount \$27,769.43 was for administrative salaries; \$991,204.29 for teachers and assistants salaries; \$47,578.58 for fuel and water; \$5,306.29 for conveyance of pupils; \$101,861.90 for incidentals; \$627.65 for evening schools; \$1126.09 for vacation school; \$1236.18 for Americanization classes; \$9435.95 for special furniture and equipment. In 1920 the total cost of conducting the public schools in Newton was \$828.342.60 and the cost per pupil \$7,35. In 1930 the total cost was \$1,349. 291.73 and the cost per pupil \$126.43. The cost per pupil in the kindergartens was \$86.48; grade schools, \$99.13; junior high schools, \$135.84; high school, \$168.38.

In the high school the average sal-

chool, \$168.38.

In the high school the average sal-ry of men teachers in 1930 was 1742.11; women teachers, \$2354.78; eads of departments, \$3353.33. In junheads of departments, \$3353.33. In junior high schools the average salary for principals was \$4011.11; principals' assistants, \$2900; teachers, \$2151.90. In the grade schools the average salary of principals was \$3482.52; principals' assistants, \$2144.12; teachers, \$1867.69. The average salary for kindergarten teachers was \$1674.75; for assistants, \$1165.22.

The report of Supt. of Schools Wheeler pays special attention to primary reading, arithmetic, penmanship, health and medical inspection. Under the latter subject goes into considerable detail on a "hand washing study" which was conducted in Newton schools last year.

ton schools last year.
For the past 25 years the Aldine system of primary reading has been in use in the Newton schools. Newer systems have been devised, and two of these—the New Newsom and the Pennell & Cusack have been approved and in use in the schools. Whichever of these proves the better will be used as the basal system, and the other will be used as a supplementary system.

er will be used as a supplementary system.

Referring to the study of arithmetic, Supt. Wheeler tells of the radical change in teaching methods between the old and new regimes of educators regarding this important subject. He said "The major difference between the old and new regime is the adaption of the educational program to various and varying stages of mental development and abilities. This means that some processes and subjects are not undertaken as early as formerly. This does not mean that they are neglected, but rather, that they are not only better taught, but are learned with less difficulty and in a much shorter time. Instead, therefore of plunging first and second grade children into formal drill to learn from pure memory facts for which they have no background of experience for their understanding and application, these years are given over to a greater emphasis upon learning to read and to a variety of activities of the informal type in order to develop the necessary understanding and knowledge of real things as a valuable back-

ground for the formal drill that is to follow. This not only seems to be a sensible procedure, but is based upon sound pedadogy."

Changing conditions in educational and social life cannot always be met accessfully by a blind adherence to ancient methods and obsolete material al. With this thought in mind, a committee was organized to make a careful study of our course in arithmetic. After months of painstaking work a tentative revision was prepared. This is now being used in grades from one to six. A careful the coming the war to determine what changes, if any, are advisable. As a result of this study, special emphasis will be given to the subject of arithmetic during the coming year. An intensity drive will be made for accuracy in the fundamental operations and for their intelligent application to concrete situation.

In the annual report of Supt. of Schools Wheeler for 1930 considerable space is given to a study of hand washing which was made in the public schools of Newton under the auspices of the Cleanliness Institute of America. Supt. Wheeler prefaces the report on the hand washing study by saying—'If cleanliness is next to Godliness' then clean hands are essential to common decency and Godiness' then clean hands are essential to common decency and good health, especially when children's hands so often come in contact with the mouth. One of the fundamental tenets of health instruction is mental tenets of health instruction is to wash the hands before eating and after going to the toilet. And this pre-scription is based upon the statistical evidence that many communicable and other diseases are contracted through germs taken into the mouth.

other diseases are contracted through a germs taken into the mouth.

A few years ago a group of parents urged the School Committee to provide facilities and time so that all high school students could wash their hands before eating their lunch. Adequate washing facilities would require large space and would be costly to install. In fact, none of our school buildings, old or new, are thus equipped and no serious effort has been made for such equipment.

During the past year, the Cleanliness Institute of America has been making certain experiments in this direction and Newton is one of the cities selected for this purpose. The cost has been assumed by the Institute, and in certain of our schools special equipment has been installed and a careful check made of the results.

The many inquiries received by Cleanliness Institute relative to handwashing in schools clearly indicate that school administrators feel a distinct need for authoritative information and assistance regarding all in a single properties.

Selected schools of one community were used as a laboratory and demonstration centre to determine the relative merits of various types of handwashing equipment assembled for experimental use under different school conditions. The object was to test under everyday school conditions the types of equipment and supplies that are being sold to schools, as well as existing equipment, to ascertain the practicability of each.

The school system of Newton, Massachusetts, was selected for this demonstration centre, and permission was willingly granted by the school authorities. The reasons for the choice of Newton were: the high educational status which Newton maintains and which is recognized throughout the country. The progressive and co-operative nature of the Newton school officials. Newton is recognized as having a notably good health educational program."

The report tells of the study having been conducted in 8 schools in this city with an enrollment of about 3000

ing a notably good nearth educational program."

The report tells of the study having been conducted in 8 schools in this city with an enrollment of about 3000 children. Co-operating in the demonstration were 21 concerns including soap and towel manufacturers, an electric hand dryer concern and a plumbing fixture company. Sinks, faucets, sprays and perforated pipes were used to furnish the water; soap was used in cake, flake, powdered and liquid form; in seven of the schools 78,751 paper towels were used and in the 8th school cotton towels of the cabinet roller type were provided. Three electric driers were also used. As a result of the study the following observations were made:

Handwashing cannot become a regular part of school programs because large numbers of children cannot wash in the limited time available with the average existing type of facilities, and the way in which these facilities are generally used.

It is frequently possible to use existing facilities to better advantage. Children wash their hands gladly when facilities and time are provided. A minimum of at least two handwashings a day (three where a noon lunch is served at school) is necessary in order to meet the health habit observance of "wash your hands before eating and after the toilet."

Supervision by a sympathetic teacher, janitor, or pupil monitor, is an estential part of an effective handwashing program.

sential part of an elective handwashing program.

Accurate data as to cost of soap, towels, and water per unit of one hundred children should be available so that it could be furnished to school ad-

ministrators and others.

In view of the fact that 92 per cent of the micro-organisms causing com-municable disease enter and leave the body through the mouth and nose, it Briggs, cha would seem that clean hands would Committee.

help prevent some of the absenteeisn due to communicable disease.

CITY ENGINEER'S 1930 REPORT

The report of City Engineer Morse for 1930 shows that during that period 75 streets were accepted. These streets in length totalled 40,299 feet or 7.63 miles. Streets constructed and accepted under the Betterment Act during the year totalled 66 and had a length of 32,485 feet with an assessable frontage of 53,764 feet. The total cost of building these streets was \$177,584.37 and the cost per running foot \$5.46; the cost of assessable foot \$3.30. The Street Department constructed 25,768 feet of these streets and private contractors 6,717 feet. The cost per foot of the streets built by city employees was \$5.54 and the assessable foot cost \$3.35. The cost per foot of the streets built by private contractors was \$5.17 and the cost per assessable foot cost \$3.12. The slight difference in these figures refutes the impression held by many that streets constructed by city employees.

On January 1st in Newton were 179 3.4 miles of accepted streets and 76 1.4 miles of unaccepted streets. Last year 6 1.4 miles of streets were constructed and accepted under the Betterment Act. In 1929 the total was 4.40 miles. In 1928 the total was 20 years was in 1921, when 2.34 miles of streets were constructed and accepted. The average cost per foot frontage for streets constructed under the Betterment Act. In recent years was as follows: 1925, \$6.68; 1926, \$7.64; 1927, \$5.88; 1928, \$6.17; 1929, \$6.84; 1930, \$5.54.

During 1930 3.13 miles of sanitary sewers were laid, bringing the total was as the part of the streets of the streets were constructed under the Betterment Act in recent years was as follows: 1925, \$6.68; 1926, \$7.64; 1927, \$5.88; 1928, \$6.17; 1929, \$6.84; 1930, \$5.54.

\$6.84; 1930, \$5.54.
During 1930 3.13 miles of sanitary sewers were laid, bringing the total mileage in the city to 178.33 miles, of which 11 1-2 miles are of brick and concrete and the remainder of vitrified pipe. These sewers all discharge into

concrete and the remainder of vitrified pipe. These sewers all discharge into the South Metropolitan Sewer which extends through the city on the south side of the Charles River for a distance of nearly 3 miles. During 1930 the number of new sewer house connections totalled 333, and having a length of 16,604 feet.

During the year 42,009 feet of drains, or nearly 8 miles, were built, at a cost of \$122,821.65. Most of these drains are of vitrified pipe, laid in streets which were improved and action of the sewer of the se

to carry Derby Brook between Jasse and Dalby streets. During 1930 the Boston Consolidated Gas Company laid 23,619 feet of main that school administrators feel a distinct need for authoritative information and assistance regarding all phases of handwashing in schools. A study of handwashing facilities in schools, one purpose of which was to secure data that would be valuable for school administrators, has been under way since January, 1930. The study has been conducted along two main lines:

Existing washing facilities have been examined and their use observed in twenty-six large and small cities as well as three counties in fifteen states. One hundred and forty-five schools of all types were visited—city, consolidated, rural—and these included kindergartens through senior high, as well as technical, normal senior high, as the construction of the senior high senior

schools of all types were visited—city, consolidated, rural—and these included kindergartens through senior high, as well as technical, normal schools and universities. The section of 124,088.

Selected schools of one community were used as a laboratory and demonstration centre to determine the sand loam cinders and soda. ington, Inc., \$11,317; furnishing gravel, sand, loam, cinders and sods, J. —Mr. and Mrs. Jennings of Boylston street have returned from a trip to Baltimore, Md.
—Mrs. Frank Bonser and daughter Helen of South Hadley are guests of the Masons on Fisher avenue.
—Mrs. Hutchins and son, who have been visiting here have returned to their home in Portland, Maine.
—Mrs. Robert Houghton and her infant son, Jeffrey, have returned from the hospital to their home on Saxon road.
—Mrs. Colby of Newton, formerly Miss Beatrice Lowell of Newton Highlands, motored with friends to the Cape last week.
—The new officers of the Young

Cape last week.

—The new officers of the Young People's League for next year are: Harold Banks, President; Hilda Badger, vice-president and chairman of the Social Committee; Jeannette Bowser, secretary; Harlew Sylvester, treasurer; Margaret May, chairman of the Missionary Committee; Richard Briggs, chairman of the Membership Committee.

Observatory Sites

Several factors are taken into consideration in choosing sites for observatories. A site is chosen where there are a large number of clear nights in the year, where the air is free from dust and haze, where the altitude is high enough for the site to be above part of the air, where a dry climate assures cloudless skies, and where smoke and artificial lights of cities are absent. To this must be added the factor of "good seeing" as opposed to "poor seeing." opposed to "poor seeing."

British Stand on Palestine

The Balfour declaration made with regard to Palestine as a Jewish home-land was contained in a letter written by Arthur Balfour, then prime min-ister of England, to Baron Rothschild, in which Mr. Balfour expressed the sentiment: "The government views with favor the establishment of Pales-tine as a national home for the Jewish people and will use its best endeavors to facilitate the achievement of this

Forest Fires

There are three classes of forest fires: Superficial fire, burns leaves of the trees and is not necessarily dan-gerous; crown fire, burns through the

Unworthy Feeling

no small one, in the real misfortunes

and pains of others. Admits It Out Loud

Strange as it may seem the man who is always right may also develop into something of a nuisance.—Los Angeles Times,

Salivary Glands

There are six salivary glands in the human body, three on each side of the face—two sublingual, two parotid, two submaxillary.

Glory is bought at the cost of hap-piness; pleasure at the cost of health; favor at the cost of independence.— Gaston.

Light From Radium Pure radium is not luminous. The funt glow from tubes of radium salts comes from impurities.

In a Nutshell

When comes another singer, there will be room for another song.

New Christian Science Publishing House

Continued growth of the activities of the Christian Science Publishing Society has necessitated expanded facilities. As soon as plans and arrangements are completed a new building illustrated above will be erected. It will cost in the neighborhood of three millions of dollars and will occupy approximately 58,000 square feet of ground bounded by Massachusetts avenue, Norway, Falmouth, and Clearway streets in the Back Bay

Game of Life

"Life is a game," said Hi Ho, the sage of Chinatown. "He who plays it honorably may face financial disadvantage; yet he is never truly a loser."

—Washington Star.

That's Far Enough

H. G. Wells says that Americans are a race of zygotes. After looking it up we find that a zygote is the product of the fusion of two isogametes, so we'll let it go at that.

Mischief's Beginning
These triffes will lead to serious mischlef.—Horace.

Abuse of the Modern
I am indignant when I hear something abused, not because rudely or ungracefully framed, but simply because it is modern.—Horace.

Unworthy Feeling
I am convinced, wrote Burke, that

Mexico who wants to leave. This should speak for itself. The opportunities in the States to make a living never have been greater. Those in Mexico never have been greater. Which is that.

Kino Bay is a half-moon shaped arm of the Gulf of lower California, it has a twelve mile beach of pure sand and a hinterland of soft graystee is the product of the fusion of two isogametes, so we'll let it go at that.

Mischief's Beginning
These triffes will lead to serious mischlef.—Horace.

Abuse of the Modern
I am indignant when I hear something abused, not because rudely or ungracefully framed, but simply because it is modern.—Horace.

Unworthy Feeling
I am convinced, wrote Burke, that

-Mrs. Charles W. Hall of Waverley done of the prove worthy, his concession would be extended.

He put up a tent and began building a falane house, at the same time selling personal privilege memberships to the sood people of Hermosillo, seventy miles away, for twenty peopse ach in about six months he built a new building, of adobe, with a cement floor, for dancing, a corridor facing the beach and accommodations for twenty people. At this time he began self-iss ing memberships in the United States for twenty dollars. This building was completed in Nov. 1925 and did a flourishing business as a fishing, and huming club (both are superb, the fish comprising sea base, cabrillo, lisa and smaller fry; the game, deer, jaguar, wild hog, quali, coyote, bob-cat, coon, what not) and resort for swimming and dining and vacation.

In Scyltember, 1926 came the freak tidal wave that swept across the Gut much as that other that washed away the resorts along the Coast of Souther of California. This took away about half the club house, No one was hurt; and such a circumstance, which had never occurred before, never has visited Kino again.

Mr. Hollomes rebuilt. At the same the freak tidal wave that swept across the full washed a circumstance, which had never occurred before, never has visited Kino again.

Mr. Holmes rebuilt. At the same time selling between the summer home at Swampscott, has been active ever since.

Now, again, he has revised his idea which, briefly, is this:

—Mr. and Mrs. Louis Hunter of Morse street are visiting their son Merch and Grand Mrs. C. D. Brown of Morse street have changed their residence to Markina, Mass.
—Mr. and Mrs. Louis Hunter of Morse street are visiting their son beards of Morse street has changed their residence to Markina, Mass.
—Mrs. California of Mrs. California of Mrs. California of Shorter than Mrs. Couls Hunter of Morse street have deanged their residence to Merch and Mrs. California of Mrs. C

called the roll of that Division.

Miss Allen, Superintendent of the Newton Hospital, reported that during the past year the greatest change had been in the Out-Patient Department, where two thousand more visits a month had been made than in the previous year. This was particularly noticeable in the men's clinics. Also more "free bed" days were recorded (this expression meaning days when the patient was unable to pay for his care). Of these free-bed days, there had been an increase of 100 a month over other years since this winter began.

Dr. Lowe, the City Physician, reported that his work had been greatly increased by calls from all sorts of philanthropic agencies throughout the city. In general, he said, everything had been "speeded up."

cases as soon as they legally became city. In general, he said, everything had been "speeded up."

Mrs. George M. Angier, President of the Newton District Nursing Association, said that the business depression had increased their work. People who had only private nurses, and the proportion of cost paid by patients had fallen off. This change began during the winter months and a good many more free patients than formerly had to be "carried." An emergency appeal for donations had just gone out, Mrs. Angier said.

For the Special Health Committee of the Welfare Bureau, Miss Chapin reported that the Christmas seal sale went over as well as usual last winter. Demands on this fund, however, have been unusually great, as the milk bill for T. B. suspects, for instance, has risen by leaps and bounds.

Mrs. James Dunlop reported for the Red Cross that they had co-operated with the Mayor's Relief Committee by giving \$500 for the purchase of clothing.

Among the organizations under the Civic Division reporting were the following:

Mr. G. Wilbur Thompson reported for the Chamber of Commerce that

Civic Division reporting were the following:

Mr. G. Wilbur Thompson reported for the Chamber of Commerce that they had helped to obtain jobs for unemployed men and had given away about \$1,500 worth of clothing. They held themselves ready, Mr. Thompson said, to co-operate in any way with other agencies in the city.

For the Newton Federation of Women's Clubs, Mrs. Arthur W. Lane, Chairman of the Civic Committee, reported that club women had co-operated that club women had co-operated with the Mayor's Relief Committee in the distribution of clothing at West Newton. Later Miss Chapin of the Welfare Bureau said she must add to what Mrs. Lane had said because the club women had worked like "sales girls in a bargain basement on a sale day" all winter.

For the Newton Free Library, Mr. There is the Library were severed to the said apprevention. In Massachusetts public

Member organizations of the Newton Central Council made reports in regard to how industrial conditions had affected their work at the annual meeting of the Council on Wednesday evening, May 27, 1931, at the Newton Centre Library.

Mrs. Ellis Spear, Jr., presided, and annual reports were given by Mr. Paul E. Elicker, Clerk; Mr. John N. Eaton, Treasurer; and Miss Louise Peloubet, Secretary.

One of the major projects of the Council dwing the past year, spoken of by Miss Peloubet, was Volunteer Service. This year the volume of motor service, one of the important types of the service tripled; from 120 calls last year to 361 calls this year, Mr. H. W. Bascom gave a very sig.

E. Elicker, Clerk; Mr. John N. Eaton, Treasurer; and Miss Louise Peloubet, Secretary.

One of the major projects of the Council during the past year, spoken of by Miss Peloubet, was Volunteer Service. This year the volume of motor service, one of the important types of the service tripled; from 120 calls last year to 361 calls this year.

Mr. H. W. Bascom gave a very significant report of the Council Committee on the Leisure Time of the Unemployed, of which he is Chairman, He said that a large amount of information had been gathered in regard to a constructive use of enforced leisure and other needs of the unemployed. At the Y a group of unemployed and the Y a group of unemployed and the Y a group of unemployed from the committee of the Unemployed of the Une

Each Council organization had been asked to report on two questions:

1. Have conditions in the world of industry affected the work of your agency during the past year?

2. Have they altered your plans for another year?

All member agencies of the Council agreed that it had been necessary to ractice the most rigid economy as regards expenses; and most agencies reported that there was difficulty in raising sufficient funds to carry on the work satisfactorily.

Dr. Wilson G. Smillie, Chairman of the Health Division of the Council, called the roll of that Division.

Miss Allen, Superintendent of the Fitzgerald, Director of Public Wel-

Newton papers.

Statistics given by Miss Florence S.
Flizgerald, Director of Public Welfare for the city, showed what a tremendous work is being done for the care of Newton's dependents. This year both the volume of work and the expenses have tremendously increased because of unemployment and industrial conditions. 352 more families were cared for in 1930 than in 1929, and, in round numbers, expenses in 1930 amounted to \$98,000 as against \$78,000 in 1929. \$78,000 in 1929.

\$78,000 in 1929.

Miss Esther M. Walker, of the Red Cross Home Service, said their work had not been seriously affected by the depression, as the Legion had handled certain classes of cases, and other welfare agencies had taken over cases as soon as they legally became "civilian." The bonus has helped tide over the service men.

Miss Helen Sandstrom, of the

and to what Mrs. Lane had said because the club women had worked like "sales girls in a bargain basement on a sale day" all winter.

For the Newton Free Library, Mr. Lucht, the Librarian reported in writing:

"Unemployment has increased the resort to our library very much. Since September, 1930 our circulation has increased about 12%. Previous to that the normal increase was about 5%. Incother words, 30,586 more books were issued for home use in the first four months of 1931 than in the corresponding period of 1930. To keep up with this increased demand we need more money for assistants and for new books and rebinding."

Mrs. Stephen E. Wright, Secretary

will fail to meet the demand. Health conditions would probably not show the results of the depression at once The undermining of health by under nourishment, poor living conditions, and similar factors, is a slow process, but it is bound to take place and to be evident in the next few years.

be evident in the next few years.

Recreation is one of the great problems for social work, since the need of it is not so obvious as that for relief. But it is actually as necessary in these times as it was during the World War, for the maintenance of courage, a sane outlook on life, and family integrity.

While we are busy with relief programs we should not overlook preventive measures. We must be courageous enough to face the fact and to consider in a fair-minded way methods and ideas being proposed or tried in other cities and other countries such as unemployment insurance, and long-range planning of public works.

House Bill No. 1514 which provides

House Bill No. 1514 which provides for a commission to study the subjects for the stabilization of industry is now before the Legislature in Massachusetts. To get behind this bill Mr. Cushman said is the most important thing which the citizens of this state can do in regard to the problem of unemployment.

ABOUT TOWN

By Edw. H. Powers

The details given in the annual report of Supt. of Schools Wheeler regarding the study of hand washing in the Newton Public Schools last year interested us considerably. The importance of children washing their hands frequently is stressed because medical authorities claim that 92 per cent of micro-organisms causing communicable disease enter and leave the body through the mouth and nose, and it is held that a large percentage of the microbes get into children's mouths and noses off dirty hands.

We were intimately acquainted with

mouths and noses off dirty hands.

We were intimately acquainted with a red-headed, freckled-faced kid who had an obsession to wash his hands. This seems incongruous for a kid of this type, but it was a fact. He not only washed his hands before and after meals, but frequently during the day, whenever said hands showed the slightest traces of dirt. He endured the jibes and ridicule of his playmates, but persisted in his devotion to cleanliness. His object was not to avoid communicable diseases, because less attention was paid in those days to microbes than is given to "bugs" today. Did this kid escape communicable diseases? He did not. He had scarlet fever, diphtheria, measles, mumps, chicken pox, malarial fever and whooping cough. The micro-organisms which entered his mouth and nose couldn't have come off his hands. They must have walked in, jumped in or flown in.

For some years Boston, Cambridge and other cities have forbidden the use of public streets for garages by automobile owners who economize by not owning or renting a garage. Persons in these cities who made a practice of leaving cars out on streets all night long were haled into courts; many on the charge of having no parking lights on the car garaged on the street. This week the police of Watertown started a campaign against those automobile owners in that town who have been using streets as garages. It is about time Newton followed suit.

violate the automobile and traffic laws. They received orders to apprehend autoists who speed, who drive recklessly, who parks so as to cause other automobiles to collide, who cut out of line in heavy traffic on curves and approaching the brows of hills, who disregard left-turn signals given by other autoists. Eight principal reasons are given for the 755 fatal automobile accidents occurring in the State last year which caused 795 deaths.

The two leading causes which alone

caused 795 deaths.

The two leading causes which alone were responsible for 76% of the accidents were "speeding" and failure to keep to the right when the view ahead was obstructed. Failure to slow down a street intersections, to slow down when approaching pedeso trians, to stop when coming to a street car or bus discharging passent gers, jumping traffic lights, failure to obey STOP signs at through way streets, parking on wrong side of a streets, parking too close to street corners and double parking are given a so ther causes for many of the fatal accidents.

Assuming that a large percentage

as other causes for many of the fatal accidents.

Assuming that a large percentage of the police will do their duty and apprehend violators of the automobile laws, what will then happen? A big portion of those apprehended, in fact it is safe to say a majority of those apprehended, will hasten to get in touch with somebody who has a "drag," or is supposed to have a "drag," or is supposed to have a "drag," or is supposed to have a "drag," or is supposed to be a consideration of the policeman himself, or some one of his superior officers to quash the case before the offender is brought into court. The influence used is usually that of some peanut politician or some eminently respectable citizen who prides himself on his devotion to law and order.

If the offender or his (or her)

on his devotion to law and order.

If the offender or his (or her) friends fail in the first step, sometimes efforts will be made to have the case postponed in some district court until a lenient judge is slated to preside. If the offender is found guilty in the district court an appeal may be taken and pressure brought to bear on district attorneys' offices to throw the case out before it reaches the Superior Court.

Until law enforcement officers re-

been studying abroad since last October, has returned to her home on Ledger road.

—On July 1st at the summer home of her parents at Duxbury, Miss Hope Potter, daughter of Mr. and Mrs. Edgar Clifford Potter of Center street will be united in marriage to Mr. Charles J. Paine of Weston.

Lowed suit.

Beginning June 1 State Police, Inspectors from the Registry of Motor Vehicles and over 7000 policemen throughout Massachusetts became throughout Massachusetts became active (if they obeyed orders) in a drive against automobile drivers who

Several Hearings Before Board Of Aldermen Attract Residents

Lower Falls Citizens Protest Against Renewal of License to Sand & Gravel Company

The meeting of the Aldermen on Monday night was featured by the appearance of residents of Newton Lower Falls to protest against the renewal of a permit for the coming year to the Woodland Sand & Gravel Ecompany to operate machinery at its pit at 2131 Washington street opposite Beacon street. Francis Balch of Boston, as attorney for four property owners near the gravel pit, severely criticised the Aldermen and other bit official for permitting conditions at the pit to have reached the state they have been in for the past couple of years.

Mr. Balch said that he used to think of Newton as the most beautiful part of Greater Boston, but when he came but on Sunday last to view the gravel pit he received a great shock willow head of the Highland Sand Monday night was featured by the appearance of residents of Newton Lower Falls to protest against the pit at 2131 Washington street oppo-Boston, as attorney for four property owners near the gravel pit, severe-ly criticised the Aldermen and other city officials for permitting conditions at the pit to have reached the state they have been in for the past couple

of years.

Mr. Balch said that he used to think of Newton as the most beautiful part of Greater Boston, but when he came out on Sunday last to view the gravel pit he received a great shock as he gazed at the big hole with its acres of desolation. He characterized it as worse than any eyesore around Boston with the exception of the South Boston dump. He told of stagnant water there as a health menace and the steep sides of the pit as a danger to children. He stated he had visited City Hall to obtain information regarding the extensions given to the owners of the pit in the years since zoning to operate it under non-conforming use. He asserted that agreements made by the owners of the pit not to excavate below a certain grade had been ignored and another agreement regarding the filling in of old sections of the pit had not been kept. He inquired as to why the city had not compelled the owners of the pit to keep their agreements?

Mr. Balch said that owners of near-

why the city had not compelled the owners of the pit to keep their agreements?

Mr. Balch said that owners of nearby houses could neither rent nor sell their properties because of the clouds of sand dust coming from the pit and the noise of the machinery. He expressed surprise that the Newton Hospital officials had not protested against the conditions at the pit. He remarked that the suggestion has been made that the owners of the pit can snap their fingers at the city even if they are refused a renewal of the permit to continue the use of the structures there, but he doubted this as it would not be possible to operate the pit profitably without the mechanical devices housed in the structures. He predicted that unless the owners of the pit are forced to keep their agreement by refilling the low parts and refrain from digging below a proper grade, the city in future years will be compelled as a health measure to buy the property and go to the great expense of making a deep fill. He suggested that the gravel company be compelled to furnish a proper bond that they will refill the pit in its low parts during the coming year before a permit for a renewal of the privilege to operate the structures for another year be granted.

Mrs. Alexander Ervin of 2077 Wash-

promised that the pit would not be dug nearer the street than 50 feet, but this promise had been ignored.

Alderman Temperley asked George Wilbur, head of the Highland Sand & Gravel Company about the speeding of big gravel trucks on Brookline street, Oak Hill. Mr. Wilbur had asked for a renewal of the permit for another year to continue the operation of sand and gravel machinery at the big pit off Wiswall street. He told Mr. Temperley that only a few of the trucks carrying material from his pit were owned by his company and that he had endeavored to influence the drivers of the other trucks operating from the pit to drive with caution. Mr. Wilbur remarked that if his company is not given a renewal permit the trucks will not only travel on Brookline street, but along narrow Nahanton street to Kenrick bridge to get sand and gravel from pit in Needham. Mr. Wilbur told the Aldermen that he had interviewed Miss Smith, superintendent of the New England Peabody Home on Brookline street and she had told him that the only objection she had to the trucks was when they had scattered gravel on the corner of Brookline street asked by Alderman Bail if his company is restricting digging at the pit to street grade, Mr. Wilbur replied in the affirmative, with the explanation that when it has been found necessary in some places to dig slightly below grade for drainage purposes, refills have been made as soon as possible.

this as it would not be possible to operate the pit profitably without the mechanical devices housed in the structures. He predicted that unless the owners of the pit are forced to keep their agreement by refilling the low parts and refrain from digging below a proper grade, the city in future years will be compelled as a health measure to buy the property and go to the great expense of making a deep fill. He suggested that the gravel company be compelled to furnish a proper bond that they will refill the pit in its low parts during the coming year before a permit for a renewal of the privilege to operate the structures for another year be granted.

Mrs. Alexander Ervin of 2077 Washington street told of her inability to rent or sell her house and the nuisance of sand dust from the pit. She stated that two years ago she had received a letter from Buildings Commissioner Chadwick informing her that the pit would be filled in and covered with loam in 1930. George Dennis of 2122 Washington street stated he had resided there for 39 years. The man who first started to operate the pit promised that only the hill would be excavated but later owners had dug the deep hole there.

Honorary Degrees Awarded Newton Men

Newton Well Represented At Variou

Residents of Newton can well be cleased at the showing made this week that the various Commencement exer-ises. Newton citizens were recipients of four honorary degrees: That of LL.D. from Dartmouth to Judge Fred LL.D. from Dartmouth to Judge Fred T. Field of the Massachusetts Supreme Court, that of Mr. Harrison P. Eddy with Eng.D. and President Frank P. Speare with LL.D. from Northeastern University, and Allston Burr with Master of Arts from Harvard. Among the students graduating from Brown University were E. Kent Allen, West Newton, Ernest G. Hapgood, Jr., of Newton Highlands, Cory Snow of Newton Centre, and George S. Wattendorf of West Newton from Brown University. Northeastern graduated Thomas E. Rushforth of Newtonville and Raymond E. Mabey of Auburndale. New Hampshire graduated George C. Colburn of Newton. Vermont University graduated James D. Richards of Newton, Norwich graduates Robert D. Nason of Auburndale, while Middlebury graduates George E. Foote of Waban.

Yale grants the degree of Doctor of

Waban.
Yale grants the degree of Doctor of Philosophy to Doris E. Fales and that of A.B. to John F. Bell of Newton Centre. At Dartmouth Edgar H. Kent of Newtonville is summa cum laude and other graduates from Dartmouth include Herman S. Buxbaum of Newton Centre who wins the senior prize, Henry L. Johnson, Jr. and Richard Fisher are from Waban, Harold Andres of Newtonville, Leonard J. Clark of Newton Highlands, Francis W. Kent of Newton.
Catherine Chandler of Waban grad-

Kent of Newton.

Catherine Chandler of Waban graduates from Wheaton College. At Bowdoin Lawrence C. Jenks of the Lower Falls was a high rank man and was also elected to the Phi Beta Kappa chapter. Herbert C. Lewis of Newton also graduated from Bowdoin. At Radcliffe, Ruth L. Hay of West Newton was cum laude in English, and Emily K. Tilton of Waban also graduated. Northeastern graduated Edward J. Wright, Jr. of Newton, Thomas R. White of Newton Centre, Sidney H. Webster of Newton.

H. Webster of Newtonville and Ruth (B. Munroe of Newton.

Wellesley graduates included Frances M. O'Halloran of Newton, Mary F. Olcott of Newtonville, Caroline D. Ziegler of Waban, Elizabeth P. May and Elizabeth W. Plimpton, both of Newton Centre. Smith graduated Katherine Irwin of Newtonville, Helen S. Ward of Newton Highlands, both being summa cum laude, Isadore Hatch and Mary A. Ruby, both of Newton Highlands, also graduated. Connecticut College gave degrees to Evelyn Whittemore of Newton Centre and Beatrice Brooks of Newton Centre and Beatrice Brooks of Newton Centre with Mary F. Scott and Barbara A. Johnson, both of Waban, and each winning a prize, the Continental Literature prize awarded to Miss Scott I and the Peterson prize to Miss Johnson.

Newton was well represented in the class of 1495 seniors that graduated from Boston University on Monday when degrees were presented by President Daniel L. Marsh at the Boston Arena. Eighteen Newton residents were among those receiving degrees, seven from the Newton Corner section, three from Newtonville, three from Newton Highlands, two from Auburndale and one each from West Newton, Newton Centre and Upper Falls.

Resignations Of **Teachers Accepted**

School Committee Has Regula Meeting

The Newton School Committee held The Newton School Committee held a regular meeting on Monday night. Resignations of the following teachers were accepted: Wendell F. Smith, High School; Charles Vigue and Midred Johnson, Day Junior High; Althea Wear, Warren Junior High; Althea Wear, Warren Junior High; New teachers elected included the following: Katherine Eckert, Horace Mann School; Abbie Andrews, Weeks Junior High; Anna M. Dean, Weeks Junior High; Clarence E. Churchill, Weeks Junior High; Leonie Chandonnet, Weeks Junior High; Elizabeth Maddison, Weeks Junior High; Drochty Haskins, Weeks Junior High; Laila D. Pollard, Angier School; Sophie Genevicz, building assistant; Anna Kerr, Underwood building assistant; Herbert F. Hartwell, substitute, one year, Newton High; E. Murlel Nichols, Warren Junior High; Carlon W. Ray was elected to succeed Russell Burkhard as principal of the Angier School at Waban. Mr. Ray has been teaching in New Jersey.

The committee refused the request of Helen M. Fales, a teacher at the Day Junior High School 9th grade for a \$100 increase in salary. The reason given for the refusal was that Miss Fales is not eligible for the higher salary given to junior high school teachers because she is not a college graduate. She is a normal school graduate and is studying to obtain a college degree.

The application of the Newtonville Methodist Episcopal Church baseball regular meeting on Monday night.

tain a college degree.

The application of the Newtonville Methodist Episcopal Church baseball league for the use of the diamond at the high school athletic field was refused. The church league wanted to play twilight league games on this diamond. Supt. Hermann of the Newton playsrounds and the teachers of athletics at the high school have objected to the use of the diamond by other than the high school teams. They state that the diamond has been injured by allowing other than school teams to play on it. Committeeman Tracy called attention to the fact that City Solicitor Bartlett has ruled that school property cannot be used by sectarian organizations.

The annual summer outing of the The annual summer outing of the employees in the various offices at Newton City Hall was held Tuesday afternoon at Worrick Inn near Nantasket Beach. The largest number ever attending such an affair was present. Those present totalled 125, and included Mayor Weeks, Aldermen Gordon. Holden. Temperley and and included Mayor Weeks, Aldermen Gordon, Holden, Temperley and Powers and most of the department heads. During the dinner songs were enjoyed under the direction of Joe Antonelli, with Louis Tabaldi at the piano. Mr. Antonelli also rendered several tenor solos. Dinner over, President James Dempsey of the City Hall Associates called on Mayor Weeks to address the gathering. The Mayor urged the employees to continue to hold such outings as he believes they encourage friendliness between those participating.

Others who contributed to the pro-

Others who contributed to the pro-gram were Robert Burlen, well known gram were Robert Burlen, well known radio entertainer, who amused the gathering with stories, and Miss Ella Beecher of Newton Centre, who presented a ballet specialty. Many valuable souvenirs were presented to persons present. Weather conditions prevented the program of sports being carried out and most of those who attended the gathering returned home at an early hour. The committee in charge of the outing included James Dempsey, Miss Esther Burr, Miss Margaret Curley, Frank M. Grant, John Feeney, Ebba Cullen, James Newell, Charles A. Mahoney, George A. Stuart and Gladys Mahoney.

NEWTON EMBLEM CLUB TO HOLD WHIST AND BRIDGE PARTY

DOG BITES MAN

Alden Holman of Cornwallis place,
Waltham reported to the Newton police on Tuesday morning that a dog
owned by Joseph Brink of 43 Fairmont avenue had attacked and bitten him. The police ordered the dog
restrained and Dr. Boutelle was notified to examine the animal.

On Monday evening, June 22nd, the
Newton Emblem Club will hold the
last of its activities for the summer
in the form of a whist and bridge
party. The committee comprises all
barry. The committee with
Miss Gertrude McCrudden and chairman, assisted by Mrs. Edith B. Gillies,
Many beautiful prizes have been oblained and a large crowd is expected.

THE WEEK IN NEWTON SPORTS

LOCAL YOUTHS PLAY JONES IS NAMED WELL FOR YALE

The two local youths, Edgar War-en and Allie Fletcher, on the Yale asseball team, played well in the two ames with Harvard this week with he two greatest college rivals each rinning one and necessitating a third the ear New Haven next Tuesday.
the first game was played at New
en on Tuesday with Yale winning
3, in which both Warren and etcher played a quite prominent

Haven on Theseday with Vale winning 7 to 3, in which both Warren and Fletcher played a quite prominent part.

Each team scored once in the first and Yale took the lead with another tailly in the another single made the score 3 to 1. In the sixth the Criminent satification of first, Warren sacrificed and another single made the score 3 to 1. In the sixth the Criminent still on first and second with two down. Luplen, He with runner still on first and second with two down. Luplen, He with runner still on first and second with two down. Luplen, He with the pattern that the ball which would have been scored as a hit had he not had an easy force play at third. Ticknor, who was the base-runner on second, neaded for the plate when Warren lost the star retrieved the ball quickly and cut him down at the plate with a prefect per. Yale went ahead again in the seventh when Fletcher drew the only base on balls issued by McHale, Criminen the seventh when Fletcher's tally proved to be the winning run but the Lilis scored three in the eighth to make things certain. In the eighth inning McGowan and Warren each hit Lily and the seventh, waren lost the work of the seventh with a pretty peg. Warren got one hit in three times at bat, scored one run, and made one sacrifice, but ward ward, and went to second one sacrifice, but ward ward with a pretty peg. Warren got one hit in three times at bat, scored one run, and made one sacrifice, but ward ward with a pretty peg. Warren got one hit in three times at bat, scored one run, and made one sacrifice, but ward ward won, 4 to 3, with a three run rully in the ninth after two were done on the work of the ward ward was a catch of a Texas Leaguer fly to short right while running with his back to the ball, and retry ward won, 4 to 3, with a three run rully in the ninth after two were done of the work of the ward ward ward was a catch of a Texas Leaguer fly to short right while running plays. One was a catch of a Texas Leaguer fly to short right will be will be well as the work of the work of t

opening the scoring in the fourth. Captain McGrath of Harvard opened with a scratchy single to Warren and went to second on a passed ball. On DesRoches' grounder to Warren the Crimson leader was trapped between second and third but Albie Booth's throw hit him in the back and he turned and raced to third. Fletcher retrieved the ball and nearly got DesRoches as he scrambled back to first. It was on Wood's short fly to right that Fletcher made his great catch but the former Newton star's throw to the plate was wide and McGrath talled. Harvard did not lead long as Yale countered with two runs in the fifth. With two out Page, Harvard southpaw pitcher, passed Newton, Yale's righthanded star twirler, and Booth singled. Fletcher drew a pass to fill the bases and Linehan's single scored Newton and Booth and put Fletcher on third. With Vincent up, Yale tried to work the double steal but Lineham ran too far towards second base and was tagged before Fletcher could, cross the plate. Three innings later Yale added another tally to its lead. Fletcher walked again with one down. He moved up on an out at first and tallied on Captain Vincent's single to right.

In the ninth Harvard came through

to its lead. Fletcher walked again with one down. He moved up on an out at first and tallied on Captain Vincent's single to right.

In the ninth Harvard came through strong. Ticknor singled, DesRoches popped to Booth and Wood to Warrento make another Yale victory almost certain. But in baseball the game isn't over until the last man is out. Singles by Lupien, Sheldon and Maystallied one run and filled the bases. Page went to bat and Newton, his confidence having faded somewhat, passed him with four balls in a row to force in the tying run. Ben Bassett, Harvard outfielder who had taken McCaffrey's place in centrefield after Rex had batted for the latter the previous inning, had his opportunity. With the count two and two he met the ball squarely for a clean single over Warren's head to score Fincke, who run for Sheldon, with the needed on Lupien's height from the limit of the limit of the latter for the rally Harvard got the one break it needed on Lupien's height from the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williams triumphed over Dartmouth on the diamond last week Friday, 9 to 1, at Williamst

wice, being passed on both of his other rips to the plate. In the field Fletch had five putouts and four assists and Warren three putouts and five ssists, both fielding faultiesly. Maine dwarren made the only double play of the game when Maine took Mc-

BASEBALL COACH

At its meeting last Monday night the Newton School Committee elected Lucius P. (Jeff) Jones as head coach of baseball to succeed John L. Sullivan, Last February Mr. Sullivan, who has been coach of football and baseball since the death of Allie Dickinson in 1927, asked to be relieved of his duties at the end of the present baseball season. The latter part of March the school committee announced the appointment of Ralph Sanborn as football coach and the appointment of Jones completes the coaching assignments at Newton High.

score Fincke, who run for Sheldon, with the needed run.

During the rally Harvard got the one break it needed on Lupien's hit after the two outs came. His grounder rifled through the grass towards Warren who had only to scoop it up and toss it to Fletcher for a force play to end the game. It was a hard hit ball, not an easy one to play, and it scooted away from Warren into the soutifield to let Tickmor race to third, setting the stage for the thrilling yind-up.

During the game both Warren and Fletcher went hittess with the former up four times and Fletcher at bat twice, being passed on both of his other trips to the plate. In the field Fletcher had five putouts and four assists and Warren three putouts and five seventh inning had ended were leading 8 to 7.

OUR LADY HIGH WINS LEAGUE TITLE

By winning two games last week Friday and Saturday the Our Lady High School baseball team clinched the championship of the Greater Boston Catholic High School League, Friday the local nine met the Mission High team at Roxbury and came home on the long end of a 12 to 4 score. With that game tucked away Our Lady High needed but one more victory to be sure of the honors. Saturday morning the local team met St. Mary's High of Brookline and won the needed victory by a score of 9 to 3. It was the local school's first league triumph after several experiences in the runner-up position.

Jimmy Moran was sent to the mound in Saturday's game after "Porky" Murphy had triumphed over Mission High the day before. Moran tossed great ball, allowing but five scattered singles and fanning eleven opposing batters. He collected a triple and two singles in four times at bat which aided the local offence. Leo Cannon, hard hitting first baseman of the Our Lady team, also collected three hits, one a triple, in four trips to the plate. Gramzow and Cummings each collected a single and double while each of the other local players made one hit apiece to bring the Newton total to fifteen. Our Lady was leading 4 to 2 up to the beginning of the eighth when a three run rally clinched the game and a ninth inning rally which netted two runs tucked it away beyond all manner of doubt. The final standing of the league:

W. L. R. R. R. P.C. Our Lady (New) 12 3 150 65 .800

base hit was the only extra base blow of the game.

Last night at Trum Field, Somerville, the Somerville Club put over six runs in the eighth inning to win by a 10 to 5 score. A home run by Jerry Sullivan, Somerville left fielder, with the bases loaded, put the game on ice. Sullivan had previously hit a triple to drive in two runs. Somerville bumped Bob Pickard for eleven hits, while Upper Falls could solve Graham for only seven, with De George the only player to get two. De George got a triple and a single, while Gumpright's home run kept the locals in the game until the blow-off.

Dartmouth Closes Season

Dartmouth closed its baseball season on Monday in a game with Boston College at Hanover. The University Heights nine pinned a 2 to 0 shutout on the Green. Dartmouth had ten men left on bases but Donovan, B. C. pitcher, tightened up in the pinches. Hal Andres went hitless in his only official time at bat, being hit by one of Donovan's pitches to get on base once. It was Andres' last game as a Dartmouth player as he graduates this month. He was among thirteen players to be awarded their letters. During his college career the Newtonville youth has been an outstanding athlete at Dartmouth. As a freshman he won numerals in football, hockey and baseball and the last three years has won letters in all sports—a total of nine. Although he has been out of the game for short periods due to injuries he has soon got back into the line-up. Last fall he captained the probable of the game for short periods due to injuries he has soon got back into the line-up. Last fall he captained the football eleven.

Dartmouth Closes Season

Dartmouth Closed its baseball season of the proposed down these petitions, Mr. Hawkins explained that the locus of the proposed such as the mannent at Longwood this week. Lawing the frontage of only 54 feet and would considering increasing the frontage.

Solies Miscandona Version of the payers have been players have been players hav

petitions for private garages on the docket. The committee had been unanimous in favoring these petitions with the exception of that from Michael Kindregan for a garage at 79 Washington street, Newton. Alderman Hawkins had not favored the permit for this garage, which would be located in the Ward he represents, Ward 7. Alderman Powers asked that this petition be voted on separately. Alderman Smith favored the granting of the Kindregan petition. He admitted the frontage of the house lots on which Kindregan had erected two houses was wide enough properly for only one house; the frontage of one of the lots being but 44 feet. The Auburndale alderman stated that the principal objector (Mr. Donovan of 87 Washington street) had planted a row of trees between his property and the Kindregan houses and the latter should be permitted to build the garage to furnish facilities for the two houses.

Alderman Powers said that Senator Arthur W. Hollis, who resides agrees.

Texas Company, for permit to install one again to the two proofs of the company to company to the company to th

street, Ward 2.

Alderman Powers asked that the McElroy petition be reconsidered by the committee as the petitioner is an old resident of Newton and desires to operate the taxi only a few hours nights. Chairman Hawkins of the Licenses Committee objected to this petition being referred back. He said the committee had carefully considered the matter of more taxi licenses and had decided there are plenty of taxis now at Newton Corner to take care for the business there.

Alderman Hawkins for the Licenses

the business there.

Alderman Hawkins for the Licenses Committee reported adversely on the petitions of George Haynes for a gasoline filling station at the corner of Washington and Thornton streets, and the petition of Frank Y. Clark for a gasoline filling station at 782-784 Beacon street. Asked by Alderman Grebenstein why the commitee had turned down these petitions, Mr. Hawkins explained that the locus of the proposed station on Washington street has a frontage of only 54 feet and would be on a dangerous corner. He gave the information that the petition is considering increasing the frontage.

sition from the Newton Center Woman's Club.

Alderman Powers called attention to the signs along Commonwealth avenue advertising Norumbega Park and the Totem Pole Dance Hall. He stated that over a year ago when the Mayor and members of the Board of Aldermen surveyed conditions on Common-weight and members of the Board of Aldermen surveyed conditions on Common-weight and the signs should not be permitted on the avenue and it was understood that they would not be put up again this year. He said that City officials had notified the management of the park to remove the signs and that there should be no further delay in compelling the removal of the signs which are on the avenue illegally. President Collins replied that this is an executive matter.

Alderman Gallagher protested

Alderman Gallagher protested against the closing of Washington astreet between Wales street and the Lower Falls bridge, He called attention to the serious delay this closing causes to Wellesley physicians who frequently have to hurry to the Newton Hospital. He said that busses are permitted to travel over this section of Washington street and that the resurfacing work along this section can be done by only closing half of the street to traffic.

NEWTON OFFERS A CHALLENGE

What is good citizenship? Certainly more than paying one's taxes and keeping out of the police court. Governor Roosevelt complains of the crass ignorance of the so-called educated classes regarding the functioning of government. A educated classes regarding the functioning of government. A knowledge of civil government may increase an individual's value to his state and community, but such knowledge is of little value without an interest in one's fellow men. None of the many young men and young women of Newton who this month have graduated from institutions of higher learning are entitled to consider themselves good citizens unless they stand ready to engage in some line of endeavor for the public good. There are enough opportunities for the exercise of good citizenship here in Newton to offer a direct challenge to everyone, of these trained young people. Our churches, welfare projects, fraternal societies, organizations for community betterment and our city government cover every side of our betterment and our city government cover every side of our community, civic and religious life. Here is a challenge sufficient to develop the best of which these newly graduated young people are capable.

AUTOMOBILIST SELFISHNESS

We have had an excellent opportunity the past few weeks to observe automobile traffic on a busy residential street. The outstanding fact of this observation is to emphasize the utter selfishness of some motorists. With an arrogant honk of his horn he shoots ahead of other cars which have the right of way, he passes other cars on a hill contrary to law, and he pays far less attention to traffic conditions than he does to laughing and joking with his passengers. Another manifestation of his ego is the parking of his car directly opposite another car across the street, instead of parking 50 feet ahead or behind the other car and leaving a free passageway for other drivers. We suggest to the police authorities that traffic conditions on Centre street near Hollis street might be improved. be improved.

A GOOD OPPORTUNITY

The Newton Welfare Bureau and the Newton Federation of Women's Clubs are assisting in the collection of books to form a library for adult patients at the new Middlesex Tuberculosis Hospital which is nearing completion. All kinds of books are needed. Here is your opportunity to put to a good use those unwanted books that have long been on your bookshelves or stored away in a corner of the attic. Send any you can donate to the nearest branch of the Newton Free Library.

Newton residents were prominent in the number receiving honorary degrees at the Commencement exercises this week. Hon. Fred T. Field was granted the degree of LL.D. at Dartmouth Prof. Frank P. Spears, president of Northeastern University received the degree of LL.D. from his own college, while Mr. Harrison P. Eddy received the degree of Eng.D. from the same college, and Allston Burr was awarded the degree of Master of Arts from Harvard.

We have entered a protest several times recently on the great danger to automobile traffic where high hedges obstruct the view. We note that this admonition fell on heedless ears, and we only referred to the matter to call attention to an accident this week near Vernon court, due in part to hedges, stone wall and all-day parking.

POLICE NEWS

In the Newton court on Wednesday several autoists were fined for not STOPPING before entering through streets. Wesley Keigwin of Framingham was fined \$5, John Lavery of 29 Gardner street, Newton \$5; Kenneth Johnson of Winthrop, \$5. Dorothy Hall of 150 Ridge avenue, Newton Center, was fined \$10 for speeding. Charles McIvain of Pennsylvania, a Harvard student, was fined \$50 for driving while under the influence of liquor. A charge against him of driving without a license, was dismissed.

F. Jeanette Smith of 2221 Washington street, Newton Lower Falls, was fined \$10 in the Newton court yesterday for keeping a viclous dog. The charge against Miss Smith was "keeping a barking and biting dog." The Smith dog bit so severely a dog owned by Miss Florence FitzGerald of Grove street, Newton Lower Falls, that the latter dog died. Miss FitzGerald is head of the Welfare Department of this city. George M. Heathcote was attorney for Miss Smith and had

fined \$5 in the Newton court yesterday for speeding.

Frederick Waters of Baltimore, Maryland, who was residing temporarily at 40 Chestnut street, Waltham was fined \$100 for driving while under the influence of liquor in the Newton court on Saturday. He was arrested at 2 a. m. that morning by Serg. Sheridan and Patrolmen Geegan and Mullen.

Mayor Sinclair Weeks brought the greetings of the city and Mr. Frank L. Richardson, executive vice-president of the Newton Trust *Company, brought the greetings from the other prepresented the Massachusetts Savings Banks Association. Mr. Whittemore brought the greetings of these banks. banks

The Patriotic and Educational Committee of the Lydia Partridge Whiting Chapter, D. A. R., spent a most pleasant afternoon last Thursday when Mrs. John Henderson and Mrs. Arthur Sawyer visited the Stearns Bowen, Franklin and Emerson schools of Newton and presented to each one of the nineteen foreign born mothers, who had the most, perfect attendance a framed picture of George Washington. A large framed picture of Ms. Vernon was hung for three months in the Stearns School showing that their percentage of attendance was highest.

A very interesting fact was that one mother about sixty years of age lost by only two hours. She was so near that an extra picture was given her. This seemed to please all as the woman was quite a favorite with them.

Mrs. Stella Houghton of Allerton road, Newton Highlands, and 13 other residents of the section nearby, sent a petition to the Newton School Committee asking that a kindergarten be established in the new John W. Weeks junior high school because dren the long distance to the Rice

ACQUITTED OF ARSON

John B. Richardson of Arlington who had been on trial for over a week at the Superior Court at Cambridge on the charge of arson, was found not guilty by a jury yesterday morning. He was charged with having caused the burning of the large old dwelling on Cotton street, Newton, used in late years as the DeWitt Clinton School. When the Newton firemen arrived at this building last winter it was fiercely blazing and 25 cans were found scattered throughout the building, most of which had contained inflammable liquids. The insurance on the old structure amounted to \$45,000.

ALLEN KERNS KILLED

Allen Kerns, son of Shirley K.
Kerns, headmaster of the Newton
Country Day School for Boys, was
killed in an automobile accident near
Winsted, Connecticut, last Friday. He
was born in New Bedford August 5,
1910, graduated from Country Day
School in 1929 and was a member of
the class of 1933 at Williams College,
Besides his parents he is survived by
a brother, Kendrick Kerns, two sisters, Mrs. George M. Wheeler of
Bridgeport, Connecticut, and Miss Eleanor Kerns of Newton, and his maternal grandparents, Mr. and Mrs.
Henry P. Richardson of Concord. His
funeral service was held Monday afternoon at Grace Church, Newton.
Rev. Richard Preston officiated and
the pall bearers were Hamilton Young,
Albert Pratt, David Morse, Valerio
Montanari, John Holland and Richard Goodwin, all classmates of the deceased young man at Williams College.

LYDIA T. ANSLEY

Mrs. Lydia T. Ansley of 11 Fern street, Auburndale, died on June 15, at the age of 71. She was born in Bridgtown, Nova Scotia. Funeral services were in the Church of the Messiah, Auburndale, the Rev. Perdival Wood officiating. She was the wife of John A. Ansley, and is survived by her husband and two children, Doctor Charles D. Ansley and Miss Sara Ansley both of Auburndale.

Recent Deaths

PATRICK J. GREENE

PATRICK J. GREENE

Patrick J. Greene of 4 Hersey street, Newton Highlands died on Saturday, June 13 in his 37th year. He was a life-long resident of this city and was a member of Company C, 101st Infantry during the World War. He served in France for 18 months and was badly gassed during the Argonne campaign. As a result of this gassing he had been an invalid for the 'past two years and was a patient at veterans' hospitals. He returned to his home several months ago when hospital treatment had failed to improve his condition. He is survived by his widow, Mrs. Margaret Greene, three children; two sisters and three brothers. His funeral service was held Tuesday morning at Mary Immaculate Church, Newton Upper Falls. Delegations were present from Newton Post, American Legion; Yankee Division Club and Company C, 101st Infantry. Military honors were accorded at St. Mary's Cemetry in Needham, where interment took place.

MR. ARTHUR F. NEWEY

MR. ARTHUR F. NEWEY

Mr. Arthur Francis Newey, age 40 years, husband of Mrs. Minnie Greenleaf Newey of 937 Chestnut street, Upper Falls, died at the Newton Hospital on Saturday, June 13, following a two weeks' illness.

He is survived by his wife, Minnie Greenleaf Newey, six children, Barbara, Donald, Chester, Ruth, Paul, and Eleanor, also his parents, Mr. and Mrs. Thomas Newey, 2 brothers, Mr. Fred C. E. Newey of Needham Heights, Mr. William Newey of Cohasset and one sister, Mrs. Agnes Newey Leighton of New Haven, Conn., Mr. Newey was born in Athol, Mass., and came to live in Upper Falls when a small boy. He was a member of the First M. E. Church of Upper Falls, The Wesley Bible Class for Men and Sons of St. George. Funeral services were held from the First M. E. Church Upper Falls Tuesday afternoon at 2 p. m. Rev. G. Vaughan Shedd, pastor, officiating. Burial was in the Needham Cemetery.

MARION Y. COBB

Mrs. Marion Young Cobb of 11 Lucas court, West Newton, wife of Leon Cobb, died on June 15th in her 35th year. She was born in Glasgow, Scotland, and had resided in this city for 11 years. Besides her husband she is survived by her parents, Mr. and Mrs. James Wood of Wellesley. Her funeral service was held Wednesday afternoon at Lincoln Park Baptist Church; Rev. John S. Franklin officiated. Burial was in Newton Cemetery.

Recent Weddings

Miss Emily Prescott Warren, daugh Miss Emily Prescott Warren, daughter of Mrs. Prescott Warren of Newton, was married to Travers Denton Carman, son of Mr. and Mrs. Travers Denton Carman of 56 Commonwealth avenue, Chestnut Hill, on Wednesday, June seventeenth, at the home of her mother, 638 Centre street. The ceremony which took place at five in the afternoon was performed by Rev. Adelbert L. Hudson of the First Parish in Dorchester, who was formerly of the Channing Church, Newton, and who officiated also at the christening of the bride.

of the bride.

The bride was led to an improvised altar in the music room by her uncle, Mr. Leicester Warren of Springfield, and was given in marriage by her mother. Her wedding gown of au-

field, and was given in marriage by her mother. Her wedding gown of antique Ivory satin with a train was trimmed with duchess lace which belonged to her grandmother. Her shower bouquet was of illies of the valley and orchids. She was attended by Miss Rosamond Cutler of Bay State road, Boston, and by her cousin, Miss Augusta Hallett of Newton. They were gowned in pink shaded mouseline de soie with pink sashes and matching picture hats and carried talisman roses and larkspur. Two small cousins of the bride, Nancy Warren, daughter of Leicester Warren of Springfield, and Frances Edgar Stanley, daughter of Mr. and Mrs. Raymond W. Stanley of Brookline, acted as ribbon-bearers.

The best man was Edward H. Fay of Milton.

On their return from a wedding trip Mr. and Mrs. Carman will reside at 638 Centre street, Newton.

The bride is a graduate of the May School, class of 1927 and was a member of the class of 1923 at Radcliffe. The groom is a member of the 1931 class at Harvard. He is a member of the Longwood Cricket Club and Sharon Country Club.

on Country Club.

Following the ceremony a reception was held at the home of the bride

was neft at the home of the order where the couple were assisted in receiving by Mrs. N. Barry Fitzgibbons, mother of the bride and Mrs. M. N. Kenney, mother of the groom.

Mr. and Mrs. Kenney left on a wedding trip to New York and Canada and on their return will reside at 280 Walnut St., Newtonville.

RAMSEY-COVELL

Miss Elizabeth Walton Covell, daughter of Mr. and Mrs. William Walton Covell of Newport, Rhode Island, was married to Lieutenant Donald James Ramsey, U. S. N., son of Mr. and Mrs. James Crosby Ramsey of Newton, on Friday, June thirteenth, at the home of her parents. Rev. Dwight F. Mowery of Channing Memorial Church officiated.

Miss Elizabeth Olmstead of Evanston, Illinois, was the maid of honor and the bridesmaids were Miss Dorothy Sawyer of Bronxville, New York, Miss Louise McCoy of Winet, Ill., Mrs. John Simmons of Scarsdale, New

Miss Louise McCoy of Winet, Ill., Mrs. John Simmons of Scarsdale, New York, and Miss Dorothy Hayes of Newport. All were classmates of the bride at Vassar College.

The best man was Lieut. Arthur D. Barnes. The ushers, all in full uniform, were Lieuts. Cameron M. Winslow, Jr., Beverley E. Conover, Edward W. Rawlins and Edmund B. Taylor. They were all members of the class of 1924 at the Naval Academy with the groom.

DOW-DAVIDSON

DOW—DAVIDSON

Miss Sally Ludlow Davidson, daughter of Mr. and Mrs. Wm. J. Davidson of 99 Aspen avenue, Auburndale, was married to James Arthur Dow, 2nd, son of Mr. and Mrs. Clifford W. Dow of 56 Columbus street, Newton Highlands, on Saturday afternoon, June thirteenth, at St. Stephen's Church, Cohasset. The ceremony was performed at four o'clock by Rev. Boynton J. Merrill of West Newton, assisted by Rev. Charles C. Wilson, rector of St. Stephen's.

The bride was attended by her sister, Miss Anne Davidson, as maid of honor. The bride was attended by her sister, Miss Anne Davidson, as maid of honor. The bride was attended by Mrs. Clifford Miller of West Newton, Mrs. Alexander Lane of West Newton, Mrs. Alexander Lane of West Newton, Miss Eleanor Vaughan of Arlington, and Miss Virginia Stone of Columbus, Ohio. Kenneth Dow, brother of the groom, was the best man.

The ushers who were under the direction of Winfield Robinson were Alexander Lane, Clarence Atkinson, Clifford Miller, Lincoln Dow and Hugh Bancroft, Jr.

A reception attended by more than three hundred guests was held at the summer at Cohasset.

On their return from their wedding trip Mr. and Mrs. Dow will spend the remainder of the summer at Cohasset, returning to Newton about October first.

The bride attended the Choate School in Brookline and completed her education at Mt. Holyoke. The groom attended Worcester Academy and New Preparatory School, Cambridge.

WHAT! NO HOT WATER?

1 ½-Ton 131-inch Stake Truck—Price, including body \$710. Dual wheels optional \$25 extra. With 157-inch wheelbase, including body \$810, dual wheels standard

Ton for ton mile for mile Chevrolet six-cylinder trucks cost less to operate

To place your hauling on a minimum-cost basis—and keep it there—put Chevrolet six-cylinder trucks to work. Leading firms everywhere are practicing this sound economy. They are finding, by experience, that Chevrolet trucks give a lower transportation cost than any other trucks of equal capacity.

Take fuel consumption. Chevrolet has definitely disproved the old theory that a six uses more gasoline than a four. Because of modern, efficient engine design, Chevrolet sedan deliveries are frequently giving 20 miles to the gallon or better; and Chevrolet 1½-ton trucks are making records that are relatively just as high.

Then there is the matter of upkeep. On account of the ruggedness of Chevrolet bodies and chassis, service expense is held to the absolute minimum. "20,000 miles without opening the engine for service," "Always on the job," "It just goes and goes and goes" are typical remarks of Chevrolet six-cylinder truck operators. And from the standpoint of long life, many a Chevrolet speedometer reads 50,000 miles or more, yet the truck is still giving reliable service at low cost.

In picking out a motor truck, it's wise to buy as big fleet operators are buying—choose six-cylinder Chevrolets. A wide variety of Chevrolet-built bodies is now available. And delivered prices of Chevrolet trucks, complete and ready for work, are based on low chassis-cost and low body-cost, plus only reasonable charges for handling and financing.

Chevrolet 1½-ton chassis with 131" wheelbase \$520 1½-ton chassis with 157" wheelbase, \$590 Commercial chassis, \$355

(Dual wheels standard All truck chassis prices f. o. b. Flint, Michigan. All truck body prices f. o. b. Indian apolis, Indiana. Special equipment extra. Low delivered prices and easy terms.

AUBURNDALE WOMAN FOUND DEAD

Cecilia G. Farnum, 79, who resided alone in a garage at the rear of 1883 Commonwealth avenue, Auburndale was found dead early Thursday afternoon by Inspector Irving House of the Board of Health who went to the place to investigate sanitary conditions. Receiving no response when he knocked on the garage door, he entered and going upstairs to a room on the upper floor found the aged woman sitting in a chair dead. According to the medical examiner she had been dead apparently at least 24 hours. She had died from natural causes.

She was a native of Pittsfield, Maine. Her funeral service was held on Monday and burial was in Med-ford.

MIDDLESEX COURT, M. C. O. F.

Middlesex Court, M. C. O. F. will hold an entertainment and dance on sday evening, June 23rd at Elks Hall, Centre street, Newton. A very enjoyable evening has been planned by the committee and members are invited to attend. The committee includes Kathryn Hannon, Chairman; Maisie Shea, Ruth Vahey, Louise Va-hey, Mary Coffey, Mary Murphy, Ruth Shea, Alice Merritt, Katherine Ter-rio, Eleanor Mulcahy, Anne Hannon.

ONE THING AND ANOTHER By L. D. G. BENTLEY

by the Graphic. Had an idea Newton folks, who like their quite and plenty of it, wouldn't stand for dumbtongued bells on the Fourth of July. Been reading about those fascinating Aran Islands and other places where travelers get a big thrill. It's made me wish the Newton Steamship Agency (Warren Brimblecom and Ed Powers) were fixing me up with transportation and accommodations on one of their lines. Well next year of the year after, if I have luck, I'll be doing business with them.

The Payroll Vou Help Provide
I have often envied the astronomer his facility for recling-off figures such as so-many-thousand miles from the earth lies this or that planet and the number of years it would take to travel from your front door to some place in a certain constellation. It always make me take on a blank expression and I sit ga-ga while this amazing knowledge is spread before me.

It is with a desire to put you, faithful reader, into a similar state that I would call your attention to the figures I casually gathered when I saw members of the Massachusetts Legislature receiving their pay. The General Court finished its business one evening last week and no sooner had final adjournment been announced than several score of legislators descended upon the State Treasurer's office. They are paid \$2000 a month while the exception of the presiding officers of the two branches each of what it costs our Commonwealth to have 240 Representatives and 40 Senators. But that doesn't include the salaries for clerks, assistant clerks, Senate and House counsel, messengers, pages and others who are employed in the chambers or offices of the General Court. Approximate 19 \$140,000 is necessary to meet the payrolls on which these employes appear.

It may interest you, especially if you are a commutter and have to long the provide and the pro

Some Quick Passes

One of the best things I seem to do is to add to my store of useless knowledge. Well, be that as it may or may not, I am sure that I proved a statement made recently in this column that people write more letters in rainy weather than fine. Have had plenty of opportunity to demonstrate the first part of this month, too. In my own case I found my correspondence so great I came near telephoning the Mayor's Office to ask "Jim" Dempsey to give me a lift. If there's anybody who can go through a stack of piled-up mail quicker than "Jim" I'd be glad to give him some free publicity. But there's no such feller.

Now that we've got around to City Hall I'm glad that they're not going to alter the plans for the new structure. Outside of the question of poor economy the heads of departments long enough. In fact, I've never understood how Frank Grant and Frank Newhall and all the others got so much work done. With City Hall folks accomplishing all they have under such obstacles just think of what they'll be able to do in a nice big roomy building.

I can see where "Joe" Murray, the Alderman, is going to put in a lot of time this summer looking over the street construction as head of the Public Works Committee. Hope he gives me some rides around with him while he's doing it.

We're going to hear the bells ring on patriotic holidays hereafter, I see by the Graphic. Had an idea Newton folks, who like their quiet and plenty of it, wouldn't stand for dumbtongued bells on the Fourth of July.

Been reading about those fascinating Aran Islands and other places where travelers get a big thrill. It's won the him the proventents on the banks of the Connecticut river.

Y. M. C. A.

The Second Annual Industrial Conference of Massachusetts and Rhode Island is to be held at Camp Frank A. Day on Saturday and Sunday, June 20th and 21st. The theme is "Stabilization of Employment." The President of the Conference is Colonel B. A. Franklin, Vice-President of the Strathmore Paper Company, Springfield. Among the speakers will be H. Russell Beatty, President of the Young Men's Council of Massachusetts and Rhode Island, who is connected with the General Electric Company of Lynn: Edward O. Otis, Jr., Industrial Relations Adviser. Associated Industries of Massachusetts; Lawrence Richardson, Chief Mechanical Officer, Boston and Maine Railroads; and E. C. Worman, Senior Secretary, Industrial Department, National Council, Y. M. C. A.

Dr. Arnold Evert Look of the Springfield Y. M. C. A. College will be the speaker on Sunday morning. David Black of the H. D. Foss & Co., who resides in Newton, will preside at the Sunday morning meeting. Mr. C. D. Kepner, Mr. Frederic D. Fuller, President of the Newton Y. M. C. A., Mr. Fred L. Smith, Mr. D. Webster Anders, Mr. Fred A. Hawkins, and Mr. H. W. Bascom will probably attend. Mr. Clyde G. Hess, Director of the Camp, has been at Camp getting everything in readiness for the Conference.

Tennis

Twenty-one have entered the Singles Tennis Tournament and nine teams have entered the Doubles Tournament which are being held at the Newton Y. M. C. A. courts. The winner of the singles tournaments last summer, Gordon Kitchin, will defend his title. Kitchin with R. Coombs also won both doubles tournaments last summer, and they will team together again. The singles matches are L. Warren vs. R. Marsh—won by Warren, 6-1, 6-1; L. C. Kepner vs. R. Avigdor; P. Prese, bye; H. Fitts vs. W. Dynes — won by Fitts, 6-2, 7-5; G. Carter vs. F. Eastman; G. Kitchin vs. C. Koumpian—won by Kitchin, 6-2, 12-10; L. Trowbridge vs. J. Irving; R. Coombs vs. W. Chase; T. Bassett vs. J. Carr—won by Bassett, 8-6, 2-6, 6-2; K. Gerritson vs. Rev. K. Gesner—won by Gerritson, 6-4, 4-6, 6-3; and A. Jacobs vs. R. Andrews—won by Jacobs, 6-0, 6-0.
The doubles matches are W. Lansed

R. Andrews—won by Jacobs, 6—0, 6—0.

The doubles matches are W. Lansed and R. Clarke vs. K. Gerritson and R. Avigdor; L. Bills and J. Irving—bye; G. Kitchin and R. Coombs vs. A. Jacobs and R. Marsh; F. Eastman and J. Carr vs. L. C. Kepner and L. Trowbridge — won by Kepner and Trowbridge, 5—7, 6—3, 10—8; and W. Dynes and G. Carter vs. L. Warren and Rev. K. Gesner—won by Warren and Gesner, 11—9, 6—4. A match with the Boston Y. M. C. A. Tennis Team will be held at the Newton "Y" courts Saturday afternoon, starting at two oclock.

Baseball
Only one game was played last week by the Senior Baseball Team of the Newton Y. M. C. A. as the other two twilight league games were postponed on account of rain. On Saturday afternoon the "Y" played the Wot Not Club of Waltham and defeated it 15 to 5. Tonight the "Y" will play a twi-light league game with the Auburndale B. B. C. at Aubūrndale and on Saturday an independent game with the Methodist Church of Watertown at Victory Field, Watertown.

Presided over by Miss Mildred E. Manter the Director, and a resident of Newton the annual Recognition Day exercises of The Children's Museum of Boston were held under unusually fine weather conditions last Saturday.

In the Superior Court at Portland, Maine, on Monday a jury awarded damages against Harry Bauckman of Newton of \$4889 in favor of Dr. Walter A. Kimball and his wife. In an automobile accident near New Gloucester, Maine, on February 16, Mrs. Kimball received a broken leg and a broken wrist; Dr. Kimball had ribs broken wrist; Dr. Kimball had ribs broken. She was awarded \$3000 and Dr. Kimball was awarded \$1889.

COMMONWEALTH COUNTRY CLUB

Saturday afternoon, June 20, will witness the last Play-As-You-Please Plazza Party of the season at the Commonwealth Country Club, Chestnut Hill.

Mrs. Ray T, Langenbach and Mrs. Robert S. Wayland of Brookline are directing this affair and they will be assisted by Mmes. Henry John Horn, John F, Malley, H, C, Perry, Albert E. Stevens, Flynn J. Wells and John Winslow.

Holmes, Richard F. Jarrell, Stanley T.
Johnson, George R. Lamb, John W.
MacLellan, Vincent J. Signore, Douglas Sloane. las Sloane.

Newton High is represented on nearly all the all-scholastic baseball teams chosen recently in addition to the all-Suburban team announced last week. Last Saturday the Traveler team as chosen by Walter Kiley gave Newton High one place when Warren Huston was named as shortstop. In speaking of Huston the Boston-writer says "What a keystone pair Messina (Medford player chosen for second base) and our shortstop. Warren Huston of Newton, would make! The latter is only a sophomore but the graceful manner in which he plays his position has made him the talk of the suburban league season. Unknown a year ago, there is none who remotely approaches him and if he continues to improve in his junior and senior years, Newton will have big league seouts parking on its campus grounds."

Monday morning Jerry Nason of the Roston Clobe announced his nomina.

grounds."

Monday morning Jerry Nason of the Boston Globe announced his nominations for all-scholastic, all-Boston, all-Suburban, all-Mystic Valley, all-Catholic, and all-Middlesex league teams. He also gives a list of youths considered in making the selections.

Hyston made the all-scholastic and

Perkins, Alexander Kevorkian, Joseph J. Wastorier, she did not return with the \$9 Murphy reported the matter to the police. A warrant was issued for the woman's arrest and when she was to go on trial Saturday morning. Cavallo came to police headquarters and stated he had taken the bill from Murphy. Cavallo was then arrested and brought before the court. The cases were continued until Wednesday when the Castagnino woman was found guilty of making an illegal sale of liquor and fined \$100. For the larceny of the \$9 she was fined \$25. Cavallo also was fined \$25 for larceny and ordered to make restitution of the \$9.

George McLean of Ingleside road, Wellesley was fined \$5 in the Newton court last Friday for driving the wrong direction on a one-way street, According to Patrolman McLaughlin the Wellesley man was quite indignant when apprehended and asserted he would fight the case.

by exercises of The Children's Minseum of Boston were held under unusually fine weather conditions last Saturday.

Summer activity has began and one of the most alive undertakings will be the welcoming of boys and girls from the Boston playgrounds that come by the bus load for visits to the Museum, a motion picture on nature or travel, picnic lunch on the grounds and an inspection of the exhibits, Last summer over 6,000 visitors came from the playgrounds of Greater Boston alone. But they are only six of thirty-six thousand!

Field trips in the summer, special exhibits, the Saturday motion pictures are all attractions cited by Miss Manter as drawing cards for both young and older visitors.

At the close of the presentation of wavards a small girl in her turn presented the Director with a bouquet of mixed flowers in the pink, white and yellow shades. Miss Manter has recently returned from the convention of The American Association of Museums at which she took the office of Councilor, the only woman in agroup of ten to be elected to this office and the third woman in the country to be on the Association Council since its creation.

by ARTHUR BRISBANE

How to Fight Depression. Wicked Russia Again. Lindbergh's Next Day. 4% Beer? Hardly.

Merchants of New York, Chicago, Seattle and elsewhere have proved that the best weapon against depression is intelligent advertising.

Goods are cheaper, get them, sell' them at low prices, let people know you have them, and business will improve.

Mr. Jesse I. Straus, one of the ablest New York merchants, following a very able and energetic advertising campaign based on goods and prices, announces an increase now of 42 per cent in the number of sales. And, what is more important, the fact that it became necessary to hire more than 800 additional employes to take care of the demand created by good advertising.

There is little good to have what the people want unless you let the people know that you have it. Mr. Straus, and his two younger brothers, Percy and Herbert, understand that.

Britain discovers that Russia em-Britain discovers that Russia videology slave or convict labor and is shocked, now that Russia undersells Manchester. Russia replies: "Well, you pay your workers just enough to keep pay your workers just enough to keep alive and go on working. What is the difference?" And Russia continues her sinful

practices, actually competing with and underselling the great "capitalistic" The latest news affects cotton grow-ers. Russia has sold, at Liverpool, one hundred and sixty-three thousand small bales of cotton, from Turkestan,

at three dollars a bale below our cheap price.

There may be something in the suggestion of a distinguished British economist that Britain and America lend Russia money, thus making it unnecessary for her to dump goods at any price to continue her industrial

Mr. Coolidge, who thinks deeply, quotes Henry Ward Beecher in a statement that our system of government and business is a failure. When Beecher was told that Christianity had failed, he replied, "It has never been tried." Mr. Coolidge observes that the Ser-

mon on the Mount is neglected even after two thousand years of preaching. Our social and religious systems are sound, but we human beings are imperfect. We are also dull. We have millions of idle money and capacity for production unlimited, and we do not know what to do with the money. Storing

it in piles of gold. Tomorrow this Government could raise ten billions. More than seven billions were offered Mr. Mellon a few days ago when he asked for eight hun-dred million dollars, paying only 31/6

per cent interest.

We have it, but do not know how to use it, all of our intelligence being trained in accumulation, none in dis-

Lindbergh remembers the question that Napoleon used to his marshals when they reported a victory: "What did you do the next day?" This is "the next day" for Lindbergh, and he intends to fly, with his wife, to Japan

dle of the ocean, and no matter what happens" this time. And he will fly a ship that can land on water. While Colonel Lindbergh prepares for his trans-Pacific flight, which he

and China, over the Pacific Ocean.

Because his wife is going, Colonel
Lindbergh will fly over a northern
narrow stretch of the Pacific, no "mid-

calls "a vacation trip," Wilkins starts with his submarine for the North Pole. The human mind soon becomes ac-Wellesley Co-operative Bank. Supposed present owner, Asa B. Mrs. Norris spent two delightful days at Camp Mary Day this weekend. The patrol leaders had charge of the hike and made all the plans for it. They made out the menus, and bought the food. The cooking was done over a fire in the open. They considered it the best hike they had ever had. The weather was warm so the girls enjoyed two delightful swims.

PARAMOUNT THEATRE

A program of varied subjects will be offered next week at the Para-mount Theatre, Newton. Wm. Powell and Kay Francis in "Ladies Man" is the feature for the first half of the week. Reginald Denny and Charlotte Greenwood in "Stepping Out" from the stage play of "So Long Letty" are on the same program. Lelia Hyams and a big cast support the two popu-lar stars.

lar stars.

For the last half of the week "Front Page," a tense drama of newspaper life with all its human thrills and suspense, is the feature. Adolph Menjou and a great cast including Mary Brian, Edw. Everett Horton, Pat O'Brien, Slim Summerville and others take the principal roles. On the same bill is "Bad Sister" with Sidney Fox and Conrad Nagel in a Booth Tarkington story.

CONFERENCE ON GIRLS' RECREATION

NEWTON COMMUNITY CLUB

Members of the Newton Community Club are cordially invited to attend a picnic on Tuesday, June 23rd, or if that day is stormy, on Wednesday, June 24th, at the Guion Farm in Ashland, Mass. Those who attend are asked to bring a box luncheon and the hostess will provide coffee and lemonade. All who are planning to go should phone the hostess, Newton North 4357, at once, and it will be appreciated if they can spare any extra seats in their cars. Those who are driving will take the road from Framingham to Ashland, follow line of B. & A. tracks, continue on road to Hopkinton, cross concrete bridge, join oiled road. Then turn on second right, Cross street, a blind turn into narrow, safe country road. The house is the first on the left. Those going by bus should leave Newton Corner on the Framingham bus at 9.30. In Framingham take Hopkinton bus at B. & A. station. Get off at Cross street, Hopkinton and walk to first house on left. Members of the Newton Community

MAN FATALLY SHOT AT NEWTON CORNER

CONFERENCE ON GIRLS' RECREATION

The weather, responsible for so many disappointments, made it necessary for the guests of the last Webfare Conference to imagine themselves at the Girl Scout Camp, Mary Day, where it had been planned to hold the Conference on Wednesday, June 10. Instead the Newton Highlands Girl Scout Committee served a luncheon in the pleasant would help and the Conference on Wednesday, June 10. Instead the Newton Highlands Women's Club.

Mrs. Stephen E. Wright was elected Chairman of the Conference, and Mrs. Reginald H. Bankart, Secretary.

Miss Caroline L. Freeman, director of the Newton Scouts, told the story of the scout camp. During the summer 250 girls enjoy the outdoof the scout camp. During the summer 250 girls enjoy the outdoof the scout camp. During the summer 250 girls enjoy the outdoof the scout camp. During the summer 250 girls enjoy the outdoof the scout camp of the very of the scout camp. During the summer 250 girls enjoy the outdoof the scout seaders experted to control of the scout camp of the very of the scout faders experience of "real camp ing" by taking an over-night like not all other ways as independent of outside resources as a camp in the deep woods.

At a small camp like Mary Day, having room for only 35 girls at a time, the scout leaders set closer to the girls than in a whole winter of tests intimate contacts. Miss Freeman augment of the shooting and were told that there had been no quarrel between Dart and Bernard at that place by Mrs. Girca Dart, wife of the accused. The police were also informed that Dart had not been living at home for increase of the nome of the scouts. With the next older groups the interests are those of the house of the Newton community Centres and the scout of the West Newton Community Centre, and she could beat Miss Sandoline of the West Newton Community Centre, and she could be at Miss Sandoline of the West Newton Communi

While the federal census figure show that for the state as a whole the foreign born portion of the population of Massachusetts decreased 22. 1800 of Massachusetts decreased 22, 888 from 1920 to 1930, during this same period the foreign born population of Newton increased from 19,175 to 13,557. The colored population of the city also showed an increase. In 1920 it stood at 561 while in 1930 it was 630. During this same period the native white population of the New-tons increased from 35,296 to 51,049, while the total population increased from 46,054 to 65,276.

Resigns As Head Of Animal Rescue League

Wm. E. Brigham To Retain Interes

William E. Brigham of Newtonville, who has been the executive head of the Animal Rescue League of Boston for more than a year, has resigned that position, which he accepted temporarily, and been succeeded as managing director by Robert F. Sellar of St. Louis, for eight years the successful executive secretary of the Missouri Humane Society. Mr. Brigham retains the editorship of Our Fourfooted Friends, the magazine founded and conducted for twenty-eight years by the late Mrs. Huntington Smith, whose publication Mr. Brigham revived last January, and he also is a member of the executive committee of the League, which directly controls its more important current affairs. Under Mr. Brigham's management not only has the fine organization set up by Mrs. Smith been maintained intact but the work of the League has been expanded materially, including important developments which have extendend much-needed protection to the animals on Cape Cod. He also has been of great assistance in developing beautiful Pine Ridge Cemetery, maintained ed much-needed protection to the animals on Cape Cod. He also has been of great assistance in developing beautiful Pine Ridge Cemetery, maintained by the League at Dedham, where is buried the famous dog Igloo, which accompanied Admiral Richard E. Byrd on his trips to the North and the South Pole. Mr. Brigham's own dog, Rex., a lovely English Chow familiar by sight to many of the residents of Newtonville, which died a week after Mr. Brigham had been taken seriously ill in the spring, is buried in the same cemetery, and in due time his grave will be marked with a bronze tablet reading, "He was nobler than most men." Mr. Brigham is still in delicate health, and he and Mrs. Brigham will spend next week with relatives on Cape Cod.

SUSPICIOUS FIRE AT NEWTON

A fire which had appearances of incendiarism gutted the large dwelling at 41 Washington street. Newton, shortly after midnight Monday. The house was the residence of the late Nathan Scheinfain who ran a furniture factory on Chapel street. Newton, and who died recently. It had been occupied since Mr. Scheinfain's death by his two sons, Alfred and Everett Scheinfain, and a caretaker, John Connolly. None of the three were at home when the fire occurred.

The blaze was discovered by Bernard Pullman who was passing by on his way to his home at 12 Merton street, nearby. He notified Patrolman William Whelan who pulled an alarm from Box 126 at 12:28 a. m. Tuesday. When the firemen reached the house and entered it they found two fires going. One had apparently started in the bathroom; the other in a closet quite removed. Both fires worked up through partitions badly gutting the upper part of the house. Furniture and furnishings in the lower part of the dwelling were badly damaged by water. The damage is estimated at several thousands of dollars. An investigation of the fire is being made by the State Fire Marshal's office.

JOHN A. ANDREW HOME

Forms To Close Earlier Next Week

Due to the fact that July 4th comes on Saturday this year and that there will be no mail delivery that day, the forms for next week's Graphic will close Thursday at noon. Advertisers and correspondents should have their copy at the office by Thursday morning. All local subscribers should receive their copy in Friday afternoon's mail.

Mr. Herman, and the playground department.

The increased number of pools, the greater accessibility of beaches and natural bathing facilities, and the larger attention being given to water sports in school, colleges and organized playgrounds, gives to the water safety program of the American Red Cross steadily growing importance.

Last year 52,798 candidates successfully passed the rigid Red Cross lifes saving tests and were authorized to wear the official insignia. This represents an increase of 5,900 persons, or 12½ percent over the preceding year.

year.

The Red Cross directs its life-saving efforts toward removing water hazards as far as possible. It urges safety, in the cause of greater enjoyment, as well as the actual prevention of death. Many of its chapters provide full-time or part-time instructors in of death. Many of its chapters provide full-time or part-time instructors in the summer months to teach young and old how to swim, how to avoid dangers while swimming, and how to save the lives of those in danger.

The prone pressure a thoo of artificial resuscitation as taught by the Red Cross in its life-saving courses, has saved thousands of persons overcome while swimming. It has also saved many lives in cases of asphyxiation or electrocution.

Thomas Greathead, 48, of 43 River avenue, Newton Upper Falls, was hit by an automobile and seriously injured as he was walking along the sidewalk on Eliot street, Upper Falls, near his home on Wednesday. He received a compound fracture of the left leg and other serious injuries. He was taken to the Newton Hospital in the police ambulance. According to the police ambulance. According to the police report the automobile which hit Mr. Greathead was driven by Ruth Seligman of 66 Linden street, Newton Upper Falls who was learning to drive under the instruction of her brother, Arnold Seligman. As the car rounded the corner of Linden and Eliot streets, the girl lost control and the auto went onto the sidewalk, hitting Greathead.

Miss Margaret Dow of Haverhill tons increased from 35,296 to 51,049, while the total population increased from 35,296 to 51,049, while the total population increased from 35,296 to 51,049, while the total population increased from 46,054 to 65,276.

trench and are so fitted as to be watertight.

The big pipes, 34 feet long and 5
feet in diameter take up much space
along Washington street where they
have been dumped, and have eliminated practically all parking spaces
for automobiles at West Newton, this
same condition will later exist at Newtonville. The big excavation, the
shifting of the large pipes from the
street into the trench, and the large
amount of trucking essential to this
work will cause hazardous traffic conditions and much detouring along
Newton's main thoroughfare the next
few months. Excavation work on the
section at West Newton is expected
to start within a few days. It is probable that work between Newtonville
and Newton will not start for several
weeks as the pipe for this section is
not ready.

LONG DETOUR OFF WASHINGTON STREET

Because of the resurfacing work being done on Washington street, be-tween Wales street and the Charles River bridge at Newton Lower Falls, tween Wales street and the Charles River bridge at Newton Lower Falls, automobiles are being detoured over a long and circuitous route. West bound automobiles must detour from Washington street at Beacon street, travel to Carleton road at Waban, and then proceed along Quineboquin road and over the Wales street bridge to Walnut street, emerging about a third of a mile west of Lower Falls. East bound automobiles reverse this route along the detour. Carleton road, a narrow street, is poorly adapted for the heavy traffic now passing over it. The contractors doing the work have been dumping a considerable amount of material excavated off the street into the gravel pit near the Newton Hospital. This is the pit which caused a number of nearby property owners to attend the last meeting of the Board of Aldermen to protest against conditions there; one of which is the failure of the owners of the pit to refill the big holes, as promised. The material being dumped there from Washington street has served to help this condition to some degree.

DETOURS AT NEWTON CORNER

Washington street, Newton, between Park street and Saint James street has been closed to traffic because of the work being done preparatory to the resurfacing of this section of the street.

Charles River Parkway between the end of Charlesbank road and Faneuil street is also closed to traffic because of the laying of the big Metropolitan water main. There has been a detour from Washington street at Park street along Tremont street and Waverley avenue. Instead of using Charles River Parkway, autoists must detour to Watertown and take the river or travel over North Beacon or Arsenal streets.

AUTO HITS NEWTONVILLE WOMAN

Mrs. Mae Seeley of 84 Withington road, Newtonville, was hit by a Boston Elevated car on Monday morning while crossing Commonwealth avenue, near Brighton avenue, Allston. She was taken to St. Elizabeth's Hospital in the Brighton police ambulance and treated for contusions and lacerations of the scalp and left arm.

Must Restrain All Dogs In Newton

The sixteenth season of Camp Frank A. Day, the Newton Y. M. C. A. boys' camp at Brookfield, Mass., opened today when one hundred and nineteen boys left Newton this morning. Fifty-six are registered for the senior camp and sixty-three for the junior division. A special car, attached to the New York train leaving Newtonville at 9.30 this morning conveyed about half of the group to Brookfield while the remainder went by automobile.

The senior camp has been relocated on the site occupied in former years.

For a long period the newtons must be restrained for the next 90 days. Because of the prevalence of rabies in this, and neighboring communities, Mayor Weeks called a special meeting of the Board of Aldermen on last form the scity for the purpose of passing an ordinance to restrain the dogs in the Newtons must be restrained for the next 90 days. Because of the prevalence of rabies in this, and neighboring communities, Mayor Weeks called a special meeting of the Board of Aldermen on last form the purpose of passing an ordinance to restrain the dogs in the Newtons must be restrained for the next 90 days. For a long period the number of persons bitten by dogs in Newton and nearby places has been on the increase. This is to be expected as with the rapid increase in population of Greater Boston the number of dogs has also increased. The dogs have less space in which to range and conditions for their welfare are much less favorable.

less favorable.

There has been a considerable amount of rabies in this State in late years and within the past few weeks two young men bitten by dogs in Waltham have died from this disease. Many persons in the Newtons, Waltham and other adjoining places have had to take Pasteur treatment. This necessitates 14 inoculations in the abdominal region and is an ordeal which should be prevented by all possible means.

sible means.

The Waitham City Government last week passed an order restraining all dogs in that city and requested cooperation from Newton. After a conference with Dr. Boutelle, Mayor Weeks decided that conditions in Newton did not necessitate a restraining order. But, within two days following this decision it was learned that a dog at Oak Hill had the rables. This animal had been in direct contact with about 40 other dogs. Several other cases of rables in dogs were also discovered and the immediate need of a restraining order became evident.

HUNNEWELL CLUB

The golf committee of the Hunne-well Club has planned a series of matches at the best of the local golf courses during the months of July and August for the club members. The first tournament will be held next week, Wednesday, July 1st, at the Charles River Country Club. At 7.30 there will be a get-together dinner at the clubhouse to talk over future matches. Dan Seaverns is in charge of the events and will arrange four-somes, starting times and handicaps.

as captain in 1933.

Warren has lead the Yale team with the bat practically all this season and finished with an average well above 400. He is quite fast and many of his hits were infield blows that he managed to beat out to first. He has also stolen several bases and placed himself in position to score frequently by so doing. Warren is a one-sport athlete, confining his athletic endeavors to baseball.

In Tuesdav's game Warren played a

In Tuesday's game Warren played a prominent part as mentioned. In the fourth inning Yale opened the scoring with a two run rally. With one run in, a runner on third and none out Warren made his first single to score the second Yale tally. Later Yale filled the bases but the former Newton youth was forced out at the plate atter a short fly had retired one batter. Fletcher was then up with the bases full but Page, Crimson pitcher, bore down to strike him out. Harvard came right back in the first of the fifth to tie the score. Lupien, Harvard captain-elect, was the first man up and was safe when Warren threw high to first after a pretty stop. Two other errors by Yale enabled the Crimson to make it 2 all and the score remained so until the first of the tenth. In the tenth frame Harvard man-In Tuesday's game Warren played

supposed the car was used by the surglar who entered the house.
Peter Bazarian, 45, who runs a shoe repairing shop on Summer street, Newton Centre, was arrested Wednesday on the charge of allegedly assaulting a young Newton Centre girl. The arrest was made by Serg. Sheridan and Patrolman McCormick following a complaint. He was arraigned in the Newton court and held for a hearing on July 20.
George Munn of Dedham was fined \$100 in the Newton court yesterday for driving while under the influence of liquor. He was arrested on June 18 by Patrolman Slavin after this car had hit a tree on Boylston street, Newton Centre, Munn was honest and admitted he had fallen as aleep at the wheel.
Autoists fined \$5 each in the Newton court yesterday for failing to STOP before entering through streets were—David Flower, Wessex road, Newton Centre; Nils Elander, 44 Salists and the street, Newton. Chestnut Hill; Mary Sabine, 360 Hammond street, Chestnut Hill; Faith Foster, Sargent street, Newton. The latter was fined another \$5 for driving without a license in her possession. Walter Redid of Needham was fined \$5 for failing to slow down at a street intersection.

Three young men were in the Newton court on Tuesday charged with

stalled and were caught by the Coast Guard and brought back to the Metro-politan Police to answer the charge of having used the big boat without

IMMUNIZATION OF DOGS

The prevalence of rables in this city causes many dog owners to inquire regarding the immunization of their pets against this dread disease. One dose of immunization serum is regarded as sufficient to safeguard a dog which has not been exposed to an afflicted dog. A dog which has been exposed and needs curative treatment must have six doses of the serum.

Recent Weddings

(Continued from Page 1)

STEVENS-CAMERON

STEVENS—CAMERON

Miss Wilhelmina Marion Cameron, daughter of Mr. and Mrs. George Bigney Cameron, was married to Herbert Leroy Stevens, son of Mr. and Mrs. Walter H. Stevens of 20 Walker street, Newtonville, on Tuesday evening, June 23, at the home of her parents, 393 Newtonville avenue, Newtonville. The ceremony was performed by Dr. Lawrence W. C. Emig. It was also the 34th wedding anniversary of the bride's parents.

Miss Virginia Marguerite Cameron, sister of the bride, of Newtonville, was the maid of honor. The bridesmaids were Miss N. Madeline Cameron, sister of the bride, and Miss Edith A. Stevens, sister of the groom, both of Newtonville, Mrs. Andrew S. Laurie, cousin of the bride, of Auburndale, and Miss Virginia McClellan of Newtonville. The best man was Mr. Bryce M. Lockwood of Roslindale, and the ushers were Edward R. Chappell and George W. Eycleshymer, both of Newtonville, Charles E. Hilliard of South Braintree and Andrew S. Laurie of Auburndale. Miss Phyllis Dowling of Lexington was the flower girl.

The bride wore a gown of antique ivory bridal satin with a long train, and a veil of lace and tulle caught with orange blossoms. She carried a shower bouquet of valley lilies and sweetheart roses. The maid of honor wore pink mousseline de soie with blue satin girdle, blue slippers, and pink mitts, and carried rapture roses and delphiniums. Two of the bridesmaids wore nile green mousseline de soie with yellow satin girdles, yellow slippers, and long recon mitts, and times and long recon mitts and times and long recon mitts and slippers, and long recon mitts and times and long re

and delphiniums. Two of the brides-maids wore nile green mousseline de soie with yellow satin girdles, yellow

HUTCHINS-HUBBARD

OF RELIGIOUS EDUCATION The Norumbega District was represented at the Greater Boston Institute for Vacation Church Workers last Friday and Saturday by the following persons: Mr. Everett Johnson, Miss Dorothy Kenison, Miss Luliona Barker, Miss Faustina Doggett, Mr. Arthur Bowen, Mrs. W. E. Austill, Mrs. Rowland Hill, Miss Ethel Dudley, Mr. Ira L. Chappell. Mr. Johnson and Miss Barker were in charge of certain features of the Institute. Mrs. Ruth G. Williams, one of our training school instructors, gave a talk. Mr. Chappell demonstrated handiwork for boys.
Miss Dorothy Englund of Newton Centre and Miss Barker are assisting at the Springfield and Worcester Institutes, respectively, during the present week.
Plans have been made for a Dis-

ent week.

Plans have been made for a District conference of Vacation Church School workers on a Friday afternoon in July, that the leaders may compare notes as to the progress of their schools and thus learn from one another. This conference will probably be on July 17 and will include light lunch at the Newtonville M. E. church.

GIVEN SURPRISE PARTY

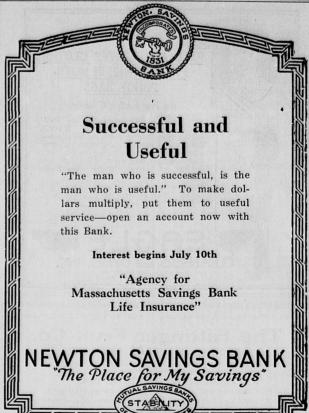

GIVEN SURPRISE PARTY

Mr. George W. Sweet, president of the Studebaker Sales Company of Boston and a resident of Hobart road, Newton Centre, was given a surprise party Monday of this week to mark his recent home-coming from a seven weeks' trip abroad. He was the guest of honor of the Studebaker dealers of honor of the Studebaker dealers of the New England territory at the Copley-Plaza. Following a luncheon in his honor, seventy-five new Studebaker cars, purchased by the dealers, were driven away.

Gerald M. Sullivan, vice-president of the company, presided at the luncheon at which Mr. Sweet was the principal speaker. He told of his travels abroad, discussing particularly the economic and business conditions he observed. He stated that the depression in America is nothing to that which exists in England and on the Continent. In Europe they seem to be willing to wait for something to happen and have been looking to the United States for help. Mr. Sweet described President Hoover's debt moratorium as a life-saver for Europe.

waughter Louise and a group of eighth graders.

MRS Ruth Woodworth of Hyde street, who has been confined to the me and street seems of the control of the street will be a swimming instructor at a mother. After the mother Mark and Mrs. Chapin, formerly of Newton Ch

Camp Mary Day has been a busy place during the past week making, ready for the summer season which will start on Monday, June 29.

The Sea Scouts have been very helpful in painting the boats and also the float, which they have put in place. The canoes look very gay with a new coat of bright blue paint, and the camp is ready with open doors for the girls who are to arrive on Monday.

Miss Freeman, the Local Director, has charge of the camp again this year. She will be ably assisted by Mrs. Skelton and Miss Mildred Moore. Mrs. Ralph C. Hall will again have charge of the nature work and swimming and Miss Samanthia Cressey will come back as Camp nurse. Miss Viola Dilabough and Miss Edna Rice will have charge of the "eats." The camp bugler will be Miss Betty Cudworth. The Misses Virginia Brown, Alice Gallagher, Elizabeth Gallagher, Mary Pope, and Edith Willcox will be the Councillors for this month.

D. A. R. OUTING

It was a very happy party of nearly thirty members of the Lydia Partridge Whiting Chapter, D. A. R., which left Newton Highlands early on the morning of June 23rd for the summer home of Mr. and Mrs. Chester W. Tudbury at Lands End, Rockport, the occasion being the birthdays of Miss Annie Head, founder of the chapter, and Mrs. Crosby, its Chaplain.

The party was met at the station by the host and hostess, who had provided cars for everyone and driven to the historical rooms which were most interesting. Then followed a drive about Rockport, meeting at The Blacksmith Shop where a most delicious lunch was served.

The afternoon was most pleasantly spent at the Tudbury home, which is ideally located within sight of Thatcher's Island and an unsurpassed view of the ocean.

view of the ocean. Mrs. Albion Brown, Regent, pre-ented to Miss Head and Mrs. Crosby sented to Miss Head and Mrs. Crosby from the chapter, pewter vases, suitably inscribed. It was a great surprise to both, but they were equal to the occasion and responded in a very happy manner.

After punch and crackers had been erved, the party broke up unanimous-

CITY HALL NEWS

At the last regular meeting of the Board of Aldermen \$750 were appropriated to complete work on the running track at the high school athletic field. In building the track some soft spots were unexpectedly encountered which caused additional expense. At the same meeting \$3850 were appropri-

spots were unexpectedly encountered which caused additional expense. At the same meeting \$3650 were appropriated for laying water mains in streets and \$19.842 for the laying out and improving of Oakdale road, Jerome and Parker avenues. This work will be done under the betterment law and the cost repaid to the city by abuttors.

At the special meeting of the Board of Aldermen on Monday night \$4000 were appropriated for the Health Department for the prevention and care of diseases. Another appropriation made at this meeting, at the request of Mayor Weeks was \$1234 for the completion of the wire fence around Boyd Park. The fence recently built at this park only partly enclosed this playground. A sidewalk is being constructed along the Jackson road side of the park.

The New Middlesex Tuber-culosis Hospital needs books of all kinds for all kinds of adult patients. Send any you can donate to the Newton Branch Library.

Recent Deaths

WILLIAM E. BROSNAHAN

William E. Brosnahan of 282 Watertown street, Nonantum, a resident of this city for 43 years, died on June 21st. He was born in Cork, Ireland, 68 years ago and for many years conducted a provision business in this city. He retired from active work several years ago. He is survived by his widow, Mrs. Annie Finegan Brosnahan; two daughters, Sister Maria Clare of the Sisters of Charity at Convent Station, New Jersey, and Miss Alice Brosnahan; and five sons—Edward, Peter, Neil, John and Robert Brosnahan. His funeral service was held Tuesday morning at the Church of Our Lady. Burial was in Holyhood Cemetery. William E Brosnahan of 282 Wa

MRS. ELLA M. BATCHELLER

MRS. ELLA M. BATCHELLER

Mrs. Ella M. Batcheller, wife of Edward A. Batcheller, passed away on is Sunday, June 21st, after a long illness. I She was the mother of Mrs. Burt M. Rich of the Warren Apartments, Newton, and of Miss Mary E. Batcheller of Boston. She was in her 81st year and had been a resident of North Brookfield for more than 60 years. She was born in Leicester, graduated from the Leicester Academy and came to North Brookfield to teach in the schools there. On November 8, 1870, she married Edward A. Batcheller. Three months ago Mr. and Mrs. Batcheller came to Newton to reside with their daughter, Mrs. Burt M. Rich. Her funeral service was held on Tuesday, June 23rd, in the Congregational Church Chapel at North Brookfield. Burial was in the family lot at Walnut Grove Cemetery in that town.

Fred E. Pollock, a former resident of this city, died on June 9 at Nashua, New Hampshire. He was born in Hyde Park 60 years ago and had made his home in late years at Hollis, New Hampshire. He was a Spanish War Veteran. His funeral was held Monday from the home of his brother, Charles H. Pollock of Brooks avenue, Newtonville. The funeral service was at the Church of Our Lady, Newton, and burial was in Dorchester Cemetery. Besides his brother, he is survived by a sister who resides in Lawrence.

ARTHUR H. FROST

Arthur H. Frost of 73 Chestnut street, West Newton, died on June 20th in his 75th year. He was born in Boston, the son of Henry L., and Sophie Pratt Frost. He was formerly contracted by the held the the britage.

ARTHUR H. FROST

Arthur H. Frost of 73 Chestnut street, West Newton, died on June 20th in his 75th year. He was born in Boston, the son of Henry L., and Sophie Pratt Frost. He was formerly engaged in the real estate business, retiring many years ago. He had been a resident of this city for 15 years. He is survived by his widow, Mrs. Sarah Keene Frost; two sons, Rev. Theodore L. Frost, pastor of the Presbyterian Church at Greenlawn, Long Island, New York, and Clifford H. Frost of West Newton; and a granddaughter, Dorothy Frost of Greenlawn.

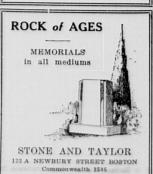

Funeral services for Mr. Frost were held Monday afternoon and were conducted by Rev. Theodore L. Frost. Burial was in Forest Hills Cemetery.

LAWRENCE R. MURPHY

Lawrence R. Murphy of 91 Crafts street, Newtonville, died suddenly of heart failure Friday morning at the city stable on Crafts street where he was employed. He was born in Newton 35 years ago, the son of John J., and Mary Keefe Murphy. During the World War he served overseas with World War he served overseas with the 82nd Division. He was a member of Newton Post, American Legion; Middlesex Court, M. C. O. F., and the 82nd Division Association. His funer-al service was held Monday morning at the Church of Our Lady, Newton. A delegation from Newton Post, A. L., was present and accorded military honors at Calvary Cemetery, Wal-tham, where interment took place. He is survived by his widow, Mrs. Johanna Murphy, three children, his parents, two brothers and a sister.

ABOUT TOWN

By Edw. H. Powers

Traffic Officers Henry Loughlin and Michael Connolly on duty at Newton Corner deserve commendation for showing no partiality. The Boston Elevated is making long needed repairs to a section of rail opposite 300 Centre street and temporary "NO PARKING" signs were placed on both sides of Centre street from Pearl street and Jefferson street to Nonantum Square. Many autoists, either unwittingly or deliberately disregarded these signs and parked cars in the restricted area, requiring constant work on the part of the two traffic officers to keep the street open for travel. Wednesday an Alderman who is quite insistent that traffic rules be obeyed, momentarily stopped his car near one of the signs. He was immediately given a sharp reprimand by Officer Loughlin. Yesterday, Officer Connolly tagged a fellow policeman's car which had been parked in the prohibited area. -Miss Pauline Garick of Pembroke

At various times in the past few years this column has contained items criticising the laxity of police and other public officials regarding the licensing of dogs and the enforcing of the law relative to dogs wearing collars which bear the name and address of each dog's owner. Only a few weeks ago an item appeared in this column advocating fewer dogs and the outlawing of certain ugly breeds. Undoubtedly many of our readers who are fond of dogs (and none is more fond of canines than the writer) concluded that we were dyspeptic, grouchy or something of the sort because of our attitude on the dog problem.

Time has vindicated our attitude. The number of persons bitten by dogs in this and other cities and towns nearby, as well as throughout the State has rapidly increased. Within the past month two men, one a resident of Watertown, have died of that horrible disease, rabies—or hydrophobia. Two other persons have recently died in Massachusetts from this terrible affliction. And yet there are persons, physicians included, who say there is no such disease.

On Thursday at the State House a conference was held which was At various times in the past few

there is no such disease.

On Thursday at the State House a conference was held which was attended by officials responsible for the control of dogs. It was addressed by Dr. George H. Bigelow, State Commissioner of Public Health. The dog situation has resolved itself to the status as expressed by our friend Dr. Frederick L. MacDonald, Director of Public Welfare in Waltham that "many persons seem to be more concerned with the welfare of dogs than with the welfare of humans."

The other Sunday afternoon we tool a ride up Framingam way and journeyed on the road which leads through the west part of Sherborn to wards Millis. Diverting from Mass

MINUTES

NOW and save your **DOLLARS LATER**

LET us show you how to get greatest value when you buy tires. First compare the quality, the workmanship of Firestone Tires with ordinary tires selling for the same price. Then, consider the difference between a "No-name" tire and the responsible organization back of Firestone.

Now compare the construction of Firestone with other tires . . . Gum-Dipping which adds 58% longer flexing

life to every cord . . . the Patented Double Cord Breaker which provides 2 extra plies directly under the tread giving 26% greater protection from punctures and blowouts. No other tire can match this construction at any price.

It's worth five minutes of your time, isn't it, to save DOLLARS next time you buy tires Come in-make us prove all we say here.

ONE THING AND ANOTHER

Vacation and its Hopes

In closing down this column for the next two months there is no hint of depression, unless there are readers who will really feel badly about it. Any protests will be courteously considered but nothing will be done. There will be no attempt to employ the stagger system which would mean a column now and then. My boss and I have followed the custom of summer vacations for a number of years and will continue to pursue it the coming July and August. You, patient readers, and I both get a lay-off—a complete separation for sixty-two days. Probably it will do us both good. When I arrive at the last line of today's column I shall throw the cover over the typewriter and say to you, kind friend, not au revoir or goodbye, but that more meaningful and classic phrase, "I'll be seein' yer."

Now for vacation hopes. The first

one is that the Dear Old Boston Elevated may get some new cars for the Watertown-Newton-Brighton line. The present equipment is getting so junky that to ride on it gives one the chronic shakes and shivers, while to listen to the cars rolling by provokes in the most patient person a bad attack of heeble-jeebles.

most patient person a bad attack of heeble-jeebles.
Another thing. The members of the Board of Aldermen who have been there for several years will begin to think about retiring. If I had the say of such matters I would not permit them. The longer a man serves the city the way they do the better city father he becomes and that is not meant to be funny. You don't see big concerns firing trusted and efficient help. Why should the city? I hope the Aldermen who like their jobs will stick.

the Aldermen who like their jobs will stick.

More trivial things occur to methey may not be so trivial after all—and here they are:

I hope the old bathing suit has no moth holes and is good for another year. That goes for all of us.

I hope nobody in the family gets sick and upsets your vacation plans.

I hope you don't go away forgetting to return some books to the Newton Free Library. The fines will mean cash for the city but somebody else might want the book.

I hope you don't lose your nice new hat by having it blown overboard or having it tossed out of the car and run over by a truck. Those poppy hats the girls are wearing—they're so precious (double meaning) I'd hate to see anything happen to them.

I hope that when you return you

I hope that when you return you will not have reason to say, "I wish I'd stayed at home."

And, if you don't get away this Summer—well, you and I will probably meet, which is giving you fair warning.

Did You Ever Think of This?

Did You Ever Think of This?
Our own fellow citizen, George R.
Grant, general attorney for the New
England Telephone and Telegraph
Company, recently delivered before
the College of Law, Cornell University, a lecture on "Some Conflicting
Views on Regulation of Public Utilities."

ties."

Excerpts here given show us that we ought to consider the investor's side as well as the consumer's, although what we most frequently hear is the latter. Mr. Grant says:

though what we most frequently hear is the latter. Mr. Grant says:

"The stock of public service corporations today is owned by representatives of every level of society in every walk of life. They are men and women of industry and thrift whose earnings large and small have gone into the securities of these companies. They range from influential and successful business people to the small wage earner; they include professional men and women; mechanics, farmers, housewives, ad domestic servants. In the last analysis they are the practical regulators of public utility rates. The man with a dollar in his pocket, looking for a place to invest it, determines largely the extent and efficiency of service and the rates to be charged therefor. Millions of such people have invested their sayings in the property of public utilities and look to the law to protect these savings.

"The investors of the country have

savings.

"The investors of the country have shown their preference for the value rule in the regulation of rates. They are not impressed by the prudent investment theory and the argument of the 'constant return', for such a return is constant only in dollars, without reference to the purchasing power of those dollars. They prefer a return more constant in purchasing power.

power.

"The stock of our utilities is broadly held and is entitled to protection. It must continue to be attractive to purchasers. If not, where is the money to come from to carry on the necessary capital expenditures? Banks will not loan large sums for capital purposes without accurate knowledge of plans for permanent financing. Permanent financing is not possible without adequate rates for service. There can be no assurance of a fair return if rates must be based on any single element of value rather than value itself.

"The mere assurance that invest-nent will not be confiscated does not atisfy stockholders. Rates for serv-must be reasonable."

Some Folks Are That Way

Here's an example of outraged dig nity which to me is as amusing as it is unusual. As you are probably well aware, the purchase made by mail and sent collect by parcel post must be a cash transaction as far as you and the parcel post carrier are concerned. You can't say, "Charge it" to Uncle Sam's representative. He must have

a cash transaction as far as you and the parcel post carrier are concerned. You can't say, "Charge it" to Uncle Sam's representative. He must have the currency or you don't get the burdency or you good the get the ten any other form of outdoor sport and bases his conclusions on results he and his associates has associates have accomplished. With him I wandered you do the delivered. But checks, certified or otherwise, are not accepted.

All this leads up to a happening last week in which one of our most prominent politicians was involved. He had ordered some shirts which were brought to him as per agreement. He dashed off a check and handed it to the parcel post carrier. The latter explained that as fand handed it to the parcel post carrier. The latter explained that as fash as a reflection upon his credit at the bank the politician burst into a fury. The carrier managed to interrupt long enough to explain that it wasn't his idea but that of the Post Office authout the bank that of the Post Office authout the bank that of the Post Office authout the bank that of the Post Office authout the said politician is a great public orator and one of his favorite and most eight which were many obset, you never can tell.

Honest Sport

Honest Sport

A man many Newton people know for his work among young people know for his work among young people in an active sport at the out time. "Vou see it is better to have these young people playing themselves that the output of the propose of the propose of the propose of the control one of his favorite and most eight proposed to demonstration of his favorite and most eight proposed to the control of the post of

The Machine-Marked Ballot
Please don't tell me you think it's too warm to talk about politics. I'n not going to discuss candidates or party policies or anything fike that. What I'd like to take up is the voting machine, and by that I do not refer to the man who doesn't reason but who votes mechanically as far as his brains and opinion are concerned. This machine is just what its name implies and maybe it will be a long time before you are privileged to use one. Nevertheless, I'm going to induge in a prophecy and that is the dad will sometime be generally adopted. Furthermore, when that time comes we'll be wondering how we ever got along without it.

What makes me say that? Ah, I was certain you would ask me that one. Well, there were many obstacles encountered and overcome before we got around to that prized American institution—the Australian ballot. Those of you who haven't been to make the contry, should bear in mind that it was not until 1890 that the official ballot was adopted. That's forty-one

purchase 15 new free wheeling STUDEBAKERS for highway patrol Proof of the merit of

Connecticut State Police

Free Wheeling in its finest form , , , , ,

HE Connecticut State Police have been showing a pronounced preference for Studebaker cars for 15 years. And now with 15 brand new Studebaker Free Wheelers in service, they are telling the world how highly they regard this new engineering advancement with which Studebaker has harnessed momentum.

State police cars have to be fast-they have to be flexible-they have to be sturdy and safe under all conditions-they have to be able to do everything that other cars can do. And so this selection of 14 Free Wheeling Dictators and 1 Free Wheeling Commander is a great tribute both to Studebaker's officially recognized championship performance and to Studebaker Free Wheeling.

These Free Wheeling Studebakers will save the State Police Department 15% to 20% in gas and oil because they will travel on momentum one-fifth of the time. They will save

substantially in chassis wear and the costs of repair because Free Wheeling will give them 10 speedometer miles for 8 engine miles.

They will be safer cars for both the drivers and the public because Free Wheeling Studebakers are always in gear-always in control -with the full braking force of the engine always instantly available.

Studebaker Free Wheeling is built into every Studebaker at the factory as integral chassis engineering. It is Free Wheeling in its finest form-with only one shift lever instead of two-nothing new to learn except its advantages.

Today, go to a Studebaker dealer and go Free Wheeling in a President, Commander or Dictator Eight, or a brilliant new Studebaker Six-and you will never want to drive any other kind of car.

Free Wheeling Studebaker Models and Prices

CITY OF NEWTON

CITY COLLECTOR'S NOTICE

Newton, June 12, 1931.
The owners and occupants of the following described parcels of real estate situated in the City of Newton, in the County of Middlesex and Commonthe County of Middlesex and Common-wealth of Massachusetts, and the pub-lic are hereby notified, that the taxes, and assessments thereon severally as-sessed for the year 1930, according to the list committed to me as collector sessed for the year 1930, according to the list committed to me as collector of taxes for said City by the assessors of taxes, and that the betterment assessments and other assessments thereon severally assessed in the year 1930, as specified, according to the list committed by the Board of Aldermen of the said City to me as collector of taxes for said City and that the apportioned betterment assessments and other apportioned assessments added by the assessors of taxes, in accordance with the provision of law to the annual tax bill for the year 1930, remain unpaid, and that the smallest undivided part of said land sufficient to satisfy said taxes, betterments and other assessments, and apportioned assessments, with interest and all legal costs and charges, or the whole of said land if no person offers to take an undivided part thereof, will be offered for sale by public auction at the City Hall, in said Newton on

MONDAY, JULY 6, 1931

at 10 o'clock A. M.

for the payment of said taxes, better-ments and other assessments, and ap-portioned assessments, with interest, costs and charges thereon, unless the same shall be previously discharged.

POLICE NEWS

Two more hold-ups on parked automobiles were made Tuesday night at Newton Centre. Shortly after 10 o'clock three young men, two of them masked, approached a car on Dedham street. Oak Hill and at gun-point robbed John Fontannay, 23, of 68 Carl street, Newton Highlands of \$3. They also took a small sum of money from a girl companion of Fontannay's. Si, Five minutes later the "bold" bandits held up what they supposed to be a petting party in front of 47 Clark street. But they were surprised to find that instead of a youth and a girl this car contained two men—Robert Gorman of Walnut street, Needham and John J. Lane. Gorman grappled with one of the would-be robbers and another of the trio fired a shot which went through a cushion in Gorman's car. Then the "bold" bandits fled in their car towards Newton Highlands.

Albert MacCauley of 13 Bigelow street, Brighton was fined \$50 by Judge Brown in the Newton court on Friday for leaving the scene of an accident without revealing his identity. He was also fined \$25 for driving without a license. On the night of June 18 a car driven by MacCauley the ear hit contained Motorcycle Officer Dwyer who was off duty. Dwyer picked up Patrolman Whelan and gave chase catching MacCauley at Brighton.

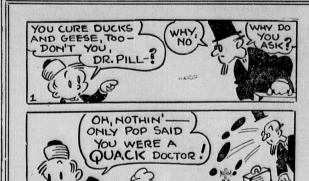

Patrick Walsh of 133 Dudley road, Newton Centre and Dora Mahonoy of 96 Harrison avenue, Boston were arrested at the former address early last Friday morning by Serg. Crowley and a squad of police charged with drunkenness and a statutory office. In court the same day they were placed on probation.

an eness and a statutory offence. In court the same day they were placed on probation.

A wedding reception Saturday night to which so many guests were invited to which so many guests were invited that the State Armory at West Newton was hired for the affair was dissible the building. So many participants became involved in the "battle royal" that it took a squad of police to end the scrap. As a result three Quincy oung men, brothers, who came to enjoy the wedding, were arrested by a trolmen Condrin, Hanion and Walker. The three, Joseph Louis and Cesidio Marini of West street, Equincy were each fined \$20 in the Newton court on Monday morning for disturbing the peace and \$15 each for drunkenness.
